

PARENTS DO HONOR TO TWO TEACHERS

Shattuck Association Has Misses Millard and White as Guests of Day.

HALL BECOMES GARDEN

Roses and Greenery Hide Ancient Walls, While ex-Students and Friends of School Entertain Two at Reception.

Honoring Miss Mary Millard and Miss Phoebe White, several hundred guests assembled in Shattuck School hall yesterday afternoon, when the Parent-Teacher Association and the teachers dispensed hospitality to the friends and patrons of the school.

The assembly hall of the old Harrison-street School had been transformed miraculously into a gay garden scene, with bright red roses and carnations and masses of greenery hiding the time-worn woodwork and walls, and overhead were arranged Japanese parasols and Oriental lanterns. Many of the guests were ex-students of the school, and all were in some way particularly interested in the district and the honored guests. The reception proved a happy renewal of old-time friendships.

Efforts of Women Praised.

Dr. T. L. Elliot, who made the principal address of the afternoon, referred to the splendid work done by the women who were the inspiration for the gathering, and paid a high tribute to their influence for good in the community. Dr. Elliot was many years ago County Superintendent. He spoke as one who had known Miss Millard and Miss White for a long period and had a personal knowledge of their worth. Miss Millard was a teacher in Shattuck for 29 years and Miss White for 20. The former has retired and the latter has been promoted to the head of a department in the Washington High School.

Superintendent L. B. Alderman praised the Parent-Teacher Association and the work the organization is doing, and added his quota of tribute to the honored guests.

Musical Programme Pleases.

A brilliant musical programme was provided by Miss Dagmar Inez Kelly, Miss Marie Chapman, Miss Josephine Wagner and Mrs. Doyle. Miss Kelly's songs were well chosen and showed to advantage her rich voice. Miss Wagner played scollo solos with excellent expression. Miss Chapman and Mrs. Doyle accompanied at the piano.

The receiving line was headed by Mrs. J. F. Kelly, president of the association, who with the assistance of an able committee had planned the details of the afternoon. Mrs. Kelly was handsomely gowned in green chamoisee trimmed with gold lace. Miss Millard wore blue crepe meteor with lace veil and a corsage of violets and roses. Miss White was attired in blue chamoisee elaborated with lace.

At the attractive tea table were Mrs. J. Schwind, Mrs. J. Coulson Hare, Mrs. Carl Von Wintzingerode and Miss Kate Colburn. Assisting in serving were several of the guests of the school.

Many Receive Guests.

Added to the artistic decorations and the general attractiveness of the hall, there was an atmosphere of hospitality that made the afternoon memorable. The receiving party and those seated were all daintily and prettily gowned. Assisting Mrs. Kelly were: Mrs. Alan Welch Smith, vice-president; Miss Millard, Miss White, Mrs. David Foulkes, Mrs. W. C. Dunaway, Mrs. D. E. Robin, Mrs. J. B. Keller, Mrs. A. R. Draper, Mrs. J. Solomon, Mrs. M. D. Donohoe, Miss Nellie Washburn, Miss Frances Himes, Miss Clara Hoeltzinger, Miss Elizabeth Miller, Miss Ella Crawford, Miss Anna Gately, Miss Emily Young, Miss Nellie Dickenson, Miss Kate Colburn, Miss Thera Yocum, Miss Mary J. Rogers, Miss A. A. Hare, Von Wintzingerode, Mrs. Schwind, Mrs. J. C. Hare, Miss Winnifred Mosher, Miss Frances Myers, Miss Katherine Ridgeway, Mrs. J. J. Smith, Miss Lottie Calkins, Miss Geraldine Cartwright, Miss Conner, Mrs. C. Fertig, Dr. Ernest Sommer, Judge Gatens and Miss Donohoe.

BROADWAY ON PHONE MAP

Numbers With New Prefix to Be in Next Directory.

"Ya-a-s. My telephone is Broadway 2909."

Sounds different, doesn't it? Broadway numbers will be listed in the new directory of the Pacific Telephone & Telegraph Company, and the Broadway exchange will be opened in the not-far-distant future in the new building at Park and Oak streets. The old "Main" exchange will remain in the old building at West Park and Alder streets. Long distance boards, telephone and leased wire apparatus will be installed in the new building. The "cut over" will be an electrical engineering feat of no mean proportions, and elaborate preparations are being made for it. The difficulty lies in transferring the lines to the new building without interrupting service.

MURDER EVIDENCE FOUND

Marshfield Jury Intimates Home-stender Met Foul Play.

