### Our Bakery Temporarily Discontinued--

The rapid progress in the steel structural work of our new store has caused us at this time to take out our baking ovens temporarily. However, the bakery section in the grocery department, Basement, Sixth St. Bldg., will continue to sell bread and other supplies, such as we were not accustomed to bake in our own ovens. We promise our patrons with the completion of our new ovens that we will supply them with even more delicious pastry than that which has already made our bakery and pastry section so popular.
