

WASHINGTON DRYS AHEAD BY 12,800

Prohibition Gain Likely to Be Increased to 15,000 by Returns Later Counted.

BIG COUNTIES AID TOTAL

Senator Jones Sweeps State on Lead of 20,000, While Democrat Likely to Be Representative From Spokane District.

SEATTLE, Wash., Nov. 4.—The outlying precincts of the big counties reported in force tonight and rolled up a large majority for the initiative proposed by law. One thousand five hundred and sixty-four precincts gave: For prohibition, 135,295; against, 122,200.

The big counties of Spokane and Pierce have nearly all reported, but 118 precincts from King have yet to report. It appeared likely tonight that the prohibition measure would have 15,000 majority. The new law will go into effect January 1, 1915. It forbids sale or shipment of liquor, even by clubs, but provides that users of liquor may have limited quantities shipped to them for their own consumption, under stringent restrictions.

The plurality of United States Senator Wesley L. Jones will exceed 20,000. Four Republican Representatives, including three sitting members, were elected, and probably C. C. Dill, a Democrat, won in the Fifth, or Spokane district. This is a Progressive leaning district, the Republicans and Democrats getting one each.

The proposed eight-hour law was beaten more than 2 to 1. The initiative constitutional amendment to permit aliens to own land in cities was defeated by a large majority. It was alleged that a joke in it would have enabled Japanese to hold farming land.

The feature of the election was the sweeping victory of United States Senator W. L. Jones, Representative William E. Humphrey, of Seattle; Albert Johnson, of Hoquiam, and W. L. Lafollette, of Pullman, representing the First, Third and Fourth Districts, respectively, all of whom have been re-elected. All are Republicans.

Both referendum measures, the so-called first aid bill, designed to supplement the employers' liability act; the "convict road" bill, providing for state levies on highways, and the bill providing for the abolition of the state bureau of inspection and supervision of public offices combining it with the public service commission also seem to have been beaten.

Both referendum measures, the teachers' pension bill, providing a retirement fund for teachers, and the \$40,000,000 Quincy Valley irrigation project have been beaten.

The initiative measures providing for the abolition of private employment offices and for a so-called "blue-sky" law probably have carried.

For the Supreme Court, Stephen J. Chadwick, Herman D. Crow and O. H. Holcomb have been elected.

VANCOUVER DRY IN 2 MONTHS Latest Returns Give George Thompson, Democrat, Sheriff's Job.

VANCOUVER, Wash., Nov. 4.—(Special.)—For the first time in Vancouver's history of more than 20 years it will be a "dry" city on and after January 1, 1915, less than two months away, as the result of the election Tuesday. The dry forces, which were well organized, were as much surprised as were the wets over the majority of 414 votes in favor of local option. As late as last night, after the polls had been organized, many wets were sure the drys thought that the state would go dry, but that the local option election would be lost by a small margin.

The vote for license was 1395, against 1809. In Vancouver now there are 17 saloons and two wholesale liquor houses, making 19 stores, to be vacated within two months. There are already 46 stores vacant, so the total will be 65 at the beginning of the new year.

The great problem confronting the saloons and liquor houses is how to dispose of their stocks. It is true that some of the liquor dealers have seen the handwriting on the wall and have let their stocks run down to the minimum, but they will have large investments in bar fixtures.

This makes the attempt on the part of the drys during the last six years to get local option.

From latest returns it looks as though George Thompson, Democrat, elected Sheriff by at least 25 or 30 votes over Bert Blaeseker, the Republican nominee. Other results follow, in 22 out of 43 precincts.

of 45 precincts, compiled tonight, give Senator Jones 3206, Judge Black 2474 and Ole Hanson 1304. Supreme Judges: Chadwick 4340, Holcomb 3496, Crow 2377, Mills 2121, Pemberton 1689, Humphries 1121.

Teachers' retirement, in favor 526, against 5548; Quincy Valley loan, 1115 for and 4351 against; alien land act, 742 in favor and 4695 against.

Congressman—La Follette, of the Fourth District, received 3184 to Drumheller's 2918 from these same precincts. John Storland, Soc., received 253, and M. A. Peacock, of Yakima, 1144.

DRYS IN PACIFIC ARE AHEAD South Bend Gives Majority, but Raymond Votes With "Wets."