MARSHFIELD, Or., Nov. 10.—(Special.)—A coroner's jury today returned a verdict intimating its belief that Matthew West, missing Two-Mile home-stender, was killed. The body was in the woods 21 days. One bullet entered the body in the right breast and another wound was in the neck. The body was found within 400 yards of West's cabin in a thick brush. West's rifle, containing one empty shell, was beside the body.

No arrests have been made. The authorities plan to make a thorough investigation.

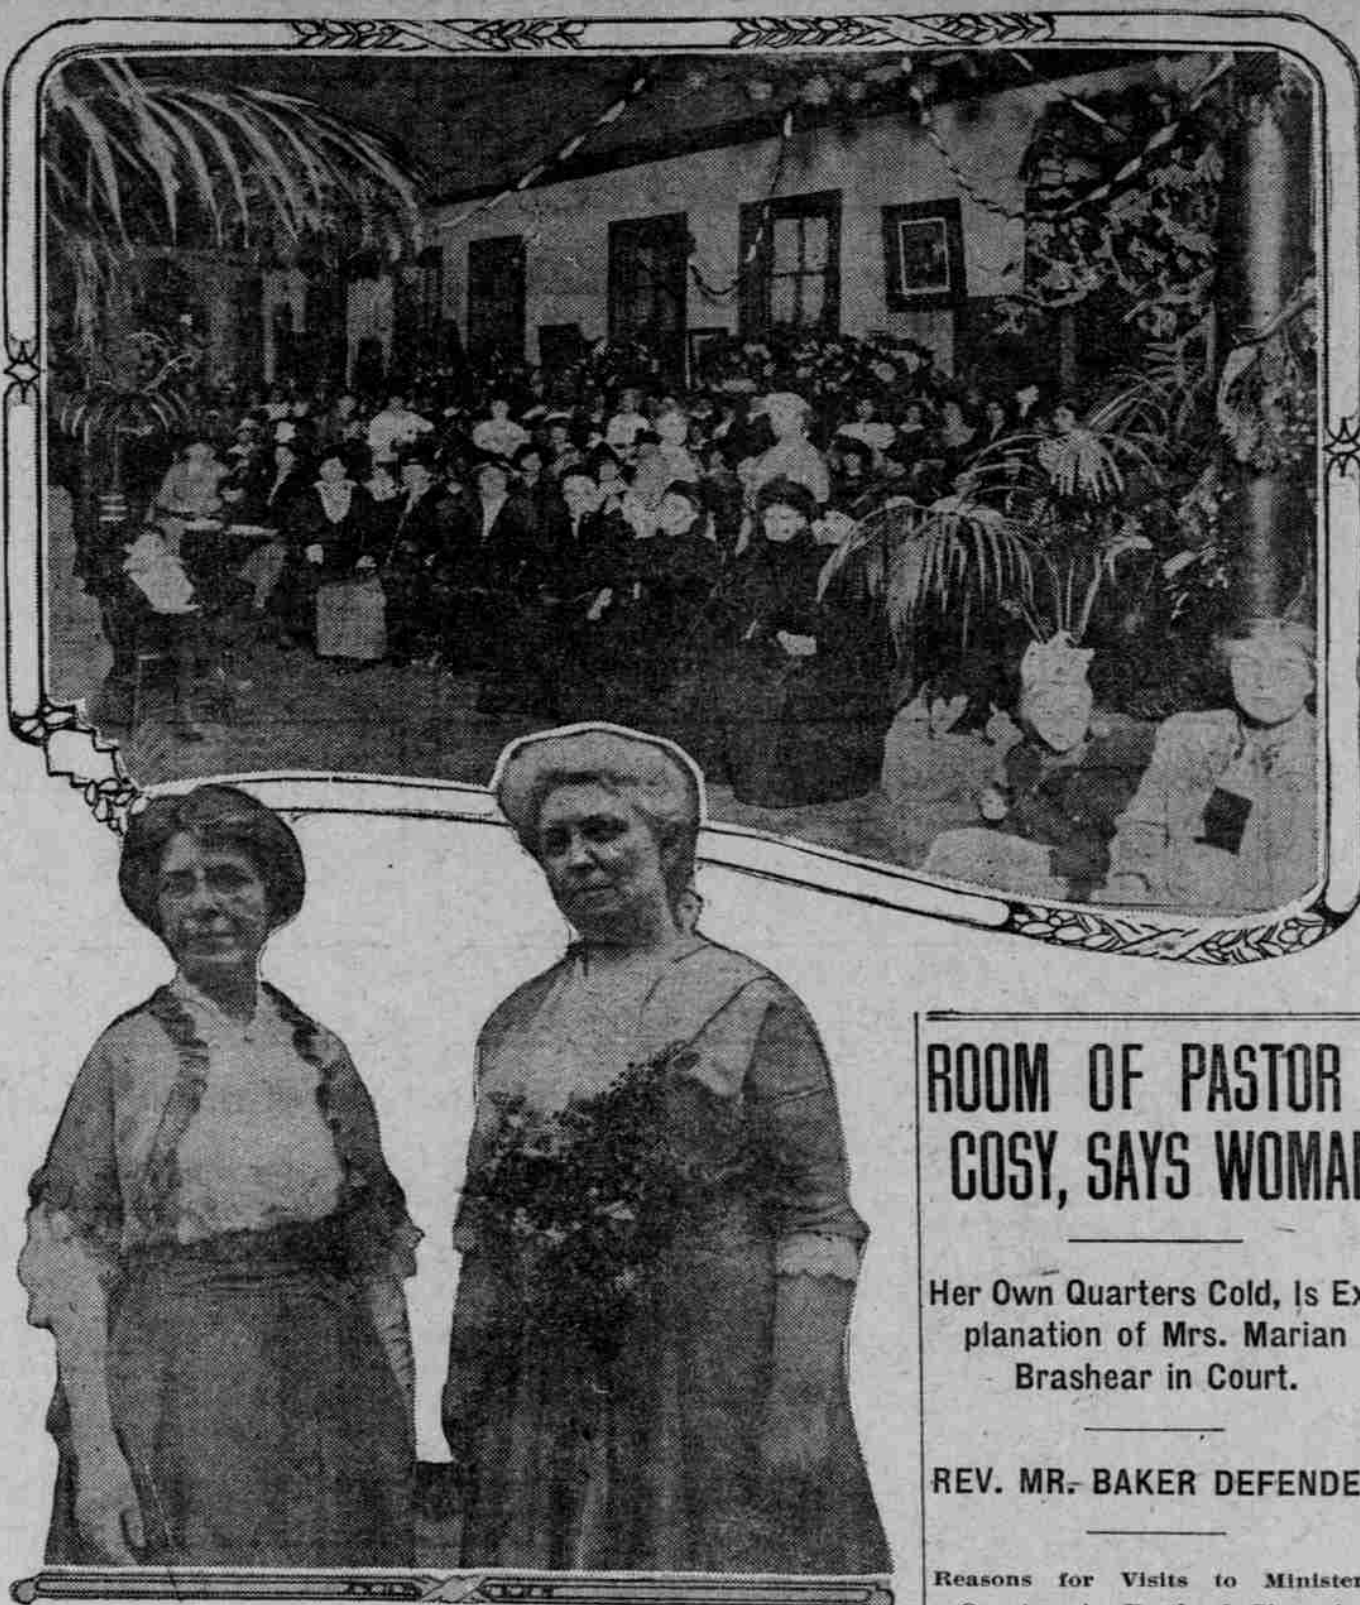

BELGIANS MAY BE ADOPTED

Illinois Club Women to Consider Taking War Orphans.

SPRINGFIELD, Ill., Nov. 10.—A resolution favoring the adoption by the club women of Illinois of Belgian orphans and another advocating the use of cotton dress goods to relieve Southern planters, will come before the Illinois Federation of Women's Clubs convention, which opened here today.

Other measures also are planned to relieve distress arising from the war in Europe. One thousand women from all parts of the state are in attendance.

PROMINENT EDUCATORS AND FRIENDS WHO ASSEMBLED TO HONOR THEM.

BIG SNAKEUP IS DUE

Inspectors and Clerks to Be Dropped Soon.

NEW RATES ARE IMPORTANT

Complete New System Outlined to Control 56,000 Services of Water Bureau—Checking Up May Increase Revenues.

METHOD OF DETERMINING WHAT YOUR NEW WATER RATE WILL BE.

Least rate for any residence service, 50 cents a month. For one faucet and one toilet in family of 10 or less, 50 cents a month.

If you have a tap in your kitchen sink and a bath your rate will be 60 cents a month.

Charge of 10 cents a month made for each additional bathtub and 15 cents a month for each additional toilet.

If your family numbers more than 10 persons the charge will be 10 cents additional for each member over the 10.

If you have a meter your minimum will be 20 cents a month. Charge for water will be on the basis of 10 cents for each 100 cubic feet.

If you live outside the city your minimum will be \$1 a month. Charge will be from 12 1/2 to 12 3/4 cents per 100 cubic feet of water used.

More than one family using water from one tap, 50 cents a month for each family.

