SHERIFF WORD TO ASK VOTE RECOUNT

Steps Taken to Petition Pre-Ordering Circuit Judge to Order New Tally.

EVERY PRECINCT INVOLVED

Defeated Candidate Wants Complete Check of Canvass That Gives Hurlburt Lead of 171.

DEFEATED CANDIDATE WANTS COMPLETE CHECK OF CANVASS THAT GIVES HURLBURT LEAD OF 171.

Count of the vote cast at the recent election for the office of Sheriff probably will be ordered within the next few days by Tom M. Word, the circuit judge, who, on the face of the official returns, has declared Hurlburt the victor by a margin of 171 votes.

When the case was prepared yesterday by Ralph Moody, who is acting as attorney for Sheriff Word, and they will be presented to Judge Word for his consideration, the Multnomah County Circuit Court will hear the case on Monday.

The expense of a recount falls upon the plaintiff, which in this case will be Sheriff Word. It is estimated that Sheriff and his friends are ready to pay. They have ordered Attorney Moody to proceed with the legal formalities.

It is understood that the recount will not be limited to a few contested precincts, but that the practice in similar cases in the past, but that every vote cast for the office of Sheriff in the county will be counted.

It has been suggested that a judge from outside Multnomah County be selected to preside over the recount proceedings, and it is probable that if the interested candidates can agree upon someone that such action will be taken.

"If Mr. Hurlburt is elected by one vote that is a square, I will give him this office with the best grace in the world," declared Sheriff Word yesterday. "I would not have the office of Sheriff with one illegal vote."

Hurlburt Welcomes Recount. The Hurlburt supporters, on the other hand, welcome the recount and declare that it will give them an opportunity to show that their candidate has been elected by a wider margin than that shown on the face of the official returns.

They declare that they have reports of irregularities from various parts of the county and that these will be brought to the attention of the board of election.

According to law a candidate desiring a recount must make formal application within 30 days after the election is declared.

Efforts will be made to hasten the recount. The Sheriff is due to take office at the beginning of the year. Word, under the law, will serve until his successor is qualified.

So long as Mr. Hurlburt's election is in dispute it is understood that he cannot legally take office.

TRIP DRAWS MANY

Rosarians Are Besieged for Billets With Excursion. 125 TO GO AND 96 APPLY. Out-of-Town Persons Desirous of Joining Tour to Fair Cities Are Numerous—Flood May Be Taken.

There is every indication that the first for Rosarians to Southern California the first of the year will be greatly over-subscribed long before the time for the trip.

Announcement of the membership committee at the meeting of the Rosarians yesterday indicated that 96 persons already have arranged to take the trip, and the size of the party is estimated to be at least 125.

Emergency Glinstead, chairman of the personnel committee, is receiving inquiries continually from persons living out-of-town who desire to join the excursion. The list of out-of-town persons who can be taken has been limited to 19, and it is thought that this will be filled in a few days.

The battleship Oregon float which was displayed at the Manufacturers' and Land Products show will be taken with the excursion if feasible. It will be drawn by four white horses in the float parade at the tournament of roses in Pasadena. Some of the members of the Rosarians yesterday pledged themselves to assist in financing this plan if it appears feasible after inquiry.

Another important feature which was planned at the meeting yesterday is to take a carload of apples, packed in boxes, for distribution to the cities which the Rosarians will visit. The apples will not be given out gratuitously, but will be bestowed as special gifts upon prominent, representative persons in the places where the Rosarians are entertained. On the committee in charge of this feature are E. H. Frazier, H. E. Atkinson and H. W. Metzger.

Mayor Abbe has received a request from Dixie to appoint a committee to represent him at that city on Portland day and at the Panama-California Exposition. The committee will consist of the following: George C. Baer, of Pendleton, is at the Oregon; W. E. Silmon, of Pasco, Wash., is at the Multnomah; F. H. Burnside, of Seattle, is at the Multnomah; Charles K. Hoxey, of Pasaden, is at the Multnomah.
