

REPUBLICANS FAR AHEAD IN NEW YORK

Whitman Has 110,000 Plurality Over Glynn; Wadsworth Beats Gerard by 45,000.

SULZER THIRD IN LINE

Progressive Nominee for Governor Fourth With About 50,000 Votes. Entire Republican State Ticket Is Successful.

NEW YORK, Nov. 3.—District Attorney Whitman, Republican, was elected Governor of New York today by an estimated plurality of 110,000 over Martin H. Glynn, Democrat, the incumbent.

William Sulzer, who was impeached and removed from office in the Fall of 1913, running on the Prohibition and American tickets, finished third, polling, it appears on the face of incomplete returns, slightly more than 100,000 votes. Frederick M. Davenport, Progressive, ran fourth, with approximately 50,000 votes.

James W. Wadsworth, Republican, appears to have defeated James W. Gerard, Democrat, for the United States Senatorship by about 45,000. Bainbridge Colby, Progressive, was third with a vote that probably will not exceed 50,000.

Republican Plurality Large. In 481 districts out of 561 in the state the vote for Governor stood: Whitman, 529,339; Glynn, 453,278; Sulzer, 30,540; Davenport, 37,963.

In 2029 districts out of the total of 5681 the vote for Senator stood: Wadsworth, 254,607; Gerard, 237,742; Colby, 23,502.

At Republican headquarters it was said that their entire state ticket and a majority of their candidates for both houses of the Legislature had been elected. The result became known early. Within two hours after the polls closed Democrats generally admitted defeat for Governor Glynn. They clung to the hope, however, that Gerard would be elected.

Glynn's Hopes Blasted. Supporters of Governor Glynn had hoped that he would carry Greater New York by 100,000 and that Mr. Whitman would come down to Harlem with no more than a plurality of 75,000. These hopes soon were dissipated. Virtually complete returns from the city indicated that Glynn probably would have a plurality of between 50,000 and 60,000 here and that Whitman's upstate lead would be well upward of 175,000.

Wadsworth polled a good vote in Greater New York, approximately two-fifths of the total number of districts giving Gerard all credit for only about 20,000 over his opponent. At the same time Wadsworth had a 50,000 lead in a little less than one-third of the upstate districts.

Sulzer Supporters Rejoice. Sulzer supporters indulged in a celebration at his Broadway headquarters when they heard that Glynn had been defeated. They gave all credit for Whitman's victory to their leader and the ex-Governor expressed the same view thus: "The verdict of the people speaks for itself. Without money, without newspaper support and without organization I have elected Whitman, beaten Glynn and made Roosevelt look like 30 cents."

Whitman had nothing to say except that "the result speaks for itself." The only word of congratulation from Governor Glynn was his telegram to Mr. Whitman sent from Albany. "I congratulate you on your victory," it said.

SUFFRAGE IS DEFEATED

VOTE IN OHIO, MISSOURI AND NORTH DAKOTA ADVERSE.

EARLY RETURNS ALSO INDICATE OHIO HAS REJECTED PROHIBITION, ACCEPTED HOME RULE FOR CITIES.

CINCINNATI, Nov. 3.—Partial returns from all parts of Ohio indicate that the amendment extending suffrage to women has been defeated; that the one asking for state-wide prohibition has met a like fate and that the home rule for cities amendment will probably carry.

ST. LOUIS, Mo., Nov. 3.—Scattering returns from all parts of Missouri indicate that the woman suffrage amendment was overwhelmingly defeated.

GRAND FORKS, N. D., Nov. 3.—Early returns indicate that woman suffrage in the state was defeated by about 3 to 2.

Santa Claus Ship Arrives. NEW YORK, Nov. 3.—The Dutch steamer Oosterdyk, Santa Claus ship from the toymakers of Germany and Switzerland to the United States, reached New York today laden with toys, crockery and song birds. There were 15,000 canary birds.

T. R. and His Employees Vote. OYSTER BAY, N. Y., Nov. 3.—Theodore Roosevelt drove to the polling place in this village today with his coachman and two gardeners. He voted first and then waited while his employees cast their ballots.

Progressive Captures Precinct. NEW ORLEANS, Nov. 3.—The first box reported from the Third Congressional district gave Martin, Progressive, 32; Gueydan, Democrat, 0.

BELGIUM MAY GET APPLES. Hood River Considers Plan to Send 100 Carloads to Needy.

HOOD RIVER, Or., Nov. 3.—(Special.)—Hood River apple growers are planning to send a large supply of apples to Belgian war victims. E. N. Benson, owner of a large tract, suggested that the Hood River Valley growers send 100 carloads of fruit to Belgium and many are in favor of the proposal.

Railways and ocean transportation companies will be asked to carry the fruit free of charge.

Vacancy on Salem Board Filled. SALEM, Or., Nov. 3.—(Special.)—At a meeting of the City Council Tuesday night A. B. Huddleston was elected member of the board to fill the unexpired term of W. L. Cummings, resigned. F. A. Harwig was appointed policeman to succeed A. C. Fisher.

