Foundation Explains Investigation of Social Problems Is Pathological.

REAL REMEDY IS DESIRED

Other Activities Include Hookworn Study, Inquiry Into Health of Chinese and Continuation of Medical Research.

NEW YORK, Dec. 7.—In a statement saued tonight by the Rockefeller Foundation, covering its activities, it is cited that the Federal Commission on Industrial Relations is contemplat-ing an investigation of the Foundation's plan to conduct an inquiry into industrial relations, and regarding this More Than 500 Additional Officers Are branch of the Foundation's work, says:

Next in public interest to the Belgian relief work has been the establishment of a department for the investi-

of an organization for social and eco-nomic research. Upon the establish-ment of the Rockefeller Foundation, fens-one of the first matters discussed was eral

"While the general subject of economic research was under consideration, the industrial disturbances in Colorado impressed the president of the Foundation with the great necessity and public importance of finding an effective means of preventing such conflicts and caused him to urge a far-reaching study of industrial relations as the most important immediate inquiry to which the Foundation could direct its attention.

"In view of the passion aroused in Colorado and many divergent interests involved there it was felt that the foundation itself should not interfere in that situation but that it was of the

that situation but that it was of the utmost consequence that the root causes of that and similar disturbances should be ascertained and if possible, removed, not only in Colorado, but

Rockefeller Foundation Is moreover, a large owner of corporate securities, and in that capacity is itself securities, and in that capacity is itself directly concerned in maintaining harmonious relations between the companies in which it is interested, and their employes. It was, therefore, feit that if the Foundation could work out a basis compatible with the sound economies, a substantial improvement in the relations between capital and labor, it would not only be discharging its obligations as indirectly a large employer of labor, but would also perform for the general public a greater social service than it could render along usual than it could render along usual

philanthropic lines. Attitude That of Physician. "In spirit and method the work will be akin to that of the Rockefeller Institute for Medical Research. In so far as Mr. King's inquiries have to do with industrial controversies, his attitude will be that of a physician who investistitute for Medical Research. In so far as Mr. King's inquiries have to do with industrial controversies, his attitude will be that of a physician who investigates the nature and causes of pathological conditions with which he has to deal, with a view, if possible, to the discovery of effective remedies."

Regarding further activities of the foundation, the statement says:

"The foundation has established the International Health Commission, the purpose of which is to extend, not only

rpose of which is to extend, not only in this country, but to foreign coun-tries and peoples, the work of eradi-cating the hookworm disease and the establishment of agencies for the prootion of public health and sanitation. e Commission is already at work in British West Indies, Central Amer-, Ceylon, the Malay states and the

Last Spring the China Medical Commission was appointed to study the needs of medical education and public health in China, and its important and far-reaching recommendations are now receiving consideration.

Other Appropriations Made.

Other Appropriations Made.

"Other appropriations of special public significance are:

"Two million, five hundred and fifty thousand dollars to the Rockefelter Institute for Medical Research, for addition to land, buildings and endowments. "Seven hundred and fifty thousand dollars toward the fund being raised by Wellesley College because of the emergency resulting from its extensive fire loss.

I'wo hundred and twenty-five thousand dollars for the purchase of a tract of \$5,000 acres on the Louislana coast of the Gulf of Mexico, which has been turned over to the Louislana Conservation Commission as a refuge for migratory birds, which gather here in Winter from all parts of the North American Continent.

American Continent.

"This was done to prevent the wanton destruction of this wild life, so important to the agricultural interests in the keeping down of the insect pests which, it is estimated, inflict a loss upon the country of upward of \$460,000,000 a year."

### KAISER RESTRICTS DRINK

Sale of Liquor Is Forbidden in All Eastern Provinces.

The order came as the result of rec-emmendations made by courts-martial, which tried cases of desertion. In al-most every instance the soldier declared that he acted under the influence

#### SPIRIT, NOT GIFT, VALUED Early Shopping Is Declared Chris-

Gift," concluding that the greatest gift is that of self. He pointed out that sifts to charity, to the poor or to one's friends are valueless unless prompted by the same motive that inspired Christ's gift of himself at Calvary.

