"I know that doctors disagree as to fruit being given with milk, but he always drinks milk and always wants apple sauce when we have it..."

"When I have a headache, I give him a little meat, and not any sugar, milk and a little vegetable if I can coax him to eat..."

"Do you think keeping his meals a long way apart would give his stomach a rest? We don't have breakfast till 8 or 9 and perhaps lunch comes too soon..."

"There are children of 3 1/2 who can eat apple sauce, bacon, eggs and milk with chocolate for breakfast..."

"Do not let him have apple sauce or any other fruit with milk or eggs. If he wants apple sauce let him have it by itself..."

"The noon lunch is alright. Allow no 'snacking.' Give nothing at all between breakfast and lunch..."
