4 P. M.—Lecture on walnut culture by J. C. Cooper, of Yamhill experiment station.

Evening. Society night. Concert by Portland Oratorio Society. Danc-ing in ballroom. Concert at 8

Motion - Picture Exhibitors' League will meet in theater at 8:30 P. M. for programme, Ad-dresses on motion-picture indus-

Special Features. Ellers' Eight Octaves—eight girls at eight planes, Vaudeville features in free theater every hour. Educational motion afternoon and night.

Aisles in the exhibit pavilions at the Manufacturers' and Land Products now last night were packed full of

Society Fills Theater.

While the throng filled the exhibit pavilions, the little theater was filled with those who had come to attend the programme given by the "Lang Syne Society," which is composed of pioneer business men of Portland. After singing "America" the visiting members of the society were welcomed to the Land Show by addresses from D. M. Dunne. Society," which is composed of pioneer business men of Portland. After singing "America" the visiting members of the society were welcomed to the Land Show by addresses from D. M. Dunne, president of the show, who is also a member of the Lang Syne Society, and L. W. Buckley, manager of the show.

J. K. Gill presided over the programme, and the principal address of the evening was by Charles H. Dodd. The official quartet of the society gave a selection, and the principal address of the programme was closed with singing of "Auld Lang Syne" by the society.

The principal feature today will be the observance of Hillsboro day, and this will bring to the Armory one of the largest delegations that has yet visited the show. More than 200 from

League, in which special films will be shown and following addresses on the motion picture industry will be given. Children from Washington Park playground held the center of the stage at the Manufacturers' and Land Products Show in the afternoon, with a programme of dances under the direction of Miss Hortense Williams, in charge of the playground.

So successful was the entertainment and so delighted was the audience that filled the little theater to witness it that the management of the show will at some night performance before the

close of the week.
Fifteen children participated, supported by the 20-piece orchestra from the Ladd School. With the exception of the folk dances given, the features of the programme all were created by Miss Williams.

Solo Dances in Costume.

Among the solo dances given in cos-tume were the "Bachelor Button dance" by Doris Holman, the "Bumble Bee" by Marjorie Leet and the "Rose Solo dance" by Mary Richards. Folk dances given were the "Highland fling," by Louisa Damain and Polly Endicott, and the 'Minuette," by Marjorie Leet and Mary Richards.
A dance entitled "Flowers of Ore-

gon," arranged by Miss Williams, was given by the following little girls in flower costume: Mary Richards, Julia Grew, Ellinor Wright, Esther McDougall, Carol Anderson, Eliza McLaren, Nova Norwood, Amy Turner, Lillian Israels and Doris Holman.

The programme was repeated last

The programme was repeated last night at the Women of Woodcraft Hall. The Hawalian singers began their second engagement at the Land Products Show yesterday, and the Octavos from Ellers will continue to be one of the special attractions.

Distribution of the gifts offered for Manufacturers' day began early in the afternoon, and all afternoon and evening the patrons of the show had a colossal game of "button, button, who's got the button?" all over the exhibit pavilions, looking to see if they had won prizes on the numbers of their admittance tickets.

North Pacific Fruit Distributors'

Lighthouse Praised. Since the awarding of the grand special prize for excellence in the Manufacturers' and Land Products Show to the exhibit of the North Pacific Fruit Distributors, representatives from the National Apple Show of Spokane and apple showe of other cities in the Northwest have visited the exhibit and confirmed the decision of the judges in Portland, deciaring it to be the most striking and elaborately worked out display that they had ever seen, not excluding even the prize-winners of past years at the National shows.

She can be floated.

A wireleas message received this evening from the British steamer Den of Airlie, that is en route from Vancouver for Portland, said the steamer will arrive off the bar at midnight.

The British bark Inverce, grainladen for Europe, arrived from Portland may sail tomorrow if conditions are favorable.

The steamer Alvarado arrived today, bringing plaster and canned salmon for Astoria and general merchandise for Portland.

