

LAST WORK OF SEASON ENJOYED

Oregon Boys Go Through Stunts to Great Satisfaction of Coach.

SQUAD WILL LEAVE TODAY

Even Cripples Bigbee, Cornell and Malarkey Will Accompany Team to See Thanksgiving Day Game Against Multnomah.

UNIVERSITY OF OREGON, Eugene, Nov. 24.—(Special.)—Coach Beckett, Assistant Coaches Hayward, Dalenbach and Mitchell, with the Oregon varsity squad today jumped, sprinted and tore through the last set of signal drills to take place on Kincaid Field during the year of 1914.

The afternoon's workout was in a large measure satisfactory, and with the "go in" order, 25 husky collegians trotted to the gymnasium and celebrated the final practice with much display of pep, as steaming showers removed the last bit of mud and grime to find its way into the "varsity-room" this season.

"I like to hear them singing," remarked the little commander, "for when they do I know that their spirits are up and the old pep is there."

Popular Airs Heeded.
Below, in the locker-room, all popular airs rendered the atmosphere with a strong volume of discord and barber-shop harmony.

Oregon teams of former years have looked toward the Thanksgiving engagement against the Multnomah men with but little enthusiasm, for defeat seemed always a safe bet and the "chance feeling" prevailed. This evening, however, a change is apparent, and there is not a member of the squad who believes that the lemon-yellow team is to be humbled again.

Sharp at quarter looks better each day, and with Cornell's machine, the "tricks of the trade" he should be a more finished product when he takes the field against his former club mates.

"Scrapping" Jim Cossman, star center, is a find. Cossman is a junior in college who plugged away on the "scrubs" during his three years of apprenticeship. While Cossman was stricken with the mumps Cossman filled the vacancy and "came through" against the Stewart contingent in grand style.

Team in Good Condition.
With the possible exception of Philbin, who is recuperating from a pair of sprained ankles, the team is in good condition.

Accompanied by the entire coaching staff, the 23 men taking the trip will leave Eugene at 7:30 o'clock tomorrow morning on the Oregon Electric, and will be quartered at the Multnomah Hotel upon their arrival in Portland.

The afternoon will be devoted to light signal practice at the Multnomah Club grounds. The men traveling are as follows:

Weist, Beckett, Snyder, Cossman, Cook, Philbin, Corvallis, Sharp, Huntington, Crowell, Bryant, Parsons, Mitchell, Garrett, Montelb, Bartlett, Callison, Teggart, Hendricks, Powrie.

The cripples, Bigbee, Cornell and Malarkey also will accompany the team.

GAME RECEIPTS DISAPPOINT
Financial Hope, Centered in Contest With Oregon, Not Realized.

OREGON AGRICULTURAL COLLEGE, Corvallis, Nov. 24.—(Special.)—Last Saturday's football game between the University and the Multnomah Club did not succeed financially that the rival managers had anticipated. This announcement came as a surprise, as estimates of the gate receipts were high.

Ben Culver, student member of the O. A. C. athletic board, said:

"The actual receipts for paid admissions were \$494. The amount of money received was \$460.75. According to the agreement with Oregon, half of the gross receipts go to Eugene. This will be \$230.37. O. A. C. will receive a similar amount, but is out a large sum spent in the game grounds. We had been counting on the Oregon game for a large amount of our funds for the year, and we will have to figure pretty closely the rest of the year to make ends meet."

MAGEE MAY BE FED MANAGER
Brooklyn to Get Cardinal Star, Says Friend in St. Louis.

ST. LOUIS, Nov. 24.—Lee Magee, the St. Louis Nationals' infielder, will sign to manage the Brooklyn Federals next Saturday.

This statement was made here tonight by Dr. Ralph Niedringhaus, Magee's ten-day notice of his resignation from the St. Louis club will expire Saturday. Dr. Niedringhaus said he was positive that his prediction would be fulfilled.

President Britton, of the St. Louis club, said today that if Magee thinks so little of his moral obligations as to jump the team, no effort will be made to stop him.

CHICAGO, Nov. 23.—That in addition to Lee Magee, of the St. Louis Nationals, the Brooklyn Federals expect to land Arthur Shaffer, of the New York Nationals, was asserted here today by Charles Weighman, president of the Chicago Federal League club.

