Frank A. Clark, Owner of Alleged Disorderly House, Held for Grand Jury.

Police Testify Keeper of Place Was Warned to "Clean Up"-10 Plead Guilty, Six Fined and 13 to Be Heard Thursday.

Frank A. Clark, proprietor of the Clark Hotel, was bound over to the grand jury under \$500 bond to answer the charge of conducting a disorderly house; six men arrested in the hotel in the Sunday morning raid were fined \$10 each; 13 cases arising from the same raid were continued until Thursday and two men and six girls were discharged or continued sectences were imposed on them for statutory charges to

posed or continued sectences were imposed on them for statutory charges to which they pleaded guilty, when all 28 captives appeared before Municipal Judga Stevenson yesterday afternoon. A jury trial was asked for by Attorney W. M. Davis, who represented Clark, but as the charge was made an indictable misdemeanor, the motion was dismissed. Mr. Clark was not put on the stand. Ten persons arrested changed their pleas of not guilty to guilty at the close of the afternoon, when the evidence offered by the raiders had been heard. Among the lawyers interested in the case are Attorneys W. M. Davis, F. M. Long, J. H. Page, H. Bennett, George Tazwell, A. W. Orton, A. B. Ferrera, and T. B. McDevitt.

Clark Warned, Raider Textifies Police Lieutenant Harms testified to details of the raid at 2 o'clock Sunday morning. He mentioned the sums several of the girls arrested had said they eral of the girls arrested had said they had paid for rooms and what men were paying them. The raid was the result of many complaints, testified Lieutenant Harms, who declared that in several conversations with Mr. Clark he had warned the hotelkeeper that the Clark Hotel would have to be "cleaned up" or arrests would be made.

Police Sergeant Wells testified to arresting Mr. Clark on a warrant half an hour after the hotel had been raided. Answering accusations that rooms had been broken into by the police, Patrolman Wise said:

"There was only one door broken in.
I did that for I had a warrant for the
arrest of the woman inside, who refused to open the door."

Six Men Are Fined.

In addition to the holding of Mr. Clark for action of the grand jury, statutory charges were disposed of against others arrested in the raid by Judge Stevenson as follows: J. W. Barlow, \$10 fine; C. F. Hubbard, \$10 fine; Angle Angleson, \$10 fine; John Aldrich, discharged; Eva Felton, discharged; Katherine Johnson, continued for sentence; Lettie Sanders, continued for sentence; Mamie Sullivan, continued for sentence; Hago Wagner, \$10 fine; Charles Gilbert, \$10 fine; Olgano, continued for sentence; Alf Parky, discharged; Leck Davis, \$10 fine.

Those who entered pleas of not guilty and who will have a hearing Thursday were: Mrs. Rose Kline, Clyde Kelley, H. L. Anderson, Virginia Miller.
Ralph Scruggs, Mrs. B. Morris, Eva Kent, Georgia Davis, Betsy McGee, Ethel Kreitz, Gertrude Henderson, Mrs. Parsons and Mrs. O. L. Bowers.

Although City Attorney LaRoche has ruled that the city is not liable for damages in personal injury cases, the City Council yesterday decided to give E. Raino \$125 because of his having been kicked by a fire bureau horse. As a result of a protest by collection manners against provision of the newly adopted pleans code requiring the payment of a license fee of \$12.50 a quarter, it is probable the amount will be reduced. The question was aired yesterday before City Commissioner Bigelow at a meeting at the City Hall.

Up to the time of the adoption of the new code the collection concerns paid no license. It was agreed at the meeting yesterday that some license should be required, but it is contended that \$12.50 a quarter year is too much.

Objection to the \$500 bonding provision has been withdrawn.

Relieved by Anti-Kammia Tablets

The exact cause of rheumatism is unknown, though it is generally believed to be due to an excess of urle acid in the blood. It may be also said with equal truth that no remedy has been found which is a specific in all cases. In fact the literature of rheumatism shows that there are but few drugs which have not been given a trial. In the hands of one observer we find that a certain drug has been used with the utmost sail faction; others have found the same remedy to be a great disappointment. All physicians however agree that every method of treatment is aided by the administration of treatment is aided by the administration of some remedy to relieve the pain and quiet the nervous system and Dr. W.
