

COLORED WOMEN REPUBLICAN FORCE

Women Form Club to Work for Booth, McArthur and Entire Ticket.

MRS. L. K. WEEKS IS HEAD

Organization to Campaign Energetically From Now On—State and County Committees Meet to Arrange Speaking Tours.

Several of the colored women were elected at the Public Library yesterday afternoon to support the candidacy of Booth, McArthur and the Republican nominees for United States Senator; C. N. McArthur, Republican candidate for Congress, and the entire Republican ticket.

About 12 women attended the first meeting, following which the entire party went to the Courthouse where they registered everyone of them as Republicans. Mr. Booth and Mr. McArthur addressed the meeting.

The women elected permanent officers as follows: President, Mrs. L. K. Weeks; vice-president, Mrs. Hattie Redmond; secretary, Mrs. J. A. Merrill; treasurer, Mrs. W. E. Koenig; advisory committee, Mrs. E. K. Griffin, Miss E. Clemens, Miss Edith Bird, Mrs. Lucy Bell, Mrs. Perle, Mrs. Fred Thomas, Mrs. Cora Jackson, Mrs. E. J. Fuller, Mrs. W. R. Peck and Mrs. Coffee.

Several of the women spoke in determined support of the Republican ticket, and especially urged their hearers to vote for the Republican nominees for Congress.

Women to Campaign.

The organization will continue to hold meetings throughout the campaign and will endeavor to enlist the interest of other colored women voters, to urge them to register and advise them to vote the straight Republican ticket. The organization was brought about largely through the efforts of Mrs. Alice R. Nugent, secretary of the newly organized Republican Women's Election Officials' Association. She was assisted in the work by Mrs. L. K. Weeks, who was elected president of the Colored Women's Republican Club, as the new organization is to be known, Miss Verma Champagne and other prominent colored women.

A joint meeting of the Republican state and county committees was held in the Morgan building last night and plans were made for the speaking programmes in various parts of the county during the closing weeks of the campaign. It is proposed to give particular attention in the next two weeks to the outlying precincts of the county.

The general plan is to have the candidates visit the rural districts by day and to devote the evenings to street meetings and to other public gatherings in Portland.

E. A. Booth, Senatorial nominee; C. N. McArthur, Congressional nominee; Dr. James Withycombe, candidate for Governor; Thomas M. Hurlburt, candidate for Sheriff, and several of the legislative candidates will be among the principal speakers in the final campaign rallies.

Street meetings are scheduled at Lents and at Sellwood next Saturday evening. If the weather is bad the meetings will be held in the Grange Hall and in the Sellwood meeting in the schoolhouse.

The Republican rally, which was to have been held in St. Johns next Friday evening, has been indefinitely postponed on account of the plans of the Republican county executive committee to entertain the entire county central committee and the Republican candidates at a dinner at the Commercial Club. The festivities will start at 8 o'clock. In addition to the county organization and the candidates, members of the state committee have been invited to attend. A special invitation is being extended to the women.

The St. Johns meeting probably will be held later in the campaign.

A number of prominent Democratic women have arranged to tender a public informal reception in the green room of the Commercial Club on Monday afternoon to Senator and Mrs. Chamberlain. Music will be provided and the general programme of the women will be invited. The reception will continue from 3 to 6 o'clock in the afternoon, and Senator Chamberlain will speak probably in the evening.

The committee in charge announces that this reception is to be an expression of appreciation of the work of Oregon women for the work that Senator Chamberlain has done for National suffrage.

The committee on arrangements is: Mrs. Edith T. Weathered, Dr. Esther Pohl Lovejoy, Mrs. C. J. Smith, Mrs. H. T. Hedlund, Mrs. E. P. Irvine, Mrs. Frank Myers, Mrs. Thomas C. Burke, Mrs. A. F. Flegel, Mrs. John Nilsen, Mrs. William N. Galena, Mrs. John Manning, Mrs. C. J. Miller, Mrs. G. W. Taylor, Mrs. J. N. Standifer and Mrs. Arnes E. McNaughton.

William Hanley, Progressive nominee for the United States Senate, was in Echo, Stanfield and Hermiston yesterday. He will be in Heppner, Arlington and Waymouth today and in Clatskanie and other Wasco County towns tomorrow, returning to Portland on Friday.