SOUTH BEND, Wash., Nov. 4.—(Special.)—Unofficial returns from 14 precincts out of 26 give for non-partisan Judges: Chadwick 943, Crow 765, Mills 496, Holcomb 901, Humphries 381, Pemberton 443.

Three precincts yet to be heard from out of 26 include the City of Raymond, with a large industrial vote. With six precincts to hear from in Pacific County, including the 26 precincts of Raymond, the drys have 1553 and wets 1367. The county is expected to go wet by a small majority.

COWLITZ IS HEAVY FOR DRYS Republicans Lead in Offices, but Progressive Beats Sheriff.

KALAMA, Wash., Nov. 4.—(Special.)—Incomplete election returns show that George H. Campbell, the Republican candidate for Sheriff, is defeated by a majority of more than 400 by Clark Stuebelaker, Progressive.

George Phillips, the Democratic candidate for Treasurer, won over W. P. Moffatt, Republican, by a small majority, while Ben Olson, Republican, for Auditor, is holding a small lead over Alexander, the Democratic candidate.

The remainder of the Republican County ticket, the election of Smith, Commissioner Third District, is in the lead as follows: Assessor, Harry Lee Lewis; Engineer, Robert C. Westcott; Superintendent of Schools, Lucia Jenkins (no opposition); F. N. Lane, Commissioner First District; Clerk, Lawrence Perry.

The question of the county seat removal to Kelso again was voted on, and while Kelso received a majority of 240 or more, the necessary three-fifths was lacking.

The prohibition amendment carried by a majority of more than 900, and all of the towns remain in the dry column. The entire vote cast was a little less than 4000.

SKAMANIA FAVORS DRYS Republican County Ticket Elected and Measures Are Knifed.

STEVENSON, Wash., Nov. 4.—(Special.)—Unofficial returns from eight out of 10 precincts in Skamania County give the following results of yesterday's election:

For prohibition 414, against 391; for eight-hour measure 230, against 393. All other initiative and referendum measures were defeated by from 100 to 250 votes. Jones for United States Senate received 386, Black 250, Hansen 99, while Johnson for Representative received 458, Drury 221 and Warburton 40. J. M. Stevenson was elected joint Senator from Skamania and Ellicket counties by about 250 votes, while A. C. Sly was elected Representative by 150 votes.

The entire Republican county ticket was elected, the Democratic candidates for Senator and Representative received large majorities. F. E. Flynn, the Democratic candidate for State Senator, received every vote but nine.

Miss Kate Nye for County Clerk, J. E. Chapel for State Representative, both Democrats, also carried this precinct.

The only two women on the ticket—Mabel Hinshaw, Republican, for County Superintendent of Schools, and Miss Nye, for County Clerk—were elected.

Blind Democrat Elected. WALLA WALLA, Wash., Nov. 4.—Ben F. Hill and Charles F. Masterson, both Democrats, of Walla Walla, the latter being blind, were re-elected to the State Legislature from the 13th district by several hundred majority over the Republican nominees, M. O. Pickett, of Wabsworth, and Archie French, of Walla Walla. In the 12th District, George Ginn, Republican, defeated John P. Stack, Democrat, by more than 500 votes.

Wahkiakum Gives Dry Majority. CATHLAMET, Wash., Nov. 4.—Complete returns in Wahkiakum County give 474 votes for prohibition and 310 against. A local bond issue of \$75,000 was carried by a small majority.

JEFFERSON COUNTY FORMS Creation of New Eastern Oregon District Wins by 100.

PRINEVILLE, Or., Nov. 4.—(Special.)—The Deschutes County measure lost by a narrow margin in both the old and new counties and Jefferson County is treated with a hundred vote margin.

SHERMAN VICTORY IN ILLINOIS INDICATED

Downstate Precincts Reduce Chicago Plurality for Democratic Nominee.

CONGRESS GAIN IS LARGE

Woman's Vote Maintains Normal Proportion Among Parties, and Progressive Runs Far Behind Roosevelt's Record.

CHICAGO, Nov. 4.—Senator Lawrence Y. Sherman tonight continued to overhaul the lead polled by Roger C. Sullivan, Democrat, in Chicago, having only 2583 votes to gain on latest returns, with 422 down-state precincts unrecorded.

At the average gain made by Sherman outside Cook County thus far, the missing precincts would give him reelection by about 5000 votes.