Idaho Ready for Whitman Game.
UNIVERSITY OF IDAHO, Moscow, Nov. 24.—(Special.)—The Idaho squad is working hard for the final game of the season with Whitman on Thanksgiving at Walla Walla. So far, Idaho has not scored against the conference team and was defeated by Oregon, O. A. C. and Washington State College, so that unless the team wins the Whitman game, they will have a clean record of defeats. Prospects are bright for the Thanksgiving day mix and Idaho cohorts are busy figuring out the Idaho margin, as they are confident of winning the Turkey day fight.

Jefferson to Face Eugene Thursday.
EUGENE, Ore., Nov. 24.—(Special.)—Eugene high school will go to wipe out two years of defeat at the hands of Jefferson High School in the annual game on the Kincaid field on Thanksgiving afternoon. Last year Jefferson returned with a 7 to 0 score. The Eugene team will rely on open plays. Eugene has two teams, one virtually all new, and the other, which Johnston expects to hurl new men against the Portland squad as rapidly as any show signs of fatigue.

Denver Club Gets Pitcher.
MUSCATINE, Ia., Nov. 24.—Cliff Lee, catcher for the Muscatine club of the Central Association, today was sold to the Denver Western League club.

AGGIES GO TO GAME

Players on Way to Tacoma to Meet Californians.

FAST PLAYS EXPECTED

Art Lutz Fears Speedy Southerners and Is Interested in Attempts to Make Forward Passes in Battle Thursday.

Twenty-three Oregon Agricultural College football warriors and Assistant Coach R. M. Pavey accompanied Coach Stewart on his way to Tacoma, where the Aggies will meet the University of Southern California on Thanksgiving day. The squad went out on Multnomah Field yesterday afternoon for a light workout and to pose for motion pictures.

All the "pep" necessary was exhibited by the Corvallis team and all are looking forward to a hard game against the Californians. In speaking about the "class" of the invaders, Art Lutz, star backfield man of the locals, who captained the Pomona eleven in the Southern California Conference, said:

"All of the teams of the South appear to be faster than the eleven of the Northwest and more time is devoted to open and trick plays. Little line plunging is indulged in until within 18 or 20 yards of the goal. Long far-forward passes are more evident there than here, and long runs are not infrequently seen."

Passes Fall but Seldom.
"Just to show you how they execute forward passes with such ease and get away with it Pomona College made completed aerial flights in as many attempts and not one was good for less than ten yards. Ten-second men are used to build up an aggregation of yardage, and the quarterback often the heaviest man is under 150, or an average of 165."

The University of Southern California did away with American football three years ago and took on Rugby, but this year it went back to the good old game. The players are fast and are able to execute quickly. For this reason it will be rather difficult for our tacklers to get a good hold on the man with the ball.

"One member of the visiting squad we are going to watch is Fred W. Kelly, the great hurdler. Nothing doing in the predicting line as to the outcome of the game this day."

Parsons Loses Rating.
Johnny Parsons, the famous captain of the University of Oregon football team, is not listed in the all-star team picked by Dr. E. J. Stewart, head coach of the Oregon Aggies. Parsons was an easy all-Jewett selection after the 1913 campaign, but this season according to many followers, the lemon and yellow representative was not able to show his speed.

His position is given to Lutz of Oregon Agricultural College. The other half is held by Miller of the University of Washington on the contingent picked by the Corvallis instructor. At quarter Hoover, of Whitman, is placed and "Peck" Huntley, of the Aggies, and Tyrer, of the Washington State College, look the best at ends.

Laythe Called Best Tackle.
To Laythe, of Corvallis, and Anderson, of the Double machine, are presented the tackle while Groniger, of Idaho, is switched to guard. The other sentinel is doubtful and along with the pivot position Dr. Stewart refused to make a selection before the games Thanksgiving day.

Following are the members of the Corvallis party which left last night for Tacoma: Brooks, Schuster, Laythe, Pete Anderson, Hoerline, "Dad" King, Selph, Watson, W. O. King, Miller, Captain Hofer, Yeager, Dewey, Smyth, Brewer, Billie, Huntley, Abraham, Albert Anderson, "Rusty" Groce, "Darkhorse" Newman, "Bullet" Lutz, Allworth, Moore, Dr. E. J. Stewart and R. M. Pavey.

The team will hold a secret practice in the Tacoma Stadium this afternoon.