A Democratic caucus was held last night in the Arletta schoolhouse. Among the speakers were A. F. Flegel, candidate for Sheriff; T. O. Hague, nominee for the Legislature, and others. George H. Watson presided.

Mr. Flegel will speak tonight before the Woodstock town government League in Woodstock Methodist Church and at a mass meeting in the Brookline school. He will continue to hold night meetings.

Dry workers throughout the state are preparing to give an enthusiastic reception to the "flying squadron" of orators that is on its way to Oregon. The orators will be here late next week and will speak in Medford, Salem and Astoria. A different group of speakers will be present at every place every day. The personnel of the party includes such well-known persons as ex-Governor Hanley, Indiana, Oliver W. Stewart, of Chicago, and others. The party is making a tour of the entire country and will visit all the principal cities, including the capital of every state in the union. It aims to assist in making the Nation "dry."

W. S. U'Ren, independent candidate for Governor, left last night for Eugene and will speak at the State Federation of Women's Clubs this evening on taxation questions. He will speak in Ashland and Medford Thursday in Grants Pass Friday and in Roseburg Saturday.

The William Hanley campaign committee has prepared a large number of circulars attacking the political and

official record of Senator Chamberlain and asking him a series of pointed questions directed at his attitude on various public measures. These circulars will be distributed at every meeting at which Senator Chamberlain speaks between now and election time.

Frank Fawc, chairman of the Democratic committee in Polk County, was a visitor in Portland yesterday. He arranged for the meeting at Dallas at which Senator Chamberlain is to speak.

Milton A. Miller, Collector of Internal Revenue, will speak at a Democratic "rally" Friday evening.

Bert E. Haney, Democratic state chairman, left yesterday for Baker, where he will speak at Senator Chamberlain today and accompany him on his trip back to Portland. Chamberlain is leaving on Saturday evening at a Grande tomorrow evening, at Pendleton on Friday and at The Dalles on Saturday. Other stops will be made at intermediate points. He will arrive in Portland on Sunday morning and will pass Sunday and Monday here.

The Oregon State Board of Horticulture yesterday adopted resolutions opposing the eight-hour bill on the state ballot at the forthcoming election. The members believe enactment of this measure would seriously hamper development of the horticultural and agricultural resources of Oregon.

Republican women of Washington County will form an auxiliary to the regular county committee at a meeting in Hillsboro on Saturday afternoon. Ex-Governor T. T. Geer, of Portland, will represent the state committee at the meeting. It is the purpose of the Washington County women to take an active part in the closing weeks of the campaign.

Thomas M. Hurlburt, Republican nominee for Sheriff, has covered more than half of the county since his campaign began and has come into personal contact with thousands of voters, many of them women. He reported yesterday that he is greatly encouraged over the outlook. He will join other Republican candidates on both the state and county tickets on a tour of the outlying precincts of the county in the next two weeks. Hurlburt is getting promises of strong support every day from former Democrats.

In reporting to the Republican state headquarters concerning his recent trip through eastern and southern Oregon, Dr. James Withycombe, the party nominee for Governor, tells of the splendid response made by the people everywhere and of the almost unanimous promises of support that he is getting from the voters.

W. S. U'Ren, Democratic state committee chairman in Walla Walla County, was in Portland yesterday and reported to Democratic headquarters that "everything is looking fine."

W. S. Levens, Democratic state committeeman in Baker County, was in Portland yesterday and announced that Baker County Democrats are going to give Senator Chamberlain a "kick" there this afternoon. Baker County always has been a Chamberlain stronghold, but the Republicans are cutting into his strength this year.

Dr. C. J. Smith is not in the race for Governor. If I am to win know that I must defeat Dr. Withycombe. But I am not yet willing to admit that I will not defeat Withycombe."

So, W. S. U'Ren, independent candidate for Governor, yesterday, shortly after addressing the department of Oregon Civic League on revenue and taxation on the proposed \$1500 exemption law.

"Normally the odds are two to one against a Democratic runner for Governor in Oregon. Dr. Smith's only chance to win would have been a split in the Republican party over national issues, and this has not happened in four years ago. He could have entertained some hope if he had the backing of the radical faction. Governor Wood has a chance in the election, certainly profited immeasurably by the split in the Republican party, and he got many of the radical votes."