CHICAGO, Nov. 4.—With the remote downstate precincts reporting slowly, Lawrence Y. Sherman, Republican candidate for the United States Senate, tonight cut down the 55,600 plurality rolled up for Roger Sullivan by Chicago.

Reports from 2262 of the 2788 precincts outside of Cook County gave Sherman 227,101 and Sullivan 176,403, leaving the Democratic candidate a net plurality of 59,692 from his Chicago advantage. If the Republican candidate maintains the same average plurality in each of the 526 remaining downstate precincts, it would give him a downstate plurality of 63,270 votes and a net plurality and victory by 5670 votes.

Republican Gain Decisive. In the Congressional fight, the Republicans made decided gains, returning Joseph G. Cannon, former Speaker of the House, in the Eighteenth District, William B. McKinley in the Nineteenth and probably William A. Rodenburg, in the Twenty-second District. If the final count proves Rodenburg victorious, the Republicans will have advanced from four to five members in the lower House, while the Democrats will have 10 instead of the 20 members in the last House. Ira G. Copley, of the Eleventh District, is the only Progressive, in the place of the three in the former House.

Raymond Robbins, the Progressive candidate for United States Senator, ran far behind the record made by Theodore Roosevelt in 1912.

Only One Progressive Wins. Medill McCormick, Progressive National committeeman, was the one Progressive elected to the State Legislature from Chicago. The Democrats will have control of the next State Senate, while the House may be dominated.

The women's vote seemed to maintain the same proportion of the total cast in each of the three parties. The expected advantage which the Progressives hoped to show through the votes of the women did not appear in the returns for Municipal Judges, in which the women balloted with the men.

Most of the state offices were conceded to the Republicans. Andrew J. Russell, Rep., was elected State Treasurer; Frank G. Blair, Rep., Superintendent of Public Instruction, and Charles W. Vail, Rep., Clerk of the Supreme Court.

GEORGIA WANTS INNESES LARCENY AFTER TRUST IS CHARGE AGAINST MURDER SUSPECTS.

Texas Governor Asked by Court at San Antonio Not to Honor Requisition in Less Serious Case.

ATLANTA, Ga., Nov. 4.—A requisition was issued today by Governor Slaton, of Georgia, on the Texas Governor, asking the return here of Victor E. Innes and his wife, formerly of Oregon, charged in a secret indictment by the Fulton County grand jury with larceny after trust, according to local authorities, who said a city detective was on his way to Texas with the requisition.

Beatrice Nelma, mysteriously disappeared last June. Innes and his wife are in jail at San Antonio, Tex., charged with murder and conspiracy to murder in connection with the disappearance of the Nelma sisters.

SAN ANTONIO, Tex., Nov. 4.—Upon application of Victor E. Innes and his wife, who are in jail here under indictment for the murder of the Nelma sisters, of Atlanta, Ga., U. S. District Judge Anderson issued tonight an order restraining Sheriff Tobias Lewis, of Georgia, from sending officers from Atlanta. The court took action on the ground that the charges against the Inneses in Texas—murder and conspiracy to murder—are more serious than the complaint against them in Georgia, larceny after trust.

Governor Colquhoun has been notified of the court action with the request that he do not honor the requisition believed to have been issued by the Governor of Georgia for the Inneses. The bonds of Innes and wife, \$4000 and \$2000, respectively, were fixed three weeks ago, in default of which they have remained in jail.

GERMANS ACCUSE BRITAIN Good Treatment of Teutons Asked by Britons Held, Says Berlin.

BERLIN, Nov. 4.—News given out to the press in official quarters today includes the following: "Englishmen in Germany are addressing telegrams to their own government asking for the revocation of the measures providing for the arrest of Germans in Great Britain and at the same time suggesting the same moderate treatment of Germans in England that up to the present time has been shown Britons in Germany. A German who has returned from one of the British concentration camps declares with conviction that in one week 17 German civilian prisoners died in this camp as a result of bad treatment and bad food."

Treaty With United States Broken. NEW YORK, Nov. 4.—Robert Bacon, former Secretary of State, issued a statement today before sailing for England in which he said that in violating the neutrality of Belgium, Germany broke a treaty which she had made with the United States when she signed articles 1 and 2 of the second Hague conference, which stipulated that the territory of neutral powers shall be inviolate.

WASHINGTON, Nov. 4.—That operations are being performed without the use of anesthetics on wounded soldiers in some parts of the European war zone was reported today in a cablegram to American Red Cross headquarters.