The display of the North Pacific organization is probably the most widely representative of the fruit-growing districts of the Northwest that has ever been assembled, for the association is co-operative in its intent, and it was possible in assembling the exhibit to draw upon practically all the representative districts in the Northwest. With the North Pacific Fruit Distributors are represented in the display the Western Oregon Fruit Distributors and the Applegrowers' Association of Hood River.

tributors and the Applegrowers' Association of Hood River.

C. A. Malboeuf, of the North Pacific Fruit Distributors, who assembled and directed the installation of the exhibit, arranged to have the color scheme worked out so minutely that at the distance of the length of the exhibit hall the great bank of apples looks as though it might be a colossal rainbow painting.

w painting.

The top layer is composed of Spitzen-ergs from Salem and Rood River; the next below it of Ortleys from Hood River; then Arkansas Blacks from White Salmon; then Winter Bananas from Underwood; Baldwins from Salem and Newtowns from Hood River and White Salmon. Below these are two rows of five-box lots from all these districts. Wings at each side of the main mass are composed of Grimes liner Santa Catalina resulted from the Golden, Gano, Ben Davis, Kay, North-vessel being beached near Columbia

operation of Hood River, Dufur Valley.
White Salmon, Umpqua Valley and the
Willamette Valley. The apples are
mostly of the extra fancy grade, but
are selected from the ordinary commercial packs of apples. cial packs of apples.

The aim of the exhibit is a worldwide appeal of the Northwestern ap-ple. Carrying out this idea, a globe is set at one end of the display sur-rounded by placards in French, Spanish, Russian, German, Dutch, Swedish, Hawailan, Hebrew, Norwegian and Italian, urging to "buy them by the

At the other end of the exhibit a great lighthouse built of apples bears the inscription: "Erected by 10,000 cooperative growers in Oregon, Washington, Idaho and Montana, to bring into the lasting light of universal knowledge and understanding nature's great food product—the apple."

Patrick Hayes, of Milwaukle, Dead. MILWAUKIE, Or., Nov. 9.—(Special.)—Patrick Hayes died here Sunday, aged 60. The funeral will be held tomorrow morning from J. P. Finley & Son's chapel, Portland, and the Cathedral at Fifteenth and Davis streets, where requiem mass will be celebrated. Interment will be made in Mount Calvary Cemetery. in Mount Calvary Cemetery.

Marine Notes

To haul the steamer State of Washgood natured, josiling people, who swarmed from booth to booth, looking were alongside last night after the tug carefully to see if there were any E. L. Thompson had been used around numbers displayed in each booth, for it was the first "Manufacturers' above the beacon, north of the Portishit" and practically every exhibitor and practically every exhibitor bad joined in the great patients by the state of Washington went ashore there had joined in the great potlatch by which it was celebrated.

As the people entered the Armory they received ticket and in the booths in the show were numbers drawn from a list corresponding to the series issued at the door. The game had begun early in the afternoon, but it was at night that the fun reached its height.

State of Washington went ashore there late Saturday night during a heavy fog, when she was bound for The Dalles with freight and passengers. The steamer Tahoma went alongside yesterday and took passengers and certain shipments for the Upper Columbia. According to San Francisco advices passengers arriving from Australian ports and Tahiti are subject to search

Salvage Association, reported to him after looking over the Catalina on the Port of Portland drydock yesterday that the bottom was not injured.

The Catalina was towed to the drydock yesterday morning, and after being floated again was returned to the plant of the Willamette Iron & Steel Works so the work of stripping her engines can be completed. It is hoped to have specifications for her repairs compiled by Saturday, and bids will be asked at once. The Santa Catalina contract is the largest of this character ever originated here, and the waterfront contingent is hopeful it can be secured for Portland. At the same time representatives of shipbuilding plants at San Francisco and on Puget Sound have been here looking over the vessel, and it is understood bidding will be and it is understood bidding will be

Another big vessel was reported in Another big vessel was reported in temporary trouble yesterday, the American-Hawaiian liner Honolulan, which went aground at Smith's Point, below Astoria, in the morning when bound for sea. The steamer Ocklahama and the bar tug Oneonta, of the Port of Portland feet, were alongside the vessel yesterday afternoon at high water in an effort to release the liner, and last night C. D. Kennedy, Portland agent for the line, left for Astoria to make arrangements to transfer about 4000 barrels of oil from the vessel to

make arrangements to transfer about 4000 barrels of oil from the vessel to lighten ner. Should that not prove effective part of her cargo will be discharged.