"But this year there appears to be no split in the Republican party and I am going to get the radical vote. For those reasons I can't see where Dr. Smith has any chance of election."

As the big crowd stood in Alder street yesterday afternoon watching the white cards distributed on the third floor of the Selling building. The men reached out for them and soon the modest election announcements of R. A. Booth, Republican nominee for the United States Senate, were in the hands of thousands of men.

The novel manner originated in the offices of the Republican Women Election Officials at 391 Selling building, and it is being copied by R. Nugent, in charge of the offices, and Miss Ruth Gilbert, of the Republican county headquarters.

C. M. Hurlburt, who recently was reelected by the Republican County Committee as a candidate for the Legislature from the Multnomah-Lackamas joint district, has gone to Oklahoma, and it is understood, will not return to Oregon for several months. Many Republican voters will support Roscoe F. Hurst, the Democratic nominee for Sheriff.

C. M. Hurlburt, it is pointed out, is not related to Thomas M. Hurlburt, Republican nominee for Sheriff.

W. S. U'Ren, independent candidate for Governor, spoke for the enactment of the \$1500 exemption law before the department of revenue and taxation of Oregon Civic League at the Hazelwood yesterday noon.

He contended that if it was fair to exempt mortgages, diamonds and jewelry from taxation, that it was fair to exempt the house on which the mortgage lay and to exempt tools, implements and livestock at least up to \$1500. He said that it would encourage the little homemaker.

In rebuttal, Arthur M. Churchill declared that the \$1500 exemption law did not conform to any principle of taxation aside from the one to get all exemptions possible.

"There is absolutely no precedent for this proposed law," he said. "It simply means putting single tax under another name. Why not exempt a man from paying for his groceries unless he has a bill in excess of \$1500 or exempt him from paying water rent unless it runs over a certain figure? This law would be even more discriminatory than the present law."

"It would work a severe hardship on the tenants, the owners of vacant lots, the owners of residence property who are about to be transformed into business property and the consumers who will be forced to bear indirectly the burdens of excessive rents."

A number of Democratic women have arranged to hold a meeting in the main assembly hall of the Public Library building in Wednesday evening, October 21. A number of candidates on the state and county ticket will speak.

The Hanley-for-Senator Club will meet at the Public Library on Friday evening. Miss Anne Shannon Monroe and others will speak.

RECALL ELECTION BALLOT PREPARED

Printing Delayed Awaiting Supreme Court Decision on Legality of Plan.

WATER ORDINANCE IS ON

Votes for Mayor and Commissioners Dieck and Brewster Separate. Majority Voting "No" Would End Entire Matter.

The official ballot to be used in the Albee-Dieck-Brewster recall election October 27, if the Supreme Court rules that the recall is legal, has been completed by City Auditor Barbur.

Printing of the sample ballots has been delayed for a few days to see if the Supreme Court decides the recall case now pending. If no decision is made it is probable the printing will go ahead along with all other arrangements.

On top of the ballot are the usual instructions to voters under the preferential system, as outlined in the city charter. Below these are inserted the statement of charges against each of the officials sought to be recalled, along with a statement in rebuttal by the official attacked. Below this are spaces in which is the question, "Shall the official be recalled?"

Voting on Each Separate. The question is asked separately for each official. The voters will vote "yes" or "no" on the question.

Below this is the list of candidates, with the spaces for voting first and second choices. In case of the recall against Commissioner Brewster, there is only one choice because there are only two candidates. In case of Mayor Albee and Commissioner Dieck there are more candidates, so there is provision for first and second choices.

It has been ruled that in case the majority of voters vote "no" on the question as to whether or not the officials or any of them shall be recalled, the election is ended there without regard to the vote for candidates.

At the bottom of the ballot is the ordinance submitted to the voters by the Council regarding the assessing of water rental against the property instead of against occupants, as at present.

WHITE LIGHTS LURE GIRL

Return to Farm Home Sought After Arrest Ends Gay Career.

CHICAGO, Ill., Oct. 8.—They called her Mandy on the farm and they made much of her.

She was the only daughter the Boyers had and nothing was too good for her. So "dad" said—and mother agreed. Mandy didn't realize how happy she was. She was ambitious and wished to see the city. She had an aunt in Chicago, Mrs. J. Cole, of 4855 Fulton street. Why couldn't she go to Chicago, study stenography and live with auntie?

