Tuhey has charge of the arrangements. According to the arrangements the programme will include the production on the stage of the pictures in the hall of all the deceased members of the Holy Names Society. It is planned to have a short programme at this meeting.

TRUTH LECTURE TOMORROW. Dr. Perry Joseph Green will deliver a lecture upon "Pay Day" at the Temple of Truth, Eilers building, tomorrow morning and evening. A few of the impressive thoughts of this lecture are "that no deed, worthy or unworthy goes unrewarded, that as we sow so shall we reap and that if we live the highest and best, whether the world at large be cognizant of the fact or not, we earn our reward, or "Pay" in the awakening of our Cosmic Consciousness or "Spiritual Self," which is the "Father" in us as individuals."

AUTO DRIVER IN "SAFETY FIRST" NET. The campaign conducted by the "safety first" committee of the Portland Automobile Club against violators of the traffic ordinance netted one more offender yesterday when Harry P. Coffin, of that committee, swore out a warrant for the arrest of Max Luderman, a real estate dealer at 912 Chamber of Commerce building, for alleged driving of his automobile between a street-car and the curb on the East Side yesterday while the car was discharging passengers.

PRINTERS PRESENT CLAIM. Submitting a bill for \$186.50 to the county this morning for printing to which they allege they are entitled because of the reason that they have the entire ballot, believing they had been awarded the contract, Bushong & Co. yesterday presented their claim through their attorneys. A letter accompanying the bill states the concern was given copy for the ballot by the county, as the lowest bidder and they proceeded in good faith to execute the contract.

ROMANCE ABOUNDS IN POPULAR "MILESTONES"

During Three Acts Five Courtships and Marriages Occur, Carrying Audience to Third Generation—Misfortune in Love Also Demonstrated.

RUPERT HARVEY AND MARY GOULDEN IN "MILESTONES."

HAD not Arnold Bennett and Ernest Knoblauch selected the title of "Milestones" for the delightful play of that name, which comes to the Helix Theater all next week, beginning Sunday night, they might properly enough have called it "The Lovers," for there is more real love interest in the three acts than in two or three of the average dramas. Lovers plight their troth in the first act and their children and grandchildren carry on the love-making as one period gives place to another. There is much marrying and giving in marriage and in the course of the three acts there are five different courtships and marriages; while to afford contrast to this romantic feast there is the pathetic figure of the high-strung young girl who dismisses her too exacting lover and grows into the sad, hopeless old maid who seeks to prevent others from making her mistake.

DESTITUTE FAMILY NEEDS AID.—The Associated Charities appeals for help for a destitute family consisting of a father, mother and three children. They were found by the visitor of the society yesterday living in a tent to save rent. They were without food, the father having searched in vain for work. All the cooking has been done over a small camp stove and the mother asked the visitor if they might have a regular cook stove in order that she might take in washing. Work is desired for the father and also a stove, not that the mother may wash but in order to have food properly cooked. Anyone who can assist with stove or work for the man should phone secretary V. R. Manning, Main 717.

ORCHESTRA'S SUPPORT URGED.—Portland citizens were urged to give liberal support to the Portland Symphony Orchestra, in a resolution adopted by the Chamber of Commerce at the meeting of its trustees yesterday. It was pointed out that the Portland orchestra, while it is serving a most important part in the life of the city, is asking only one-fifth as much financial support from the public as the Seattle orchestra receives and one-tenth the amount that Minneapolis appropriates annually for its symphony orchestra. The fund that the Portland organization asks is only \$5000.

STOLEN PURSE RECOVERED.—A black morocco pocketbook stolen in the robbery of the wholesale shoe store of Krause & Son yesterday by Detectives Goltz, Abbott, Hellyer and Hackberry yesterday and the theft is charged against Harry Flecker, now in custody.
