

THAW'S RETURN TO NEW YORK ORDERED

United States Supreme Court Decides Against Slayer of Stanford White.

NEW FIGHT IS PROBABLE

Fugitive From Matteawan Now Is to Stand Trial on Charge of Conspiracy to Escape Prison for Insane Criminals.

WASHINGTON, Dec. 21.—The right of the State of New York to extradite Harry K. Thaw from New Hampshire was upheld today by the Supreme Court in an unanimous opinion, reversing Judge Aldrich of the Federal District Court of New Hampshire. Justice Holmes, speaking for the court, declared the case was "too slender for lengthy argument," and with few words swept aside as irrelevant all contentions of Thaw's counsel.

Conspiracy to escape from Matteawan Insane Asylum, to which he was committed after killing Stanford White in 1906, is the charge on which Thaw stands indicted in New York. On this indictment, once the noted prisoner is again in the hands of the New York authorities, will begin another battle against being returned to Matteawan. Just what the line of action they may be was not known here tonight.

Fight Likely to Go On.

Phlander C. Knox, who conducted Thaw's case before the Supreme Court, had nothing to say, though he had been intimating that ordering of extradition would be by no means end of the fight.

After 30 days' absence from both sides join in asking for action earlier, the Supreme Court will issue a mandate to Judge Aldrich to set aside his decree in habeas corpus proceeding ordering Thaw released by the New Hampshire authorities who were holding him for extradition under the Governor's order. This will cause Thaw, now at liberty under guard of a Federal court custodian, to be turned over to the State of New Hampshire and pave the way for his immediate extradition to New York.

Extradition is Held Legal.

In brief, Thaw's counsel sought his freedom on the ground that the indictment against him charged no crime; that if he was insane, as the New York authorities contend in pleading him in the asylum, he could not be guilty of the crime of conspiracy for which his extradition was sought.

The Supreme Court held, in effect, that the question of the prisoner's sanity or insanity was one which should be passed on by the New York courts; that an extraditable crime was charged, and the only question before the Supreme Court was the legality of the extradition of a prisoner to New York.

Legal authorities who have followed the case predicted today that a wide field of controversy would be opened up when the New York courts were reached.

THAW MAKES NO COMMENT

Prisoner's Mother Immediately Calls Son on Long Distance.

MANCHESTER, N. H., Dec. 21.—Harry K. Thaw received without comment today the announcement from Washington that the Supreme Court had reversed the decision of the Federal Court in New Hampshire, which refused to extradite him to New York.

His secretary, speaking for him, after manifesting surprise, said: "Mr. Thaw has no comment to make. Any statement regarding the court's action will have to come from his counsel, Phlander C. Knox, in whom Mr. Thaw has every confidence."

Thaw has been in Manchester for three months.

PITTSBURG, Dec. 21.—"I cannot believe it," exclaimed Mrs. William Thaw, mother of Harry Thaw, when informed of the decision of the United States Supreme Court today.

When assured that the court had ordered Thaw's extradition to New York, Mrs. Thaw called her son at Manchester, N. H., on long-distance telephone. She declared that the fight had not yet ended.

LOAN SHOWS IDLE COIN

London Market Undisturbed by Loss of \$350,000,000 War Payments.

LONDON, Dec. 11.—(Correspondence of the Associated Press.)—The money market has been much interested this week in speculating as to how much money would be paid up on the war loan and awaited the bank returns to get some idea regarding the amount. Exact figures are not available, but deductions from the bank returns show that about \$70,000,000 (\$350,000,000) was paid, including \$20,000,000 application money. That this huge amount was taken off the market without disturbing rates shows the quantity of money lying idle.

New capital seekers appear to be recovering from war nerves and to be taking advantage of the present plentiful money supplies to float several small issues which have been hung up since the war.

As each stock exchange settlement concludes, the amount of stock taken up by clients is said to be gradually on the increase when prices reach July 20 level, so that the position is slowly being reduced. There appears to be quite a demand for gilt-edged stocks from the provinces at the minimum level fixed by the committee.

ROADS MAY CONSOLIDATE

Injunction Against New York Central and Lake Shore Union Denied.

CLEVELAND, Dec. 21.—Efforts of the General Investment Company of Maine to thwart the plans of the directors of the Lake Shore Railroad Company to consolidate with the New York Central Railroad Company at a meeting to be held here tomorrow failed today when Judge Stevens, of Common Pleas Court, refused an injunction which would have prevented the merger.

The investment company alleged that officials of the two roads sought to complete the transaction, charged criminal violation of the Sherman anti-trust law and asked that receivers be appointed to take over the Nickel Plate, Big Four, Lake Erie, Ohio Central and Indiana Southern, all of which, it is said, were controlled by the Lake Shore.

Tennessee Off to Guard Interests.

ALEXANDRIA, Egypt, via London, Dec. 21.—The United States cruiser Tennessee, which is looking after American interests in the Eastern Mediterranean, left this port today for Jaffa. She recently arrived here from the Island of Socia.