Her parents didn't like to have her go, but she insisted. So they kissed her and sent her away. She went to the Revilo School at 17 North Washburn avenue for some time, and then, last June, she had a quarrel with her aunt and went to live at 1309 West Madison street.

She made the acquaintance of John Eugene Logan and Savings Bank of Eugene, after his bankruptcy had been declared and therefore asks that the automobiles given to the bank by Mr. Fazen and in consequence of his debt be returned to the trustee.

Woman Stops Husband From Using Tobacco.

An Ohio Wife Broke Her Husband of the Tobacco Habit With a Recipe She Gave Secretly.

She Tells What She Used.

A well-known Ohio woman, whose husband has been a heavy user of tobacco for years, broke him of the habit by the use of a simple home recipe that she gave secretly. She very gladly told what she used, but requested that her name should not be made public, as her husband does not know why he quit using tobacco. She said: "The recipe is inexpensive and can be obtained from any drug store, and given secretly or with the patient's knowledge. To 3 oz. of water add 30 grains of muriate of ammonia, a small box of Varlex Compound and 10 grains of pepper. Give a teaspoonful three times a day at meal time in the food or in the coffee, tea or milk. This recipe is perfectly harmless and has no color, taste or smell, and is a woman's good friend for the tobacco habit in any form."

Sergeant George E. McCormick and Mandy went and told her story.

It has been a busy life, she said, fascinating and swift.

But if mother and "dad" down in Illinois, they will forgive her she will go home and stay there for good.

But Mandy is needed as a witness against Fazen and five other young men for whom warrants were obtained yesterday.

And she will have to appear against the proprietors of the Congress Cafe, Charles West's, the Cafe De Laska, five of Delaware and eight or ten other cafes which sold her gin fizzes, highballs and other drinks; and against the owners and proprietors of eight or ten hotels that admitted her—a girl just out of short skirts—without asking questions.

Then there is a woman of good family on the West Side who will be charged with contributing to the delinquency of a minor.

So it will be long time before Mandy can go home.

COUNTIES WANT TO SHOW

Eastern Oregon Anxious to Exhibit Resources at San Francisco.

BAKER, Or., Oct. 13.—(Special.)—All of Eastern Oregon is anxious to send exhibits to the Panama-Pacific Exposition and this part of the state will be among the best represented at San Francisco next year. This was shown at the meeting of the different counties held at the Commercial Club today.

Robert Withycombe, of Union, who represented Union County, presided. Other speakers who pledged their support were Ernest Welch, president of the Baker Commercial Club; J. V. Tallman, president of the Pendleton Commercial Association, representing Umatilla County; Judge J. A. French and Ross Leale, representing Walla Walla County; Dr. V. C. Belknap and R. L. Reese, of Prairie City, representing Grant County; Judge McKnight telephoned that Malheur County will take part and like word came from Morrow County.

TWO GREAT SALES NOW IN ONE

The most important event in Western piano merchandising, the Manufacturers' Emergency Surplus Sale, merged with the Soule Bros. Failure Sale.

Soule Bros., old-established musical instrument merchants, their stock, after authority and direct order of court, was taken over by C. E. Lucore, the wholesale piano man and representative of the Soule Bros. Failure Sale. Nearly all the inexpensive pianos were quickly sold at 288 Morrison, but the more costly kinds were left on hand. There was no time to lose. A quick turn was necessary and we were able to get them in one lump, so that we can sell them for almost what they cost. Now we are offering cheaper priced pianos for, for we declared to take over any but the finest makes and higher grade pianos, the really much-to-be-desired instruments, now on sale at Ellers Music House, started yesterday morning.

In these two great sales at Ellers Music House will be found pianos for a great deal less than what the manufacturers expected to get for same when they billed them to their agents. Some of them, oldest established names, have been honored, time tried names, and included in this great sale for sale now, and positive assurance that every instrument is reliable, dependable, and which is accompanied by our positive guarantee as to quality and service, and accompanied by our exchange agreement and money-back guarantee.

OUR PROPOSITION NOW MAKES THE BUYING OF SOULE BROS. FAILURE PIANOS THOROUGHLY SAFE.

