Place Kick From 12-Yard Line Turns Trick on Borleske's Boys.

Lincolnites Play Great 3-to-0 Game Get One Chance to Tie Score, but Pigskin Flies Wide of Goalposts by Foot.

Interscholastic Football Standings. BY EARL R. GOODWIN.

It begins to appear as if Coach Borleake, of the Lincoln High School football team, cannot win a game. With all due credit to Coach Earl and his husky Washington High footballers, it must be said that luck was against Lincoln High in its furious battle against the Washingtonians on Mult-nomah Field yesterday. A place kick from the 12-yard line/in the second quarter by Halfback Strowbridge did the trick. That was the nearest the East Siders came to the Rallsplitters' goal line during the entire contest. On three occasions Coach

For the most part the playing was in the winners' territory and when the second half started the West Siders seemed to be the more refreshed. In the first period Lincoln Hhad the ball on its opponents' four-yard line but no score could be registered. When the quarter ended the istered. When the quarter ended the ball was in Lincoln's possession on Washington's 40-yard line. A record was established in the opening quarter for no time was taken out either for injuries or penalities.

During the second canto Coach Earl's side showed to the best advantage and it was in this frame that the only score of the contest was annexed. By a series of line plays, featuring Young Parsons, the pigskin was shot to the losers' 15-yard line. It took three downs to advance the ball but three yards and then with little effort Strow-bridge performed the act that won the annual affair. This win gives five victories out of the nine campaigns five

Lincoln seemed to realize that it would have to score early after the third quarter opened and line bucks and a 25-yard forward pass from Freeman to Groce found the spheriod on the Washingtonians' 25-yard line. Three plays were tried, including an incomplete forward pass, and then Freeman tried to continue on the road to be a here.
