

"DRY" CHALLENGE ACCEPTED

To the COMMITTEE of ONE HUNDRED (or Less):

Don't dodge this direct answer. Either back down from YOUR CHALLENGE or make good YOUR WORD by publishing these, alongside the names of the members of YOU committee or One Hundred (or less) in "EVERY PORTLAND NEWSPAPER."

To the VOTERS of OREGON:

You be THE JUDGE of whether the Committee of One Hundred (or less) has been caught PLAYING POLITICS. The Committee of One Hundred (or less,) in its "dry organ," The Evening Telegram of Portland, controlled by J. E. Wheeler, Chairman of the Committee of One Hundred has challenged the forces opposed to STATEWIDE PROHIBITION to produce the name of 100 Oregonians opposing prohibition.

THE CHALLENGE READS:

"If these names are produced, WHETHER IN THE FORM OF AN ORGANIZATION OR NOT, the Committee of One Hundred PROMISES TO PUBLISH THEM IN EVERY NEWSPAPER IN PORTLAND, PARALLEL WITH THE NAMES OF THEIR OWN ORGANIZATION. We shall be glad to have the people of Portland DRAW THEIR OWN INFERENCES."

NEARLY 60,000 NAMES OFFERED YOU

On this page is printed a list of Portland names, not merely ONE HUNDRED, but MANY TIMES ONE HUNDRED, taken from a list of approximately SIXTY THOUSAND OREGONIANS who are OPPOSED TO STATEWIDE PROHIBITION and who SIGNED THEIR NAMES to a Declaration of Principles to PROVE IT. The full list of nearly 60,000 signers is open to inspection by any representative committee at any time.

CHALLENGERS ARE CHALLENGED

We now challenge the Committee of One Hundred (or less) to publish all the names on this page, CLASS BY CLASS, by REPRINTING THIS PAGE—challenge included—in EVERY NEWSPAPER IN PORTLAND, including its "official organ," THE EVENING TELEGRAM, of Portland, controlled by J. E. Wheeler, Chairman of the Committee of One Hundred.

The Committee of One Hundred (or less) asked the public "to draw its inferences." We also ask the public to "draw its inferences," as to the standing and ability of the men and concerns named in these parallel columns, whether in the worlds of finance, commerce, trade, transportation, labor, manufacture, industry or professions.

Let the Committee of One Hundred (orless) Either Make Good Its Own Challenge and Publish the Answer, Squarely and Fairly, or Stand Convicted Before the Public of Playing Politics!

"Declaration of Principles" Signed by Nearly 60,000 People of Oregon

We, the undersigned, are OPPOSED TO STATEWIDE PROHIBITION, for the following reasons:

There is already in existence a law which permits ANY COMMUNITY to decide this question for ITSELF, known as the LOCAL OPTION LAW.

STATEWIDE PROHIBITION deprives communities of HOME RULE AND LOCAL OPTION.

CONTINUED AGITATION of the liquor question and its injection into active politics is HARMFUL, not only to the cause of TRUE TEMPERANCE, but also to the BUSINESS INTERESTS AND INDUSTRIAL DEVELOPMENT OF OREGON.

Placing Oregon among the "dry" states would RETARD ITS DEVELOPMENT and give COMPETING STATES TO THE NORTH AND SOUTH—Washington and California—AN ADVANTAGE IMPOSSIBLE TO OVERCOME.

STATEWIDE PROHIBITION would throw TEN THOUSAND MEN OUT OF EMPLOYMENT IN Oregon.

STATEWIDE PROHIBITION would CONFISCATE much valuable property and DEPRECIATE THE VALUE OF ALL PROPERTY.

STATEWIDE PROHIBITION would DECREASE CITY REVENUES and thereby MATERIALLY INCREASE GENERAL TAXATION.

STATEWIDE PROHIBITION would TURN AWAY FROM THE STATE MANY DESIRABLE SETTLERS, who are SO MUCH NEEDED to improve our WASTE LANDS.

STATEWIDE PROHIBITION would cause the VACANCY IN PORTLAND ALONE of not less than FIVE HUNDRED STORES AND FIFTEEN HUNDRED DWELLINGS, which, at a moderate estimate, are now paying yearly rentals aggregating ONE AND ONE-HALF MILLION DOLLARS and in ALL OTHER CITIES would result in a PROPORTIONATE AMOUNT of vacant stores and dwellings and LOSS OF RENTALS.

We favor the STRICT REGULATION of the liquor traffic WHEREVER LICENSED and STRICT ENFORCEMENT of the law IN ALL COMMUNITIES, but are OPPOSED TO CONTINUED AGITATION of a measure like STATEWIDE PROHIBITION, that can accomplish NO USEFUL PURPOSE.

The Portland Chamber of Commerce Turned Down Prohibition by a Vote of 470 to 111, or Over FOUR to ONE—That Organization Should Know What Will Help and What Will Hurt Oregon

We are publishing only Portland names in our list because the "dry" challenge limits its scope of publication to Portland and these names are more familiar to Portland readers. We reprint, however, the names of all members in the list of the "dry" Committee of One Hundred (or less).