For several weeks, while the Soule Bros. failure sale was in force, we would have bargained you, "I believe they have real bargains up here at Soule Bros. failure sale, but if you piano should not turn out what it should be, to whom can we look to make the return right? Now that difficulty has all been done away with, for with the Ellers guarantee, and a year's money back, you have the high standing of the house, every pianolesse home can now feel sure that the piano will be found in every price range, and at a price that Ellers Music House is the money back institution.

We also issue an exchange agreement so that for any reason, at any time within two years, a customer can exchange for another piano at the big piano house, and all the money paid will apply on the instrument selected.

ELLERS MUSIC HOUSE HAS ALWAYS BEEN KNOWN FOR SELLING THE BEST AND HIGHEST GRADE PIANOS MANUFACTURED.

Their enormous business enables them to sell a piano of a higher grade for much less than the old-time method dealers ask. Several hundred of all the pianos shipped to the coast are sold by the Ellers houses. Truly very few for all the other dealers combined to sell. This fact itself should have consideration; any thinking business man or woman knows that a large quantity of goods can be marketed for less per article than can a small number. Thinking people know that in buying in large quantities each article can be purchased for less. Furthermore our Ellers Music

STUDENTS FIGHT CITIZENS

Madison Mobs Clash After Boy Is Thrown in Lake.

MADISON, Wis., Oct. 8.—Students of the University of Wisconsin tried to throw a town boy into Lake Mendota here last night, mistaking him for a fellow student, and precipitated a street fight in which three hundred students battled with as many citizens for hours. For another hour the city fire department poured streams of water into the crowd without dispersing the fighters.

C. R. Van Hise, president of the university, gave bond for the four students who were arrested, and addressed the 1500 students who surrounded the police station, finally persuading them to return to their homes. Hundreds of windows, including all in the police station, were broken.

The students whose mistake started the fight said they attempted to dis-

Player Pianos Now Less Than Uprights Regularly Sell For

Yesterday we bought outright and had turned over to us by Mr. Lucore the balance of altogether forty-four of the costliest Pianos in the Soule Bros. Failure Sale

For Example We Quote: \$900 Chickering Baby Grand--- \$487 Used, but big bargain. \$750 Lester Grand just like new Less than half. \$950 Knabe Grand less than half \$472 For professional use.

\$500 Behning \$286 \$400 Wegman \$237 \$400 Emerson \$188 \$350 Vose... \$124 \$375 Estey... \$165 Like new. \$275 Ludwig \$137 Like new.

\$800 Melville-Clark Player Piano \$396 \$600 Kingsbury Inner Player-- \$288 Late 88-note model. \$600 Angelus Player Piano----- \$225 \$400 Hallet & Davis----- \$140 Fine for Students.

And many others, new or used, at equally low prices, some of them taken in part payment at our own price for new pianos and player pianos, during this great Manufacturers' Emergency and Surplus Sale.

House guarantee is thoroughly dependable, a trustworthy in every way. It is the only large home institution of its kind, and many years of successful piano distribution has put it in the lead of all the great National institutions. Whenever the opportunity presents Ellers Music House is always ready and anxious to arrange exceptional values, and offers them to buyers at the lowest possible price consistent with quality.

Everyone knows that the export business has practically been a standstill; every manufacturer, especially of musical instruments, has been at his wits' end to know where to turn with his surplus stock, that is why the manufacturers' representatives, Ellsworth, Barnes and Davey and Lucore, are now in charge of this greatest of all Portland piano sales. Remember, these pianos are all new, guaranteed.

THE PRICES. Instruments that are worth \$1000, \$1100 and \$1150 in the regular retail price are now being sold at \$600. Players or Grand for only \$385. However, if you do not care to invest in the very highest priced of all musical instruments, we will sell you the medium grades at correspondingly low prices. This would mean instruments valued at \$200, \$250 or \$300 for \$118 or \$143. Or for only \$195 we furnish highest grade, strictly warranted Colonial design Uprights which usually sell for more than double this price.

THE PRICES. We have decided to give 40 months, 30 months, 20 months or 10 months' time in which to pay for a piano in this sale.

BEER IS NOT ALCOHOL

Beer is the combined extract of malt and hops—Malt builds up tissue—Hops is an invigorating tonic. Beer contains natural carbonic acid gas, which gives it sparkling effervescence. Beer contains 3 1/2 to 4 per cent of alcohol developed by natural fermentation, just enough to preserve it.
