DAY TO AID POOR NAMED

Mayor Albee Designates December

on that day.

Plans for the innovation are outlined

considerable number of families in this city who are destitute to a greater or less degree, and as an earnest effort is being made by the people of Pertland to see that no worthy ones are overlooked, it has been suggested that one day be set saids upon which every man, woman and child may have opportunity to give something to this worthy cause.

portunity to give something to this worthy cause.

Believing this plan to be feasible and an easy means by which all may have opportunity to give, I am setting aside Tuesday. December 15, as the date which shall be known as "Bundle day."

The plan to be followed on "Bundle day" is for all who have anything to give for the sid of the worthy destitute of the city to take to any one of the charitable organizations of Portland their donations. These may consist of clothing, foed or money—anything that will be of service in the effort to provide for all plenty to make life comfortable.

"Bundle day" should be a marked success from the standpoint of giving. Those who have plenty and to spare should not overlook "the other fellow," but should assist in this great undertaking, and thereby share in the blessings that come only to those who give.

those who give.

Make up a bundle, you who have, and see that your favorite charitable organization gets it so that it may be placed with those who have not.