"Charity without affection, Christian love, will never benefit materially the receiver, because it never will enable him to rise to his own greatest heights," said Dr. Harris.

him to rise to his own greatest heights," said Dr. Harris.

"Man's deepest need is man and the ministry of man. Practical, commonsense love—not sentiment—between man and man would settle all of the conditions of poverty that call for charity, all of the disputes between capital and labor, all of the arguments that have divided the nations of Europe in strife. Christ gave the gospel to the world. He laid the foundation, the principles that he-knew, if practiced, would solve every problem, industrial or otherwise, that might confront the world at any stage of its progress.

"We need men of charity, conscience, common sense, piety and grit. The greatest Christmas gift is the gift of seif."

Fred Lockley spoke on "Books" at the social hour yesterday, asserting the value of a systematic course of reading, which, he said, was to the mind an exercise as vital as the use of muscles to the health of the body.

Student Arrested for Alleged Threat to Murder Lass Who Spurned Him.

EIGHT FACE LIKE, CHARGE

Effic Kreis, 16, Fearing Fate Similar to That of Emma Ulrich, Complains and Steve Parin Held. Two Attend Night School.

#### EIGHT MEN ARRESTED IN WEEK FOR ALLEGED THREATS TO KILL.

Morris Schlafer, alleged threat to kill wife.

Joseph Bernardi, alleged threat
to kill Marie Brown, landlady of

J. H. Murphy, alleged threats against patrons of hotel at Fifth and Burnside streets.

Lypus B. Davis, alleged threat to kill wife.

Ben Grigsby, alleged threat to kill wife.

Hugh McClure, alleged threat to kill wife. to kill wife. W. H. Brown, alleged attempt

"If you don't marry me, I'll give you what Fred Tronson gave Emma

This alleged threat against her, reported to the police by Miss Effie Kreis, 16 years old, resulted yester-day in the arrest of Steve Parin, a laborer, 22 years old, on a charge of threatening to commit a felony. The arrest of Parin completes a list of eight similar threats almost paralleling the events leading up to the mur-der of Miss Emma Ulrich three weeks

Effic Kreis came to this country from Germany 18 months ago. She goes to night school, and Parin also attends the night classes. Wednesday night, Miss Kreis told Deputy City Attorney Stadter, that Parin had fol-lowed her home from school and had made the alleged threat. She said Parin had once before shown her a revolver.

The girl lives at 799 Kelly street with her parents. Her mother, she says, introduced her to Parin and wanted her to marry him. The girl was not willing and spurned Parin's attentions, saying she was too young to marry.

to marry.
She became frightened Friday be-

said her mother had told her she could leave home and not come back it she did not drop the charges against Parin. One of the men with the girl was Sam Michel, a friend of Parin. Detective Royle believed Mich had brought the girl to the jail in an attempt to "square things" for Parin, and, fearing that if the man was released through the influence of Parin's friends on Miss Kreis a repetition of the Uirich tragedy might result, Royle put Michel in jail.

A revolver was found in Parin's room at Seventeenth and Thurman streets last night.

The case reported to the police by Miss Kreis more nearly parallels that of Miss Emma Uirich and Fred Tronson than any of the seven others since the tragedy, which has caused extraordinary precaution by the authorities in all reported cases of threats to kill.

dinary precaution by the authorities in all reported cases of threats to kill.

### ROUMANIA IS NOW READY

Entry Into War on Side of Allies Is Declared to Be Decision.

GEVENA, Dec. 6, via London, Dec. 6.—The Journel de Geneve publishes a dispatch from Bucharest, which says that Roumania has definitely decided to enter the war on the side of the ailles. This decision, according to the dispatch, is in accordance with the wish of the entire country, including King of the entire country, including King Ferdinand and all the Roumanian statesmen, with the exception of the minister of finance, M. Marghiloman. minister of finance, M. Marghiloman. The question when Roumania will make her entry into the conflict still is being discussed, however, one side desiring to avoid a Winter campaign, but the military authorities express the fear that Servia may be defeated before the Spring.