WATER POLO SERIES TO BEGIN
Winged "M" Team to Face Amateur Swimmers Tomorrow.

The first game of a series of water polo contests will be played tomorrow night in the Multnomah Club tank between the Winged "M" team and the Amateur Swimming Association club.

Two new men are slated to make their appearance in the club team. E. W. Wrocham probably will play guard opposite Jimmy Burke and Ed Leslie forward. Preble, Spamer, Lindstrom, Morrison, Holt and Morris also will represent Multnomah.

Frank Creasey, the "wild Englishman," will lead Howard, Cope, Perry, P. McDonald and McHale against the club for the Portland Amateur Swimming Association. The latter team has been doing a lot of practicing for the game.

Sunday School Team Beaten.

was beaten at Winlock Saturday night by the Winlock town team by a score of 10 to 12. A slippery floor was largely responsible for the one-sided score.

WASHINGTON CAPTAIN PICKED
"Spud" Normandin Will Lead Football Team for 1915 Season.

Frank "Spud" Normandin, star quarter back of the Washington High School football team, has been elected captain for the 1915 season. At the meeting of the 17 letter men yesterday afternoon, Normandin was chosen to succeed Captain Orben Walker, the all-star guard for two years.

The newly-elected leader has been with Coach Earl and his squad for the past two campaigns and, during the 1913 schedule, he was placed on the line. Early in the present year, Coach Earl felt the need of a good quarterback and as a result Normandin was switched to the backfield.

The other schools of the Portland Interscholastic League will select their 1915 leaders next week.

WHITMAN READY FOR GAME
Utter and Clancy Likely to Play Against Idaho Thanksgiving.

WHITMAN COLLEGE, Walla Walla, Wash., Nov. 24.—(Special.)—With the Whitman football squad in good shape everything is in readiness for the game with the University of Idaho here on Thanksgiving day. Utter and Clancy, the big Whitman tackle, who has been laid up with a bad knee for the past week, appeared on the gridiron again today, and Coach Hahn thinks he will be able to start the Turkey day game.

Clancy, the other cripple, is working regularly at his position at left end. Coach Hahn is giving his men no heavy scrimmage. Coach Hahn has been trying to pound speed and fight into his men. The result is evident, and local enthusiasts are predicting one of the fastest games of the season.

BAKER FACES HARDEST GAME
Championship Claim to Be Made If Walla Walla Is Defeated.

BAKER, Ore., Nov. 24.—(Special.)—Baker High School faces its hardest game of the season Thanksgiving day when the Walla Walla eleven will come here from Walla Walla. Baker has been defeated this year and has met and defeated all the teams in this district, including Boise, Nampa, La Grande, Pendleton, Prairie City and Union. Walla Walla, too, has had a successful season, having lost but one game this year, that to The Dalles Friday, with a score of 27 to 14.

Baker High School will put up a claim to Pacific Northwest honors in the event that a better score is made by the locals against Walla Walla than was made by The Dalles.

Pacific University to Play Quakers.
PACIFIC UNIVERSITY, Forest Grove, Ore., Nov. 24.—(Special.)—Pacific University closes its football season on Thanksgiving day, when she meets the Quakers from Newberg. This is the second game this year with Pacific College, and if won will give Pacific University a clear title to the non-conference championship of Oregon. The game with the Newberg eleven earlier in the season resulted in a 21-to-0 score in favor of the University, but the game for the local field on Turkey day promises to be a much closer affair.

Sounding the Sport Reveille
DANNY SHEA is slated to manage the Spokane club, in the Northwest League, next year. Spokane newspapers say Mike Lynch, Willis Butler and Willie Hogan are doomed to walk the plank.

Bill Rodgers likely will be awfully peeved when he learns that Ivan Olson has been traded by the Cleveland Naps to Cincinnati. Bill ought to have easy sailing for that second-sack job now.

Chicago coaches claimed that official was wrong in allowing Illinois first touchdown in their recent clash at Urbana. The claim was that Clark was down before he threw the ball to enter the movies. A motion-picture operator was on the job and when the films were shown at an Urbana theater they showed that Clark was not on the ground.

Fielder Jones is being mentioned as the manager of the New York Yanks should the Federals come into organized baseball.

Tacoma is billing the Oregon Aggie-University of Southern California game as a Coast championship affair. This will be news to Pomona College, which recently whipped the U. S. C. bunch.

