Greatest Event in Woman's Life

All human experience looks back to motherhood as the wonder of wonders. The patience, the fortitude, the sublime faith during the period of expectancy are second only to the mother love bestowed upon the most helpless but most marvelous creation—a baby.

It is entirely an external application designed to lubricate the broad, fat muscles and skin that protect the abdomen. It has been in favorable use for nearly half a century and is known to mothers in almost every settled community in the United States who highly recommend it.

Oregon Papers Sacrifice Personal Ends TO Public Good

High-Class Press of the State Against The Dentistry Bill

LEADING NEWSPAPERS OF THE STATE HAVE BACKED THE CAMPAIGN OF THE Oregon Society for Dental Education against the Dentistry Bill.

IN NOT A SINGLE INSTANCE has EDITORIAL SUPPORT BEEN CONDITIONED upon ADVERTISING space.

A DASTARDLY ATTEMPT TO GIVE THE LIE TO A LIST OF PAPERS PUBLISHED IN OUR ADVERTISEMENT IN THE SUNDAY OREGONIAN and THE SUNDAY JOURNAL is made in an advertisement by PAINLESS PARKER in Monday's papers.

A telegram from John Gratke, editor and publisher of The Astoria Budget, was printed, saying that The Astoria Budget is not opposed to the Dentistry Bill.

The Astoria Budget of October 20, carried a recommendation to voters to defeat the Dentistry Bill.

In our list of papers printed in yesterday's papers the Oregon City Enterprise was included. The Oregon City Enterprise has not instructed its voters either way on the Dentistry Bill, but on October 20 carried a news article stating that the campaign against the Dentistry Bill had taken the form of a welfare movement, published the names of prominent people in the state that were opposing the bill, the whole tone of the article being educative on the benefits resulting from the defeat of the Dentistry Bill.

THE STATEMENT IS HERE MADE THAT SUPPORTERS OF THE DENTISTRY BILL HAVE ATTEMPTED TO BUY EDITORIAL SUPPORT BY OFFERING ADVERTISING SPACE. IN MANY INSTANCES THIS HAS BEEN REPELLED BY THE MANAGEMENT of the paper and ADVERTISING space refused at any price.

The Oregon Society for Dental Education stands by its clear campaign and the HIGH MORAL STANDARD of PAPERS of the state that fearlessly opposed the bill, regardless of personal gain.

Here Are Some of the Papers Opposing The Dentistry Bill

EVENING TELEGRAM—It is not difficult to stir up popular sentiment in our day by the use of such catch phrases as "special privileges" and "trusts," but we dare say the people of Oregon are not to be fooled by this "wolf in sheep's clothing" which is dangled before them in the form of a dentistry bill.

MORNING OREGONIAN—Several measures have been inspired by personal grievance. So classified are the Dentistry Bill, the Wagner re-venge measure attacking the administration of the blue sky law and the Governor's attempt to deprive the State Engineer of his office. They should be rejected for that reason if for no other.

ASTORIA BUDGET—A personal grievance bill. Regardless of merit, it is not properly a subject for initiative action, but rather for legislative consideration.

LENTS HERALD—We doubt the propriety of letting anyone fool around our mouth with a crowbar or drill who hasn't had a pretty thorough training, and we do not believe anyone can get the skill in twelve short months.

JEWISH TRIBUNE—The Dentistry Bill should be defeated.

MANUFACTURERS' JOURNAL—A vicious measure which lowers the dental standard for Oregon below that of any other state in the United States.

DALLAS OBSERVER—The defeat of this measure is simply a matter of protecting home industry and home institutions.

Supporters of the Dentistry Bill publish a list of 10 PAPERS in towns representing a population 35,584 and a total circulation of 9747.

In our list of papers opposing the Dentistry Bill a population of 307,940 is represented, counting Portland once, and a total circulation 207,616.

WE STAND BY OUR CLEAN CAMPAIGN AND THE PAPERS OF THE STATE THAT HAVE FEARLESSLY STOOD ON A HIGH MORAL GROUND, REGARDLESS OF PERSONAL GAIN.
