

REPUBLICAN GAIN IN UPPER HOUSE S 42

Some Leaders Predict Complete Overthrow of Majority of Democratic Party.

TARIFF EFFECT INDICATED

Illinois Senate Seat May Yet Go to Sherman, Who Polls Enormous Vote Over Sullivan Outside of Cook County.

NEW YORK, Nov. 4.—Heavy Republican gains in yesterday's election gave assurances of reducing the present Democratic majority of 141 in the House of Representatives by a big margin.

At an early hour today the returns from various states showed a net gain of 42 seats for the Republicans. Many districts are yet to be heard from. Republican leaders tonight were jubilant over the prospects, some predicting that the Democratic majority might be overturned altogether by the final results.

Democratic control of the Senate, however, was assured, the possibility being that it would be increased from 19 to 22 through the election of Robert C. Sullivan of Illinois. Sullivan's large plurality in Cook County, however, may be offset and even exceeded by Sherman's gains in other counties, complete returns from which probably will not be received until late today.

Tariff Effects Voted.

The sweeping Republican victory in New York, the collapse of the Progressive vote throughout the country and the upheaval in the Democratic Congressional districts generally were the assurances by Republican partisans that the tariff had entered into the National political conflict with telling effect.

Continual developments marked the contests in North Carolina and New Orleans. In North Carolina two Republican candidates for Representatives in Congress developed unusual strength, threatening the defeat of Representatives Doughton and Guider. In the Louisiana contests, the Progressive vote was leading Henry L. Gueydan (Dem.). Colonel Roosevelt made a campaign speech in this district.

Latest Available Returns on the Congressional Delegation from New York State Showed 21 Republicans and 21 Democrats Elected and one Progressive.

Further Gains Shown.

The New York delegation in the present House is: Democrats, 31; Republicans, 11; Progressives, 1. Republican gains in yesterday's election to date being 16.

Further Republican gains in the late returns show two in New Hampshire, one in Massachusetts, one in Rhode Island, Representative Peter Gerry being elected. In West Virginia, Colonel Roosevelt was elected. In West Virginia, a further gain of one in Massachusetts, making a net gain of three Representatives from that state and two in Indiana. The total Republican gain indicated at that hour was 42 seats.

In the first general election for United States Senators results still are in doubt in several states. The election of James W. Wadsworth, Jr. (Rep.), in New York to succeed Elihu Root over Ambassador James W. Gerard, came as a distinct surprise to Democratic Administration leaders. Latest returns gave Wadsworth an estimated plurality of 50,000.

Democrats Gain One in Kansas.

Among Democratic members of the House retired were Fitzhugh, O'Hair, Borchers and Balis, of Illinois; Korbly, of Indiana; Thatcher, of Massachusetts; Townsend and Walsh, of New Jersey; O'Brien, Ten Eyck, Clancy Gittins, of New York; Bowdell, of Ohio; Donahue, of Kansas; and Bireba, of Indiana. Kelly, Progressive, of Pennsylvania, also was defeated.

Democrats gained one House member in Kansas, as Bireba had been elected to the place made vacant by the candidacy of Victor Murdock for the Senate.

Late returns from Connecticut confirm the complete overturning of the state delegation in the House, five Democrats to be succeeded by five Republicans, among them Ebenezer E. Hill, who was for many years a member of the ways and means committee. John Q. Tilson, formerly a member of the House, will represent Connecticut Donavon, who defeated him two years ago.

In the Senatorial contests, late returns indicated the re-election of Senator Dillingham, Republican, of Vermont, over Charles A. Prouty, Progressive Democrat. Democratic leaders were claiming victory for Senator Shively in Indiana, Republican leaders expected to claim Kansas for Charles Curtis and South Dakota for Representative Burke.

LANDSLIDE CARRIES Hiram Johnson in California Senatorial Race, However, Is Close, With Heney Lagging Behind.

PROHIBITION IS DEFEATED

Eight-Hour Law Also Overwhelmingly Defeated—Eshleman Elected Lieutenant-Governor by Two-to-One Vote.

SAN FRANCISCO, Nov. 3.—Scattered returns received up to midnight from all parts of the state indicated the following net results of today's general election:

Governor Johnson (Prog.) has won a re-election by a plurality that approaches landslide proportions over Captain John D. Frederick (Rep.), with the Democratic candidate, John B. Curtin, a distant third.

The vote for United States Senator was so close at the midnight hour as between James D. Phelan (Dem.) and Joseph R. Knowland (Rep.) as to make a forecast of the final result a mere hazard. On the face of early returns, Phelan is heavy, the Progressive candidate, was a lagging third.

John M. Eshleman (Prog.) has been elected Lieutenant-Governor over J. V. Snyder (Dem.) by a vote that resulted on the scattering count to exceed two to one.

Prohibition and Eight Hours Beaten.

Two proposed laws in which the interest throughout the state was intense—that providing for state-wide prohibition, and the universal eight-hour work day measure—have gone down to overwhelming defeat. Besides carrying prohibition has lost by almost two to one, while the margin of victory for the opponents of the eight-hour law is much greater.

The outstanding feature of tonight's returns has been the uniformity with which Johnson outstripped his rivals in every section of the state. Besides carrying San Francisco, his home county, Alameda and Sacramento by heavy pluralities, the Governor appears to have a commanding lead in every other county, the home of Captain Frederick.

Senatorial Returns Vary.

Returns on the Senatorial contest afforded a greater variety. Knowland ran ahead in Alameda and Los Angeles Counties, while Phelan's main strongholds were San Francisco and the great Interior Valley.

Short shrift was given both the prohibition and eight-hour measures in all parts of the state, there being scarcely a district in which either measure had a majority, while the limited work day measure was beaten in virtually every precinct.

TROOPS GO TO ARKANSAS

WAR DEPARTMENT TO TAKE COMMAND OF STRIKE ZONE.

Between 2000 and 3000 Miners Armed With High-Power Rifles, Reports United States Marshal.

WASHINGTON, Nov. 3.—Secretary Garrison today ordered four companies of the Fifth United States Cavalry from Fort Sheridan, Ill., to Fort Smith, Ark., to maintain order in the Hartford Valley coal strike district. Federal authorities at Fort Smith admitted they could not enforce the injunction issued by Judge Youmans prohibiting union miners and sympathizers from interfering with the operation of the Bache-Denman mines, which have been placed in the hands of the Government through receivership proceedings.

United States Marshal Parker, telegraphing, said he has done all in his power to keep the mines running, but that his small force of deputies "cannot cope with a body of men numbering 2000 to 3000, armed with high-power rifles."

PORT SMITH, Ark., Nov. 3.—"I sincerely hope Secretary Garrison's actions will not make of Arkansas another Colorado." This was the statement of E. A. Cunningham, president of the United Mine Workers of America, with jurisdiction over the miners in the Hartford Valley strike zone, when told by the Associated Press that the Secretary of War to send Federal troops to Arkansas.

Federal Judge Youmans and United States Marshal Parker are tonight they had not been officially informed by Washington officials that the Federal troops had been ordered to Fort Smith. That the sending of Federal troops is the only solution of enforcing the order of Judge Youmans was the opinion reiterated by both officials.

He declares further that Turkey now has lost her position as the trustee of Islam. She has drawn her sword in an unholy cause and the duty of the Moslems today is to remain loyal and faithful to their temporal and secular allegiance.
