Quite some prize package of frills

Quite some prize package of frills will be furnished football fans who turn out Saturday to watch the Oregon Aggies and the University of Idaho on Multnomah Field. Not only will the numbering system be utilized for the first time in a Northwest conference game, but there also will be announcers to inform the crowd of the penalties and changes. And in addition to these innovations, the fans will get a first-hand squint at Coach Stewart's famous direct pass formation that promises to revolution-ize football precedents. Just as at Carlisle, the Oregon Aggies use the direct pass exclusively. That

You swing on some real tobacco!

If you're a red-blooded citizen, you beat it across the fields to a tidy red tin of Prince Albert and get some smoke joy'jammed into that system of yours.

Because P. A. was produced to put a new high top record on pipe and cigarette liberty. You can smoke it until the cows come home, it can't bite your tongue, can't parch your throat. And that's a fact!