REPUBLICAN ELECTED GOVERNOR OF NEW YORK.

CHARLES S. WHITMAN.

SOUTH IS NOT SOLID

Indications Are Republicans Elected in Two States.

MAJORITY GAINS IN SENATE

Democrats Elected United States Senator to Succeed Late W. O. Bradley, and Also Governor in State of Tennessee.

Early returns from the Southern states indicate the usual Democratic victories for state and Congressional tickets, with a few contests for Representatives in Congress undecided. The Republicans claim one Congressional district in Maryland and two in North Carolina.

A Democrat, Johnson N. Camden, was elected in Kentucky to the United States Senate, for the unexpired term of the late Senator Bradley, Republican. The Democratic candidate also was elected to the full term in the United States Senate.

Governor Hooper, Republican, was defeated for re-election by Thomas C. Rye. W. P. Martin, Progressive, leads the Democratic candidate for Representative in Congress from the Third Louisiana District.

States in which the Democrats seem to have made clean sweeps are Arkansas, Tennessee, Alabama, Texas, Florida, Georgia, South Carolina, Mississippi and Kentucky.

BALTIMORE, Nov. 3.—Estimates based on early returns indicate that John W. Walter Smith, Democrat, will be returned to the United States Senate. Baltimore City complete returns for United States Senator give Smith, Democrat, 46,292; Carrington, Republican, 34,170. Smith's indicated plurality in the state is 20,000.

LITTLE ROCK, Ark., Nov. 3.—James P. Clarke, Democrat, was re-elected to the United States Senate today. He has no opposition.

RALEIGH, N. C., Nov. 3.—Senator Overman, Democrat, was re-elected today. Early returns indicated that eight of North Carolina's 10 Democratic nominees for the lower house of Congress had been elected, with both Democrats and Republicans claiming success in the Eighth and Tenth districts.

NASHVILLE, Nov. 3.—Incomplete returns at 8 o'clock tonight indicated the election of Thomas C. Rye, Democratic nominee for Governor, over Governor Hooper, Republican. Rye has made gains in many counties over the majorities given the Democratic nominees in 1912.

Indications are that all Representatives in Congress are re-elected, and that Tennessee will have a Democratic Legislature.

MONTGOMERY, Ala., Nov. 3.—Early returns show the election of Oscar W. Walter Smith, Democrat, to the United States Senate and the entire state and Congressional Democratic ticket, including Representative Burnett in the Seventh District, where the only formidable opposition was made against the Democratic nominees.

DALLAS, Tex., Nov. 3.—The entire Democratic state and Congressional ticket was elected today in Texas.

JACKSONVILLE, Fla., Nov. 3.—Senator Fletcher and the entire Florida Democratic Congressional delegation were re-elected today.

ATLANTA, Ga., Nov. 3.—Georgia today elected to the United States Senate the Democratic nominees, Hoke Smith and Thomas W. Hardwick. Nat E. Harris, Democrat, was elected Governor. All Democratic nominees for Congress were elected.

RICHMOND, Va., Nov. 3.—All Democratic Representatives in Congress in Virginia were re-elected today. Scattering returns from the Ninth District indicate the re-election of C. Bascom Slamp, Republican, over R. Tate Irvine, Democrat.

COLUMBIA, S. C., Nov. 3.—United States Senator Smith, Democrat, was re-elected and Richard I. Manning, Democrat, was elected Governor today. All seven Democratic nominees for Representatives in Congress were elected. Neither Smith nor Manning was opposed.

JACKSON, Miss., Nov. 3.—Mississippi's entire Democratic Congressional delegation was re-elected today.

LOUISVILLE, Nov. 3.—Early returns indicated the election of J. C. W. Beckham, Democrat, to the United States Senate full term, and Johnson H. Camden, Democrat, for the unexpired term of the late Senator W. O. Bradley by heavy majorities.

NEW ORLEANS, Nov. 3.—Democratic

VETERAN MEETING NOT SET

Date of Washington Convention of Spanish War Soldiers Unsettled.

CENTRALIA, Wash., Nov. 3.—(Special.)—The exact date of the 1915 state convention of the United Spanish War Veterans, which will be held in Centralia, has not yet been decided upon. According to a letter received yesterday by Samuel Shove, adjutant of the local camp, it is the intention of the veterans to convene at the same time as the Grand Army of the Republic, Woman's Relief Corps and Women of the Grand Army of the Republic, all of which will hold their 1915 meetings here.

The Spanish veterans expected to meet the fore part of July, but the Grand Army of the Republic to meet in July instead of June must get a special dispensation from National headquarters; hence, the younger men probably will be forced to change their plans. The local Commercial Club already has set to work on a programme of the entertainment for the five patriotic orders.

O. A. C. PRESIDENT LEAVES

Dr. W. J. Kerr to Attend Association Meetings During Trip.

