PLAN TO AID FRUIT SELLERS Advisory Board Will Be Suggested at Seattle Marketing Conference.

A definite plan will be presented by the North Pacific Fruit Distributors to the marketing conference to be held in Scattle January 13. This plan is embedied in a resolution which the representatives of the distributors attending that meeting have been directed to offer at that time. The

distributors attending that meeting have been directed to offer at that time. The resolution was prepared and adopted at a meeting of the full executive committies of that organization held in Spokane Wednesday.

After fully considering the subject and the various plans which might be devised to meet the demands of all interested in the fruit industry of the Northwest, the committee decided that a supervising bureau might be established which would serve the desired purpose. The resolution outlines the views of the distributors as to this plan which they would be willing to join in for the purpose of endeavoring to give stability to the fruit market and eliminate needless price cutting.

The board is to be composed of three members not fruitgrowers and is to estab-
