

OREGON CITY HAD ASSASSIN SUSPECT

Man Found Hiding in Barn Answers Description of Missing Fred Trauson.

DRAWLING SPEECH IS CLUE

Coroner's Jury Expresses Belief Lents Man Is Slayer of Emma Ulrich—Court Begins War on Gun-Toters.

OREGON CITY, Or., Nov. 18 (Wednesday)—Shortly before midnight Sheriff Mass and Deputies Miles and French arrested a man suspected of being the murderer of Emma Ulrich in Portland. The man was found sleeping in a barn near New Era, about three miles south of Oregon City. The man said he had walked from Portland along the west bank of the river. He arrived in Oregon City today and Tuesday. At the county jail tonight he gave the name of Batley.

Fred Trauson, Believed to Be Youth Who Shot and Killed Miss Emma Ulrich, Girl Who Spurred His Affection.

As he wears blue clothes, a tan raincoat and a light telescope hat, and is well dressed. He has a long face and talks with a drawl.

Answering in many details to the description of Fred Trauson, supposed murderer of pretty Miss Emma Ulrich, a suspect was found shortly before midnight last night hiding in a barn three miles north of Oregon City, waiting for an opportunity to ride the brakeman's out of the state. Until his identity was positively established, Portland detectives will take no chances in losing their man by relaxing their vigilance.

As he wore a long tan raincoat and a murder suspect, this man is believed to be the one for whom the Portland officers are searching. He was arrested by Sheriff Mass, of Oregon City. When found the suspect was in a barn, hidden in a stack of hay. He admitted that he had been trying to "beat" his way on a southbound train, but denied that he was Trauson.

Defectives Here Wait. Sheriff Mass was almost certain from the description given that he had the suspected murderer. At an early hour this morning the local detective office decided to wait until daylight before sending an officer for the man.

Several members of the police expect to find Trauson in a mentally unbalanced condition wandering somewhere about Portland. Others in the department would not be surprised to find him a victim of a bullet fired by his own hands. The fact that Trauson probably did not have any considerable sum of money with him has caused the police to believe that hunger will drive him to the open sea, if he is the slayer.

BIG SECRET-IF YOU HAVE GRAY HAIR

Restore Color by Action of Air. No Dye—Nature Does It. Haven't you often wondered how friends of yours whom you know to be older than you, keep themselves looking younger by retaining the natural hair color? They undoubtedly use Hay's Hair Health.

In no sense whatever is Hay's Hair Health a dye. It is a combination of ingredients acknowledged to be best for stimulating the hair and creating a healthy scalp. Added to these is another element which so prepared each gray or faded hair that the AIR with which it comes in contact brings back its natural color. This has been proved in hundreds of thousands of cases. If Hay's Hair Health which is sold in 25c and \$1.00 bottles, falls over your case, all druggists who sell it will refund full price. This they say they have instructions to do by the makers. Specialties for the hair company, Newark, N. J. From their reports of sales it would seem that Hay's Hair Health has far exceeded the most liberal preparation of its kind ever sold in Portland.—Adv.

The case of Paul Seguro, on a similar charge, will come up for hearing tomorrow.

STUDENTS WILL WATCH SECRET AGENT SYSTEM WILL BE USED AT WASHINGTON HIGH

Alarming Number of Thefts of Articles Causes Faculty to Adopt Method to Combat Nuisance.

Sneak thieves at Washington High School, who have been filching articles from chewing gum to school books, will have to be on the lookout henceforth.

A system of student-detectives has been inaugurated as the result of a meeting of the faculty Monday, when the situation, which has grown alarmingly suspicious, was discussed in detail by the faculty.

Books, bicycles, clothing, money and various personal effects have vanished mysteriously, not only this year, but in the past. The teachers found no way to combat the nuisance. This year several complaints have been filed, and at one time there was a note on among parents to take the matter up directly with the police.
