

DR. BOOTH STRONG FOR BOOTH

Republican Senatorial Candidate Addresses Throng for Three Hours.

CANDIDATE IS CHEERED

Nominee Devotes Main Part of Talk to Great Resources of Oregon.

Democratic Rule Is Blamed for Hard Times.

PRINEVILLE, Or., Oct. 21.—(Special.)—R. A. Booth held his first meeting in this place tonight at the Commercial Club hall where he addressed the largest audience that has attended a political meeting here this year.

Oregon's Resources Great.

"They found here vast forests which today represent one-fifth of the timber wealth of the world, and the most magnificent water power and mineral land to be found in the world, so say nothing of the millions of acres of land that, under proper development, would make homes for a million people."

Democratic Rule Blamed.

"The gardening, truck and fruit possibilities of this state are enormous, and a quantity of the fruit which we will be able to send into the market of the world under the conditions which I have just described should be 100 times greater than it is today."

Large crowds are expected at the meeting tomorrow.

Mr. Booth discussed the effect of the present protective tariff on the lumber and single industry of Oregon, including the resultant shipment of foreign grain, butter, eggs and clothing into this country.

MADRAS WELCOMES MR. BOOTH

Farmers and Townspeople Greet Candidate Heartily.

MADRAS, Or., Oct. 21.—(Special.)—R. A. Booth arrived in Madras this morning on his first campaign trip into central Oregon. He was met by an enthusiastic crowd of Republicans and old-time friends, who knew him when he was in this section in the early '80s.

Relative to his campaign for the office of United States Senator he referred to the effect of the tariff on the native productions of Oregon, including those of the forest and the soil, and pointed to the high prices the consumer is compelled to pay through the middleman.

Referring to reclamation for this Central Oregon country, he gave interesting ideas, saying it could be accomplished by the use of timber in the National forests of Oregon and by other means by the use of public funds.

BOOTH'S GAIN IN BAKER BIG

Sentiment Swings to Republican Since Chamberlain's Visit.

BAKER, Or., Oct. 21.—(Special.)—Last week's change materially in favor of the candidacy of Senator Booth, according to those in close touch with the political status of the county, two weeks ago there were

Republicans who would concede that Mr. Booth had a chance to do more than break even here, while Democrats were averring that their candidate for Senator, George Chamberlain, would pile up the greatest majority in the history of the county.

Since then, however, Senator Chamberlain has visited Baker and instantly Democrats have begun to work feverishly, declaring to the known partisans that every effort must be used to prevent a victory for Mr. Booth in the county.

That the vote on Governor in Baker County will be close is the declaration of leaders of both parties. Sentiment seems to be evenly divided, and Republicans here believe that there should be active campaigning in this section to keep Dr. Withycombe before the people.

A sharp local campaign is being conducted for the office of State Senator by Frank B. Mitchell, the Republican nominee, campaigning as an advocate of the "blue sky" law and on his record of aiding in putting the bill through the last Legislature.

WEST LANE IS FOR BOOTH

Chamberlain's Neglect of Interests in Siuslaw Work Resented.

EUGENE, Or., Oct. 21.—(Special.)—The solid support of the entire western end of Lane County, embracing the Port of Siuslaw, has been promised R. A. Booth by representatives of that district who declare that the opposition to Senator Chamberlain is intense as a result of the Senator's neglect of this territory.

Large crowds are expected at the meeting tomorrow.

Mr. Booth declared he has never been more enthusiastically received than in this part of the state.

CROWDS GREET JOHNSON

CONGRESSMAN'S RETURN TRIUMPH EVERYWHERE HE GOES.

Band and Neighbors Welcome Representative and Give Dinner in His Honor at Hoquiam Hotel.

HOQUIAM, Wash., Oct. 21.—(Special.)—Fully 400 men and women sat at a reception dinner tonight at the Hotel Grayport, to Congressman Albert Johnson, on the occasion of his return from Washington, D. C., after an absence of nearly two years.

Paradox Is Possible.

"It is possible that in the election, so far as the candidates are concerned, the plurality of votes, although a very small minority of the total, may go to the individual who first held the office in question; for he, like any other citizen, is eligible as a candidate.

DECISION HURRIES BALLOTS

Printer Ordered to Rush Forms and Election Expenses Are Met.

When word was received yesterday by City Auditor Barber that the State Supreme Court refused to grant the request of E. S. Smith, recorder of date for Mayor in the proposition of changing the Albee-Dick-Brewster re-litigation form, he instructed the printer to rush the ballots and to de-

More pianos sold during September than any September heretofore and this month (October) is going to far exceed September. It means during the past several weeks we have sold by more than three times over the number of pianos sold throughout the entire State by all other piano merchants combined.

Prosperity Is Here Now and This Proves It.

When our final showing was made up by the auditor, we found that during this last September we have enjoyed the greatest selling record ever known since the establishment of Eilers Music House many years ago, and to say that we are proud is putting it very mild, for we have every reason to be, and to think that October so far is now ahead of September. This means that by the end of October it will far exceed our greatest of all records.

Unusual Conditions Create Unusual Prices—Necessity Knows No Law.

Everyone knows that the export business is practically at a standstill and that many piano manufacturers throughout the country have a surplus stock on hand and more goods

coming through, for when pianos are started in the factory it takes a long time to bring them through, a finished product, and the great wheels cannot stop at a moment's notice—hence the opportunity for purchasing large quantities of thoroughly reliable standard made pianos at exceptionally low prices. It is agreed that for every two pianos now sold by the manufacturers' representatives, the Eilers Music House buys three more surplus pianos, for immediate shipment, and included in this sale are the costliest instruments taken over from the Soule Bros. Failure Sale. The cheaper pianos were all sold by Mr. Lacore at 388 Morrison St., where, by order of the court, the sale was conducted by him to obtain the money for the creditors at the earliest possible moment.

SALEM, Or., Oct. 21.—(Special.)—In an opinion by Justice Burnett, the Supreme Court today held that the question, "Shall H. R. Albee be recalled from the office of Mayor?" should be on the ballot in the recall election in Portland, and dismissed the suit of Eugene E. Smith, candidate for Mayor, to compel A. L. Barber, Auditor, to have the clause stricken out.

If Women Only Knew

In many ways woman's daily toll wears on the kidneys, and it attacks of backache, dizziness, nervousness, and urinary troubles are frequent signs that her kidneys are out of order and that it is not some "woman's trouble."

Besides using a first-class kidney remedy, however, the patient ought to be sensible and stop for awhile the every-day habits that hurt the kidneys. Avoid heavy eating, especially meat. Substitute water and milk for tea and coffee. Stop worrying and working too hard. Get some light outdoor exercise such as walking and plenty of rest and sleep.

Doan's Kidney Pills contain no dangerous or habit-forming drugs. This remedy is successfully used and recommended all over the civilized world. Portland women publicly endorse them.

Portland Testimony:

"Mrs. Walter Kauffman, 236 Welder St., Portland, says: 'I was weak and run down with kidney trouble. I had a constant, dull pain in my back and I got up in the morning feeling all tired out. Someone advised me to try Doan's Kidney Pills and I did. In a short time they did me of all the pains and made me feel better in every way. Another of the family has also used Doan's Kidney Pills and had quick relief from kidney ailments.'"

"What's the matter, mother?"