Charge for water heating system 25 cents a month, and for water coolers \$3 a month.

As a result of the reorganization of the City Water Bureau to conform to the new quarterly billing system as provided in an ordinance adopted by the voters in the recent election, there will be a big shakeup in the bureau soon after January 1. Announcement was made yesterday by Superintendent Kaiser that some time after the first of the year 10 inspectors and 10 or 11 clerks now in the service will be dropped.

It will be necessary until after January 1 to retain practically all of the present working force to enable the reorganization of the workings of the bureau. It will be necessary to revise all the books and install a complete new system of the workings of the bureau in the city. This work will involve considerable expense and confusion in the bureau.

Bill Sent on Different Dates.

Under the system as arranged bills will be sent to various sections of the city on different dates. On December 1 the entire city will get bills for their November service. On January 1 the Albina district, embracing all the territory on the East Side north of Schuyler street, will receive a bill for water used in December. That district will not receive another bill until April 1.

The bills then will be for water used during January, February and March. The district on the East Side south of Schuyler street will receive a bill February 1 for service during December and January. No further bills will be sent out in this district until May 1. The West Side will be billed March 1 for water used during December, January and February. No further bills will be sent out in this district until June 1.

About January 1 inspectors will be sent out to make a survey of all water services in the city. Each residence will be visited and a check made of the number of water outlets. Water rates will be revised according to the findings of these inspectors. It is said that there are many residences which have installed new fixtures for which they are not paying according to the new rates. It is expected the checking up of the services will increase the city's revenue many thousands of dollars a year.

The schedule of proposed new water rates and water regulations will be presented to the City Council this morning. Mr. Daly will ask that they be adopted at once, which will make it possible to put them into effect December 1.

New Water Rates Out.

The new water rates are as follows: For family of 10 persons or less, ordinary use of water for drinking or cooking or washing and one toilet, 50 cents a month; each person exceeding 10, 10 cents a month additional; each additional toilet, 15 cents; each bathtub, 10 cents; each urinal, 25 cents; each water-closet, \$3 a month; for all water-heating system, 25 cents a month.

For lawn sprinkling the rate is charged materially. No lawn sprinkling will be permitted for less than \$2 for a season. For one lot the charge will be \$3 for a season; for from one lot to three lots the charge will increase to \$5 a month. For all areas over three lots the charge will be \$3 a lot.

For metered service the rate as proposed is reduced. A minimum of 60 cents a month is provided in place of the former 75-cent minimum. The user will be charged at the rate of 10 cents for each 100 cubic feet up to 20,000. For amounts over 20,000 feet the rate will be 8 cents per 100 cubic feet.

For metered service outside the city the rates will be the same as the present meter rates in the city, except that there will be a minimum charge of \$1 a month. The rate will be 16 1/2 cents for each 100 cubic feet up to 600 cubic feet; 12 1/2 cents per 100 feet from 600 feet to 10,000 feet, and 10 cents per 100 feet from 10,000 to 20,000 feet.

Reduction of the water rates is possible because of a large surplus of water funds resulting from the Water Bureau collecting more water rental than has been necessary to maintain the Bureau.

Famous Baritone Dead.

PARIS, Nov. 10.—The death of Jean Baptiste Faure, the baritone singer, for some years connected with the Paris Opera Company, was announced today. He was 84 years old.

RECIPE TO DARKEN GRAY HAIR

By a Specialist.

A very satisfactory preparation which darkens gray hair and acts as a corrective agent for dandruff and other diseases of the scalp can be made at small expense and in your own home by dissolving a small box of Barbo Compound in 7 ounces of water and then adding an ounce of bay rum and a quarter ounce of glycerine. Any drug store can furnish these ingredients. This is to be applied once a week until the hair is sufficiently darkened, then every two weeks to keep the hair soft and glossy and the scalp in a healthy condition. It may be used with equal success in darkening the beard. This is a preparation that gives splendid results, both as hair darkener and a remedy for all scalp disorders, and is well worthy of a trial. You will find it far superior to the hair dyes and hair preparations and much less expensive.—Adv.

ROOM OF PASTOR COSY, SAYS WOMAN

Her Own Quarters Cold, Is Explanation of Mrs. Marian Brashear in Court.

REV. MR. BAKER DEFENDED

Reasons for Visits to Minister's Quarters in Portland Given in Suit for \$50,000 for Alleged Slandering Gossip.

NEW YORK, Nov. 10.—(Special.)—

Mrs. Marian W. Brashear, treasurer of the Flattery Tires & Cushion Company, told Judge Hand and a jury in the United States District Court today how the defective heating arrangements in a boarding-house in Portland, Or., where she once stayed, drove her to take refuge occasionally in a room of a handsome young minister.