Captain Green, of the Honolulan, was formerly master of the liner Nevadan, a smaller ship, and is familiar with the river to a large extent. It is said there was no pilot aboard the liner, though other large carriers of the same though other large carriers of the same flag have employed the guides when entering or leaving the river. The Honolulan left here at 8 o'clock Sunday morning, and while held back slightly by fog, made a good run down the river. It is her first visit to Portland, and she recently completed the first round trip through the canal of that fleet. Being the only vessel the corporation controls that carries passengers, she is probably more widely known than the others, and a short time before the canal opened was used between San Francisco and Honolulu under charter to the Matson inteersts.

CANAL COSTS ARE LOWERED

Colonel Goethals, Governor of the Panama Canal zone, has issued a cir-cluar for the guidance of vessel own-ers, charterers and misters, in which

the observance of Hillsboro day, and this will bring to the Armory one of the largest delegations that has yet visited the show. More than 200 from Hillsboro are expected. The committee from Hillsboro, which has organized the trip, consists of J. R. Marshall, Sam Well, G. V. Payne, G. C. Combs and E. L. Moore.

Speakers of the evening will be Manager Buckley, H. T. Bagley, Mayor of Hillsboro; E. L. Moore and R. M. Erwin. Musical selections will be given by the Hawalian troubadours.

Movie Industry to Be Topic.

a Message

Those of Middle Age Especially.

When you have found no remedy for the horrors that oppress you during change of life, when through the long hours of the day it seems as though your back would break, when your head aches constantly, you are nervous, depressed and suffer from those dreadful bearing down pains, don't forget that Lydia E. Pinkham's Vegetable Compound is the safest and surest remedy, and has carried hundreds of women safely through this critical period.

Read what these three women say:

From Mrs. Hornung, Buffalo, N. Y.

BUFFALO, N. Y .- "I am writing to let you know how much your medicine has done for me. I failed terribly during the last winter and summer and every one remarked about my appearance. I suffered from a female trouble and always had pains in my back, no appetite and at times was very weak.

"I was visiting at a friend's house one day and she thought I needed Lydia E. Pinkham's Vegetable Compound. I took it and have gained eight pounds, have a good appetite and am feeling better every day. Everybody is asking me what I am doing and I recommend Lydia E. Pinkham's Vegetable Compound. You may publish this letter if you wish and I hope others who have the same complaint will see it and get health from your medicine as I did."—Mrs. A. Hobnung, 91 Stanton St., Buffalo, N. Y.

Was A Blessing To This Woman.

So. RICHMOND, VA .- "I was troubled with a bearing down pain and a female weakness and could not stand long on my feet. Of all the medicines I took nothing helped me like Lydia E. Pinkham's Vegetable Compound. I am now regular and am getting along fine. I cannot praise the Compound too much. It has been a blessing to me and I hope it will be to other women."-Mrs. D. Tyler, 23 West Clopton St., South Richmond, Va.

Pains in Side, Could Hardly Stand.

Lopi, Wis.—"I was in a bad condition, suffering from a female trouble, and I had such pains in my sides I could hardly move. Before I had taken the whole of one bottle of Lydia E. Pinkham's Vegetable Compound I felt better, and now I am well and can do a good day's work. I tell everybody what your medicine has done for me.'
—Mrs. John Thompson, Lodi, Wisconsin.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs, it has restored so many suffering women to health. Write to LYDIA E.PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.
