

WOMEN'S LIFE ISSUES AFFECTING HOMES

Keynote of Convention Now Ended Is Harmony in All Lines of Work.

SCHOOLS ARE INDORSED

Demand for Equal Pay Regarded of Sex Made, Change in Care of Insane Advocated and New Laws Discussed.

EUGENE, Or., Oct. 15.—(Special).—A new departure, that of participation in existing political issues, characterized the 14th annual session of the Oregon Federation of Women's Clubs, which closed in Eugene today.

The predominant feature was orderliness, the seriousness with which the women handled the issues. During the whole convention there was no note of discord.

Harmony Is Keynote.

"The keynote of the whole session was the harmony and the spirit of advancement—the desire to work for the best interest of the state," declared Mrs. Sarah Evans, state president for the past eight years, as the delegates were leaving on the late afternoon train today.

In the main the political issues handled were those affecting the home. Predominant among the resolutions passed today was one group affecting the schools. Normal schools were indorsed; resolutions were passed demanding equal pay and equal terms for men and women teachers in similar positions; the tenure of office bill affecting schoolteachers was heartily indorsed.

A resolution, not adopted but continued, affects the textbook system. A resolution demanding that the handling of the insane be taken from local sheriffs formed the second step in a definite movement to promote greater humanity in the care of the insane. Six years ago the women insisted that these unfortunate be taken to the asylum under the care of trained attendants.

Entertainment of Clubs Planned.

Plans were made for entertaining thousands of clubwomen from all parts of the United States during 1915, in view of the fact that the National Congress of Mothers and the National Federation of Women's Clubs conventions will be held in Portland and the two California expositions will bring thousands of distinguished women all over the world. Resolutions were passed today for the establishment of clubwomen's magazine to be devoted to the interest of the visiting clubwomen, it probably will be published quarterly with the first issue early in the year.

Three towns, Salem, Corvallis and Medford, issued invitations to the next year's convention of the Oregon Federation of Women's Clubs. The place accepted will be announced later. Special mention was made by the clubwomen of the royal entertainment provided by Eugene. A brilliant reception by the women of Eugene opened the session, and a reception by the university on the campus marked the close of the afternoon. Motor rides and dinners were crowded in between the sessions. The weather has been ideal.

Resolutions Outlined Stand.

Resolutions were adopted committing the Oregon Federation of Women's Clubs to the following course for the year: Opposition to the liquor traffic and the support of Federal or state laws that tend to eradicate the same. A resolution was passed endorsing a Federal amendment taking the power of declaration of war from Congress and referring it to the people and their clubs.

Instructions issued to each club to investigate to improve conditions in jails, especially those detaining women.

Recommendations to the Portland Ad Club to open a real estate market and their advertisements.

Demand for a law for the protection of the Harbary Coast, proper safeguards for the young, and a thorough moral atmosphere in San Francisco and surrounding cities at the Western Exposition.

Indorsement of the "Christmas ship" campaign bearing gifts to the children of Europe.

Demand for a law forcing the payment of the same wages for similar work of teachers, regardless of sex.

Support of proposed law and appropriation to the University Medical School to cure crippled children.

Changes in Pension Law Asked.

Support of proposed amendments to the widow's pension law, reducing the three years' residence and prohibiting pensions to property-owners other than home owners, and in other ways strengthening the law.

Indorsement of the reopening of the Ashland State Normal school at the Western Normal school.

Opposition to the property qualifications for voting under the constitution.

Support of a closed season until September 1 for deer hunters in order to prevent forest fire.

Appeal to voters to support Eastern and Southern State Normal schools.

Opposition to sign placing on Columbia and Pacific highways or other scenic routes.

Opposition to the proposed law in the university, and favoring the employment of home products and labor.

Opposition to the proposed law in any other organization that tends to arouse marital spirit.

Change in method of caring for insane by equipping trained attendants and their removal from the control of Sheriffs.

CANNERY STOCK IS TAKEN

Meeting Held at Orengo and Committees Are Appointed.

ORENCO, Or., Oct. 15.—(Special).—Citizens of Orengo subscribed \$3000 toward the proposed cannery building last night following a discussion of the project by members of the Chamber of Commerce, at which there were 125 present, and were served by the women in the banquet room of the church.

A committee on by-laws was appointed, consisting of Frank W. Power, Dr. E. A. Anderson and Thomas H. Brown, of Sewell.

The following committee was appointed to solicit further subscriptions and arrange for permanent organization: C. T. Colt, John Holmstrom, Thomas H. Brown, Dr. E. A. Anderson, F. E. Straight and W. J. Head. It is probable that the cannery and the marketing association can be combined, thereby saving the expense of two managers.

75 I. W. W.'S ARE ROUTED

Ellensburg Forces Win in Keeping Butte Gang From Train.

ELLENSBURG, Wash., Oct. 15.—(Special).—Seventy-five members of the I. W. W.'s arrived at Ellensburg last evening on Northern Pacific freight train and announced that they were

going west by fast freight. It took Northern Pacific special agents, several deputies, the city police force and several members of the Sheriff's force to keep them away from trains. The crowd is on its way from Butte to the Coast. They had intimidated the east end crew, and on arrival here, about 7 o'clock, declared their intention to take the first train west. This train happened to be a fast freight, which has no empty cars. Special Agent Davis notified the leaders that they could not travel on that train, and they said they would, anyway. Davis then called his deputies, the police and the Sheriff's force. The I. W. W.'s broke in the doors of boxcars, but were routed and the train left without a single I. W. W. Some of the crowd caught trains in