"But Rev. Mr. Baker," she said, "is a most devout and sincere man." Mrs. Brashear was testifying in her own \$50,000 slander suit, brought against Mrs. Susan B. Smith, of Shelbyville, Ky., formerly of Portland. The defendant is more than 70 years old. She is accused by Mrs. Brashear of circulating scandalous stories concerning the plaintiff's relations with the young clergyman. These stories, the plaintiff says, injured her reputation in Portland society.

Mrs. Brashear Is Stunning.

Mrs. Brashear came into court in stunning garb, consisting of a green velvet gown and coat trimmed with red fox. Her rakish toques, also of green, was trimmed in like manner. Her appearance on the stand was of a most artistic. She told her story in well-modulated accents and raised her arched eyebrows in horror at the idea of her having visited the young minister's room for anything but warmth and spiritual guidance.

"You see," she said, "we were staying at the same house. Many of the rooms were insufficiently heated and often the other boarders went to the minister's room just to be cozy."

Gossip Is Reported.

Miss Mary A. Case, a contralto soloist, who was once reported engaged to young Claus Spreckels, son of the millionaire sugar man, figures prominently in the case. She was called as a witness by the plaintiff, although the defendant says she practically adopted the singer and gave her a musical education, which included a course in this city, Boston and Paris.

Miss Case told of a conversation with a friend in Portland in which the latter told her that her adopted mother was speaking gossip reflecting on Mrs. Brashear, with whom Miss Case was also intimate.

Mrs. Smith in tearful accents told how she had defrayed the expenses of the singer's musical education. When Miss Case returned from the Continent, Mrs. Smith said, she warned her protegee against associating with Mrs. Brashear.

"I told her," said Mrs. Smith, "that told her that she overheard the Rev. Mr. Baker exclaim, 'For God's sake, leave my room.'"

Railroad Earns \$90,000.

SALEM, Or., Nov. 10.—(Special.)—The net income of the Oregon-Washington Railroad & Navigation Company

for the year ended June 30 was \$90,343.86, according to a report filed with the State Railroad Commission today. The company owns 1596.18 miles of line and operates under contract or lease 325.10, making a total of 1921.28 miles owned and operated, capitalized at \$50,000,000.

Operating revenues were \$17,237,641.32; operating expenses, \$11,755,239.34; net loss on outside operations, \$62,093.44; taxes, \$1,238,817.41; operating income, \$4,151,491.33; other income, \$496,356.74; deductions from income, \$4,557,604.21.

Number of passengers carried was 2,460,094; number of tons of freight hauled, 5,866,991.

BRIDGE WORK IS ORDERED

Telegrams Sent Engineers Following Sale of Interstate Bonds.

Telegrams were sent to Waddell & Harrington, Eastern engineers, who are consulting experts in charge of construction of the Interstate bridge, yesterday by District Attorney Evans telling of the recent sale of \$250,000 worth of the bridge bonds and suggesting prompt action in getting the actual work of construction of the bridge under way.

Just when the foundations for the piers will be begun cannot be told until the engineers are heard from and details are well in hand.

Spokane Gives Money and Food.

SPOKANE, Wash., Nov. 10.—The Belgian relief fund of Spokane at noon today amounted to \$369 in cash. In addition a carload of non-perishable food is ready for shipment. A part of the \$2000 fund of the local Red Cross is to be diverted to the Belgian fund.

Vigor-Food for young and old

"Roman Meal pound for pound has a greater food value than meats."

It takes about the same amount of energy to eat one kind of food as another—but there is a vast difference in the amount of energy the various foods return to you.

Your body and your pocket book get the benefit of the big return of

Roman Meal

the tissue building, health promoting properties of the whole wheat, rye and deodorized flax contained in Roman Meal.

For a delightful, nourishing food, serve Roman Meal as

mush, hotcakes, gems or muffins for breakfast. It also makes delicious, nourishing cookies, fruit-rocks, gingerbread and puddings. Recipes printed on every package.

Avoid drugs for CONSTIPATION and INDIGESTION

Your own doctor will tell you that Roman Meal will banish constipation and improve digestion because it supplies the bulk necessary to promote the natural muscular movements of the bowels, the deodorized flax furnishing a natural lubricant. Roman Meal positively regulates the most persistent and stubborn cases of constipation.

Roman Meal is 25c for a full 3 lb. package. At all grocers. Ask yours for a package today.

You should also try Roman Meal Bread. All good grocers have it.
