CITY ELECTION NEXT

Two Commissioners and City Auditor to Be Named.

CANDIDATES TO BE MANY

Mr. Brewster Likely to Run Again, Mr. Bigelow May Seek Re-election, and Others Mentioned. Three Measures to Front.

With the next regular city election in Portland still more than six months off, plans for the preliminary campaigns on the issues to be involved are beginning to take definite form. The election will be held primarily to elect successors to Commissioners Bigelow and Brewster and Auditor Barbur. In addition several measures will be submitted to the voters by the referendum and the initiative.

ELIGION PAY DAY MONTH AGAIN. Judges and clerks of the various polling places throughout the county at the recent election will not be able to get their salary warrants until December 1, because they were not issued but as approximately 7500 separate vouchers have to be prepared, considerable time will be required. In consequence the members of the old family have served on election boards, warrants will not be given to any save the proper clerks without the intervention of the County Auditor. Many inquiries are being made at the Courthouse by election officials for their pay but all are advised by County Clerk Coffey to have patience.

LOUISE JOHNSON ARRESTED.—Louise Johnson, charged with the theft of two suitcases from the Summit Hotel, 147 Thirteenth street, when she left the place early yesterday morning for a trip to California, was taken from a Southern Pacific train when it reached Grants Pass yesterday upon telegraphic advice and arrested by Sheriff W. C. Smith, of Josephine County. Deputy Constable McCullough left the city yesterday to bring her back to Portland, where she will be given a hearing on a larceny charge.

Mrs. ELIZA L. SEABURN DEAD.—Mrs. Eliza L. Seaburn, of Graham, died Saturday at the age of 61 years. She was the wife of A. C. Seaburn, of the subject street. Mrs. Seaburn was Culp, living at 160 East Forty-seventh street, Portland, and sister of John McQueen, of Beiga, Cal., and Mrs. John Nichols, of Vancouver. West met their wishes in the matter, Yates having served a considerable part of a nine-months sentence for larceny. He was confined in the County Jail, where his jailers spoke highly of his conduct and also advised leniency.

CHURCH PLAY WEDNESDAY.—A play entitled "Miss Peaches and Company" will be given by the King's Daughters of the Hawthorne Presbyterian Church in St. David's parish house, East of the Harbor street. The play will be given Wednesday night. The funds derived will be used for flowers for church decoration and for charitable work in which the King's Daughters are interested.

CHRISTIAN SCIENCE LECTURE.—A free lecture on Christian Science will be delivered by Blockwell Young, C. S., of Chicago, at First Church of Christ, Scientist, Nineteenth and Everett streets, Thursday, November 19, at 7:30, and will be repeated Friday evening, November 20. The public is invited. Mr. Young is a member of the board of trusteeship of the First Church of Christ, Scientist, in Boston, Mass.

NEW KNISPEL TRIAL GRANTED.—The motion for a new trial was granted by the court for Julius Knispel, convicted some time ago of having carried on a traffic in morphine, was allowed yesterday by Judge David E. Smith, after the motion that evidence submitted at the trial was untrustworthy, being submitted largely by drug users. Improvement Character of the Alberta Woman's Improvement Club will meet tonight at the residence of Mrs. Josephine Sharp, 1033 East Twelfth street, north. "Homeowners, while you are sleeping, the tax gatherers are working" reads the call sent out for the meeting.

BONVILLE LEAGUE TO MEET.—The Bonville Industrial Corporation League will meet in room A, Central Library, at 8 o'clock tomorrow night. Frank Coulter will address the meeting on "Compulsory Voting by Mail." F. W. Jobelmau will preside. A general discussion will follow.

WOMEN TO ENJOY PARTY.—The Women's Christian Temperance Union, in charge of the women's department of the County Jail, will give a party in honor of the 17th birthday of her daughter, Ingeborg. Ingeborg's friends have been invited to celebrate the festivity in the matron's quarters at the jail.

TWO GO TO ROCKFEL.—E. E. Fisher, arrested for the theft of a bicycle, was found guilty in Municipal Court yesterday and sentenced to 30 days on the rockpile. C. T. Hunt, arrested for having a morphine outfit in his possession, was sent to the quarry for 60 days on a charge of vagrancy.

BOLIVAR BURNED.—Funeral services of Bolivar Beiler, aged 88 years, who died at the home of his daughter, Mrs. J. H. Johnson, 1023 East Twelfth street, north, were held at Eugene, Or., yesterday, and the interment was made in the family plot at that city.