The attitude of Bulgaria still remains doubtful. Greece, Servia and Roumania have profered certain concessions, which, however, Sofia seems not to consider a sufficient inducement.

### FEW RUSSIANS WOUNDED

Recovery Powers Declared Equal to

PETROGRAD, via London, Nov. 26.

—(Correspondence of the Associated Press.)—The wounded on the Russian side, considering the magnitude of the operations, are comparatively few, according to officers of the medical service. Moreover, those whose wounds are not of the gravest character recover with great rapidity.

This is due to three facts of the medical can be covered as the correspondence of the medical service. Moreover, those whose wounds are not of the gravest character recover with great rapidity.

cians say, the first being that the Russian troops have been excellently fed from the beginning of the war; the second that the Grand Duke is using the smallest possible forces at the actual front of the fighting line, and the third, that no alcohol is consumed by any of the soldlers.

The hospitals are proving that the recuperative powers of the Russian wounded are now equal to the highest ever known, namely, the figures

enemy made a vain attempt to recapture Weidendreft.

"On the rost of the northern front there has been absolute calm.
"It was calm also in the region of the Aisne.
"In the Champagne district our active artillery successfully counteracted the batteries of the adversary.
"In the Argonne the war of the sapprogress slowly, fepulsing all the enemy's attacks.
"Slight progress was likewise made in the region southeast of Varennes. The German artillery there has been slienced.

The German artillery there has been silenced.

"On the remainder of the front there is no noteworthy occurrence to report."

BERLIN, Dec. 6, via wireless to London.—The evacuation by the Germans last night of Vernelles, southeast of Bethune, was officially announced in a statement issued here today. The statement says:

"Vernelles was evacuated by us, according to our plan, on account of the continuous French artillery fire which was causing unnecessary loss. The buildings which remained standing were hlown up by us and our troops occupied positions prepared east of Vernelles, so that the enemy could not follow in this direction. renewed their attack with reinforcements, but without success, and they suffered heavy loss."

# ORPHEUM IS 'DIFFERENT'

ENTIRE BILL ONE OF NOVELTY AND FUN BY CLEVER ARTISTS.

Van, in "Spooks," Does Things in Brand-New Way That Takes Well With the Audlence.

The success of Billy B. Van as a

neadliner is easily analyzed. Primarily it is the free-hearted personality and to shoot wife.

Steve Parin, alleged threat to lit isn't always his linea for sometimes there are no lines, but it is the personal endeavor that Van puts into his comedy contact and puts into his comedy with the personal endeavor that Van puts into his comedy with the personal endeavor that Van puts into his comedy with the personal endeavor that van puts into his comedy with the personal endeavor that we have the personal endeavor the personal endeavor that we have the personal endeavor the personal endeavor t endeavor that Van puts into his comedy that fetches results. His methods win.

This week he headlines the Orpheum bill in a travesty on fortune-telling. He calls it "Spooks"; maybe because the atmosphere is redolent of 'em. Skeletons who smoke and spit artistically and waggles their grinning jaws appreciatively, a spook closet that plays hob with whoever enters its darkness, and a cellarette of bottled spirits that produce amazing results in characterproduce amazing results in character building is the scene in which Van plays. He has the role of an earnest endeavorer looking for work, and he finds it as office boy for Madam Hold-emdigits, a paimist.

This role is pictorially played by Nel-

This role is pictorially played by Nellie Beaumont, with her clever sister, Rose, flashing into the plot as Lizzie Smith, the flance of the office boy. He upsets all discipline in the Parlor of Palmistry, experiments with all the charms and amulets and raises a merry Cain. The Parlor is "pinched" and when the officers descend on the little party he finds it hastily metamorphosed into a Salvation Army group—with Van beating on a tambourine, and when he nervily takes a collection from the cops the house rocks in laughter at the woolpulling.

