A few lots, aggregating 46 or 50 bales, were pur-chased on Saturday around 25 and 26 cents. These were hops grown in the towns of Mar-shall and Kirkland. Holders of some of the

the Merchants Exchange asked strong prices and business was restricted, although bids were advanced 1 to 14 cents over Saturday's prices. Two 5000-bushel lots of red Russian were sold at \$1.16 for February de-

The flour market is firm, because of the high price of wheat, but it is not likely that flour prices will be advanced here, as millers believe that would permit Montana flour to enter this territory.
