THE MORNING OREGONIAN, WEDNESDAY, NOVEMBER 4, 1914.

seekers. Besides this, several of the measures made profound appeals to a large pro-portion of people. The main interest, however, centered WHEAT PRICES HOLD

in the prohibition amendment. Lead-ers on either side of this question had canvassed the county thoroughly, with both printed appeals and personal so-licitations. As a result almost every voter with any opinion on this subject at all was out.

Contest Watched Closely.

The contest on this issue was ex-

ceedingly hard-fought were careful to protect against frauds at the polls. Based on the fact that more than 5000 of the state booklets had been returned to the Secretary of State because the postal authorities were unable to make deliveries to the addresses given at the time of registration, the "drys" were prepared to challenge any and all of such regis-tered persons whose pamphiets had not been accepted. In one North End The local market was strong and

 far as known from it is the first state-wide election proved that this practice was not general.
It was the first state-wide election in which women had the privilege of participation and they made free use of their franchise.