After Van the great favorite is a slen dor, dark-syed, dapper "gent" called Violinsky, who graduates from classics She became frightened Friday because, she said, Parin was following her. She went to the police station and obtained a warrant for Parin's arrest. After inquiry into the man's actions in the past, Detectives Royle, Moloney and Hammersiy arrested Parin yesterday morning. He is held in the City Jail under \$1900 bail.

Last night the girl appeared with two men at police headquarters. She said her mother had told her she could leave home and not come back if she did not drop the charges against Parin.

DEMOCRATS SIGN MESSAGE

Mass Meeting to Denounce Administration and Demand Explana-The young man in question is, as far as records show, the first person who ever has offered the sale of himself in Portland in exchange for the necessi-ties of life. tion of Mexican Policy Is Likely to Be Arranged.

Prominent Catholics of Portland, SPOKANE, Wash, Dec. 6.—(Special.)
—Demented by worry over the war in Europe, John Henry Seims, a German, living near Nez Perce. Idaho, hanged himself early today in the woodshed of his beautiful rural home. He had two brothers in the German army. Two months ago he was taken to a private sanitarium in Portland, Or., and returned only last night. any of whom are Democrats, stirred by the burning criticism of the Wilson Administration contained in Colonel Roosevelt's letter published in The Oregonian Sunday, last night dispatched a telegram to Colonel Roosevelt congratulating and thanking him for denouncing the atrocities committed against the Catholic priests and nuns in Mexico and for placing the blame "where it properly belongs."

It is proposed by the signers of the telegram to arrange a public mass meeting and demonstration against the Administration.

At the meeting prominent speakers patched a telegram to Colonel Roose-

Administration.

At the meeting prominent speakers are expected to denounce the actions of the Administration not only for the conduct of the Mexican question, but for its attitude on treaties and the tariff and for the war tax.

Explanation to Be Sought. It is predicted also that the meeting will adopt resolutions condemning the Administration and asking for an ex-

planation. The tolegram was signed by Archbishop Alexander Christie, Very Revwhite.

Mildred Grover, over-plump and pleasing, is assisted in her singing by "Richard" at piano. Opening the bill are three gay little girls, all of a size, in attractive dancing frocks, who are dubbed the English trio. Their dances have a sparkle and are gracefully done. Closing the bill, except for a series of very good pictures, is Brown and Rochelle, one a "rube" comedian, who wants clie, one a "rube" comedian, who wants Allehoff, J. C. Lonergan, L. Shananan, Charles Becker, Rev. T. P. Byrne, T. A. Sweeney, Thomas J. McNamee, Charles T. Whitney, Dan Kellaher, J. H. Murphy, Joseph Jacobberger and M. G. Munly. Scores of others consented to have their names signed to the message, and it is said that between 500 and 600 names could have been procured upon invitation.

Several Are Democrats Among the signers of the telegram BERLIN REPORTS ADMIT CAPACITY the following are known Democrats:
FOR RESISTANCE. Father Black, Father Gregory, Father Hughes, Father Daly, William Burke,

Sr., J. H. Murphy, L. Shanahan and J. C. Lonergan, M. G. Munly, who penned the Lonergan. M. G. Munly, who penned the message, was the Democratic nominee for Representative in Congress in the Portland district two years ago.
Unless Secretary Bryan responds to the protest today satisfactorily it is regarded as certain that a provisional meeting will be held tonight to arrange for the indignation meeting.

Telegram Almed at Bryan. Telegram Aimed at Bryan.

"The telegram is meant more as a reflection against Bryan than President Wilson," said J. Hennessy Murphy last night. "Bryan would make peace with hell. Many of us have supported him for years, but we now have no further use for him, because he has made such a mess of the Mexican situation. This feeling is not in Portland alone, but all over the United States. I believe that 20,000 Catholics feel the same way that we do about it."

The text of the telegram to Colonel Roosevelt follows:

"The undersigned desire to acknowledge gratefully the great service you

"The undersigned desire to acknowledge gratefully the great service you have rendered the cause of civil and religious liberty and our common humanity by your letter in press dispatches today.
