IF YOU WANT LAND

WE WILL GIVE YOU A START. Here is your chance to get started on the land. We will make you a better proposition than renting. It will take less money. You can take your choice out of 10,000 acres of the richest land in the Sacramento Valley-the kind of soil that grows 10 tons alfalfa, 50 bushels wheat and 75 bushels barley per acre every year. You have practically unlimited time to pay for this land, and you can make it produce a single crop that is worth the full purchase spree,

It is a great chance for you. Now is the time to go on the land. You will get war prices for all you produce, LOS MOLINOS has the best irrigation system—gravity flow — in California. Never a water shortage. Practically all the water you want.

A great dairy country—creameries now paying farmers \$10,000 a month for butter fat—three wagons call at your door. Fine alfalfa pasture and two crops of grain from the same land in a year, make hog raising wonderfully profitable. Fine fruit land—every fruit that has made California famous—some orchards paid \$350 an acre this year,

Beautiful country, Healthy, Pine schools. Come and see us and learn our plan of helping you get started on the land.
