Charge of Negligence to Be Presented to Grand Jury.

NEW YORK, Jan. 13 .- After all but dence, sisters were praying around the bier of a dead nun, when the first tremor of the earthquake caused one of her arms to move. The sisters at first cried out that a miracle of resuscitation had taken place, but simultaneously the candlesticks and crucifixes in the chapel began falling. Then they realized what was happening and rushed terror-stricken to the street. Great crowds of the populace also field into the thoroughfares when the earthquake came. They formed into processions, reciting the litany of saints. Many people in their excitement declared the earthquake was a punishment for the sins of men who are fighting against their brothers in the European war.

Father Alfani, director of the Pompeli Observatory, says the earthquake appears to have been most disastrous.