Gellatly, center on the University of Washington football team, wears No. 14 shoes. This is the same size hat that Gil Dobie is said to wear about this time every Fall.

WINGED M READY

Warriors Out for Final Practice for Game Tomorrow.

PLAN FOR BATTLE LAID

Striebig, Recently Injured, Back at End, While Fast Handlers of Forward Pass Relied on to Swell Home Score.

Sixteen men, comprising the entire Winged "M" squad, turned out for practice last night on Multnomah field to whip themselves into playing condition for the game against the University of Oregon squad tomorrow.

Striebig, who will be seen at end for the clubmen, was among the players. When Striebig put in an appearance at the training table, the training table, by the way, is proving the best inducement the club has made to get the players out.

Forward Pass Counted On.
The Winged "M" captain said last night that if the present good weather continued until tomorrow he would start Hargrave, Keck and Taylor in the backfield, as they are light, fast men and can work the forward pass with lightning-like rapidity.

One feature of the Turkey-day game that will be welcomed by the football fans is the reduction in prices. It has been the custom to charge \$1.50 for reserved seats. This year the price has been reduced to \$1. Reserved seats are selling at Spalding's, Archer & Wiggins' and Meier & Frank's. The reserved seats will be disposed of first and then bleacher seats will be placed on sale to take care of the large crowd that is expected.

The numbering system that has been used in recent years with so much success also will be in vogue tomorrow. The numbers in this instance will be more firmly fastened onto the players' backs. In the Oregon Aggie-Idaho game some of the numbers were torn in such a way as to make them unrecognizable.

Beckett's Team Due Today.
Coach Beckett announced that his team will arrive in Portland this afternoon.

Officials for the contest have been selected with the exception of the head linesman. Roscoe Fawcett will referee and Sam Dolan, of Corvallis, will umpire. Homer Jamison, coach of the Jefferson High, and Virgil Earl, coach of the Washington High, have been mentioned for linesmen.

The team that Hugh Beckett will bring to Portland appears to be no chicken-aged college squad, as Cook, Bryant, Cawley and Parsons have each seen 23 Summers. Weist, Huntington and Callison are 22 years old, Dave Philbin, the ex-Columbia University center, of Portland, is the heaviest member of Beckett's team. Philbin was selected on the all-star interscholastic squad last season after his great showing at center for the Peninsula school.

He tips the beams at 295 pounds. The official statistics of the Oregon squad are as follows:

Name	Age	Wt.	Ht.	Home
Weist, E. A.	22	190	5-8	Idaho
Beckett, E.	21	181	6-0	Portland

FREDDIE WELSH IS VICTOR
Champion Proves Strong to Finish After Flooring Opponent.

BOSTON, Nov. 24.—Freddie Welsh, lightweight champion, defeated Fred Yelle, of Taunton, tonight in a 12-round bout. The Taunton boy had a slight lead on the champion in the second and sixth rounds, but after the seventh the result was not in doubt.

Twice in the eighth Yelle was floored by rights to the jaw. The referee, although Yelle continued to exchange blows during the later rounds, he never recovered effectiveness, while Welsh was strong to the finish.

CITY SALARIES SLASHED
Oregon City Budget Touches Every Pocketbook.

OREGON CITY, Ore., Nov. 24.—(Special.)—A budget which will bring the expenses of the city well within its income, but which cuts the salaries in almost every municipal employe and eliminate one office altogether, was prepared at a meeting of the Council last night. The estimates will be submitted to the taxpayers at a meeting next month.

The most decided cut was the abolition of the office of City Engineer. The city instead will employ an engineer as he is needed. The office may be continued until certain street improvements are completed.

The Council has decided to begin no new street work. Such duties as the leasing of building permits and the inspection of electrical wiring probably will be left to committees from the Council.

The police department, next to the office of City Engineer, was the heaviest sufferer. The salary of the Chief of Police would be reduced from \$100 to \$75 a month, and the salary of the patrolmen would be cut \$10 a month each, but which would be made up by the salary of the day laborers in the employ of the city.

The salary of the City Attorney was cut from \$90 to \$75 a month, although City Attorney Schuebel recommended even more drastic reductions.

Several Councilmen suggested that all the work of the office of City Recorder be given to Miss Dolly Pratt, now chief clerk.