OREGON AGRICULTURAL COLLEGE, Corvallis, Nov. 3.—(Special.)—Dr. W. J. Kerr, president of the Oregon Agricultural College, left Corvallis this morning for a two weeks' trip through the East. He will attend a meeting of the Western Association of Agricultural Colleges and Experiment Stations in Colorado Friday and Saturday.

Dr. Kerr will attend the meeting of the National Association of Agricultural Colleges and Experiment Stations, in Washington, D. C., next week. While in Washington he will confer with Federal officials regarding co-operative work to be carried on by the college in conjunction with the United States Department of Agriculture. Dr. Kerr will return to Corvallis November 18.

W. C. T. U. Prays for Prohibition. ALBANY, Or., Nov. 3.—(Special.)—While Oregon was voting today on state-wide prohibition, an all-day prayer meeting was held in the First Christian Church here, under the auspices of the Women's Christian Temperance Union. The leaders during the different hours were: 9, Dr. P. H. Goselbracht; 9:30, Mrs. A. M. Hammer; 10, Mrs. E. M. Sharp; 10:30, Dr. W. H. Lee; 11, Mrs. Henrietta Brown; 2, Mrs. Bachmeyer; 2:30, Mrs. M. M. Gibson; 3, Mrs. L. G. Hodgins; 3:30, Mrs. Frank Tharp.

CRATER LAKE PARK NEEDS SET FORTH

Federal Ownership of Hotels and Camps Urged in Report of Superintendent Steel.

CONCESSIONS SUFFER, TOO

Light and Power Plant, Boundary Changes and Five Additional Rangers Asked Also—Hard-Surface Roads Is Advised.

OREGONIAN NEWS BUREAU, Washington, Nov. 3.—Government ownership of hotels, camps and other permanent improvements in the Crater Lake National Park is urged by Will G. Steel, superintendent of the park, in his annual report to the Secretary of the Interior, made public today. The National Park Service today is so changeable and so unsatisfactory, says Steel, that special report to the Secretary of the Interior on park concessions in amounts adequate to their needs, and in consequence much needed improvements and accommodations for visitors are not provided as rapidly as desired.

Therefore he proposes Government ownership, coupled with the suggestion that the properties be leased by the Government to desirable parties for a reasonable consideration. This, he says, would be an important step towards the Crater Lake Park self-sustaining "With the road system completed," says Steel, "this revenue, together with that received from automobiles, would sustain the park from the start, providing a comprehensive plan of management were developed to meet new conditions. Construction of private improvements at Crater Lake is yet in its infancy, for which reason I would recommend that the experiment be tried here, where the initial outlay would be comparatively light."

Rim Road Grading Proceeds. Of \$700,000 estimated as required to build the rim road and connecting roads Congress appropriated \$219,000 during the past two years. With this money grading and draining have proceeded, resulting in a new road from the Klamath to the rim of the lake, a distance of 13 miles, and one from the southeast, or Pinnacles entrance, to the rim at Kerr Notch, a distance of six and one-half miles. By the end of this season the rim road will be completed from Crater Lake Lodge to Sentinel Rock, making a total of 25 miles of newly graded roads which the park will have to maintain.

Discussing the road problem further Mr. Steele says: "I understand it is the intention of the War Department to commence surfacing as soon as climatic conditions will permit in the Spring of 1915. This plan is questionable, for the reason that if this is done it will be impossible for many years to get anything better, whereas if surfacing is left for the present it will permit of an effort being made to secure from Congress money with which to construct paved roads."

The time has forever passed when macadam roads will satisfy the desire of a progressive community, and they are rapidly being changed for something very much better. Then why construct something that will be unsatisfactory from the beginning? According to estimates of the War Department it will cost \$20,000 per annum merely to sprinkle such roads, and it is the wisdom to build roads of such a character as that this heavy burden will not have to be borne, but at both ends of the road is to be replaced by a handsome stone building which is under construction, and which will be used, to a limited degree, next season.

Mr. Steel recommends the construction of an electric light and power plant within the park, on Anna Creek, to meet local needs. He asks also for five additional rangers in order that

the park may be properly maintained and policed. He now has but two temporary rangers for assistants during the summer season, a number totally inadequate for good and efficient administration.

Boundary Extension Advised. On the question of park boundaries Superintendent Steel says: "Boundaries of the Crater Lake National Park originally were not located wisely, for the reason that but little was then known of the necessities of the case, or of physical conditions. Experience has shown that they should be changed to meet new and permanent conditions."

"On the west there is a narrow strip of Klamath County that should be eliminated and the park made to conform with the county line. "On the east there is also a narrow strip between the park and the Klamath Indian Reservation that should be eliminated and the park boundary made to conform with the Indian reservation."

"On the north is located an extremely interesting region that is wholly within the Crater National Forest and should be included in the Crater Lake National Park in time to extend to it the road system now under construction. It is neither valuable for agriculture nor mining, and there is no public reason why this extension should not be made. On the other hand, I believe it will meet the approval of a vast majority of the people of the state. Within the proposed extension is located Diamond Lake."

General admission 10c. One seat 25c. Performance begins at noon daily and runs continuously until 11 P. M.