WOODSTOCK W. C. T. U. TO MEET.—The Women's Christian Temperance Union, of Woodstock, will meet this afternoon at the home of Mrs. Mary L. Perrier, 5508 North Main street, Southeast, at 1 o'clock. Comfort bags will be made for sailors.

FOR RENT.—West side, fine six-room corner flat, fireplace, furnace with hot water coil and every convenience, 721 Kearney, corner 25th. Rent reasonable. Call East 4496, mornings.—Adv.

IT IS CONSIDERED CERTAIN there will be a long list of candidates for the offices. Commissioner Brewster, it is believed, will be a candidate for re-election, and Commissioner Bigelow probably also will seek re-election. City Auditor Barbur will be a candidate again. Others who are mentioned as possible candidates for Commissioners are City Treasurer Adams, George L. Baker, Dr. George Parrish, Ralph C. Clyde and possibly one or two of the members of the old City Council. No names have been mentioned of probable candidates for the position of City Auditor.

There are three measures pending to be voted on. All were passed by the City Commission and held up by the referendum invoked by petitions circulated and filed by persons and organizations opposed to the measures.

One of these is an ordinance requiring the closing of all grocery stores on Sundays. Another is the question of universal water meters, and the third is an ordinance granting a franchise to the Portland and Oregon City Railway Company for an interurban electric line from Portland to Oregon City by way of East Seventeenth street. The City Council has granted the Portland and Oregon City Company a franchise over another route, it is said the people will be called upon to vote the referendum on this ordinance was invoked by the residents of East Seventeenth street.

The measure regarding the closing of grocery stores on Sundays was passed by the Council last Spring. Upon its passage grocers invoked the referendum.

Small Stores Oppose Measure. The measure, if passed by the voters, will require the closing of Sundays at all stores where groceries are sold. Independent and small grocers oppose the measure on the ground that it is promoted by larger concerns who dislike the system because it is not economical for them to remain open for business on Sundays.

The voters probably will be called upon to settle the question of boycott banners such as are paraded in front of business houses which the unions allege are "unfair" to organized labor. The question was brought before the Council some time ago by business men, and it became apparent that the union would have to be settled by the voters and not by the City Council. It probably will be put up under the initiative either by petition or by resolution adopted by the City Council.

It is reported also that certain factions are preparing to submit to the voters a proposal to change the form of city government. While nothing definite has been learned about the movement, it is said a committee is working up a charter patterned somewhat after the charter of Seattle. The charter which is being prepared for Portland will be a combination of the Commission and the Councilmanic government, it is said.

700,000 Join Regular Army. Since the outbreak of the war, Mr. Asquith said, more than 700,000 recruits had joined the regular army and

WASTE TO BE AVOIDED. SCHOOL CAFETERIAS EXPECTED TO USE PRODUCT OF GARDENS. Cooking for Lunchrooms to Be Part of Domestic Science Instruction, Succeeding Hired Help.

Vegetables raised in the school gardens of Portland will be served fresh, canned or otherwise utilized by the cafeterias of the school department this coming year, preventing any waste. This plan will be developed later in the season by Professor Weed, superintendent of nature study work in the schools. Professor Weed yesterday visited Portland's school gardens to superintend plowing in preparation for next year. There were 43 gardens operated by students this year, and more will be developed next season. In addition to the produce that is sold to the public, the students will be enabled to furnish all vegetables for the use of the cafeterias that furnish the pupils with luncheon. The domestic science department of the schools also will make use of the vegetables for canning purposes. Nature study work is conducted in connection with the garden studies. This is in charge of Professor Weed, who is a graduate of the Agricultural College at Cornell.

RECALL CHANGE PROPOSED. Payment of Circulators Declared Objectionable Feature. Means of changing the recall law in Oregon so that the system cannot be so easily abused will be discussed by

A Fair, Square Plea

The home manufacturers and jobbers do not ask you to buy their goods for the single reason that they are made at home. In substance, they ask that you make a careful comparison between the values they offer and those of competing brands. The home product loses by comparison—if you are not getting just as much for your money, then these home manufacturers and jobbers say to you, "continue buying the Eastern brand."

City Attorney LaRoche at a meeting of the Bar Association tomorrow. Mr. LaRoche has made a detailed investigation and study of the recall measure as it stands in Oregon at present and believes the system should be changed. One of the principal features Mr. LaRoche says is objectionable is the paying of circulators to get names on recall petitions. He says this leads to

abuses by circulators and by persons seeking the recall of an official because of the possibility of forgeries and misrepresentations. In place of the paid to all persons wishing to sign them.
