**Meet Santa Claus  
Today in Toytown**  
TEMPORARY ANNEX NO. 2, YEON BLDG.,  
N. E. CORNER FIFTH AND ALDER STS.  
Where a Hundred Thousand Dolls and Toys  
Are Ready for the Girls and Boys!

There was a time—not so many years ago, either—when children were not privileged to "really truly see" Santa Claus as they do today. Then they had to content themselves with looking at his pictures—marveling at the "big boots," the wonderful white beard and the fur-trimmed bright red suit he always wore. But today they can come to Toytown, grasp the friendly old chap by the hand, and whisper their secrets to him. And this is as it should be! Even the "grownups" enjoy a visit with this old friend—so they are invited to come to Toytown, and bring the children with them, for an old-fashioned chat with the "Spirit of Christmas"—Santa Claus!
