RUSSIANS AND FOES RENEW OFFENSIVES

Germans Begin New Attack in Poland and Czar's Forces Move in Carpathians.

WARSAW AGAIN OBJECTIVE

Invaders in East Prussia Are Extending Their Lines, but Are Driven Out of Positions at Some Points, Says Berlin.

LONDON, Feb. 1.-Renewal of operations in Poland and Galicia are indi-cated in official dispatches which tell of a terrific offensive by Germans be-fore Warsaw and also a violent attack by the Russians west of Lupkow Pass, in the Carpathians

attained at many points.
"New Russian attacks west of Lup-"New Russian attacks west of Lupkow Pass (Carpathians) were repulsed.
We captured five officers, \$300 men, two
cannon and two machine guns in an
engagement on a wooded mountain
ridge.

"Nothing of importance has occurred
in Bukowina. In the southern theater
the situation is unchanged."

An earlier official dispatch from BerHn says:
"On the East Prussian frontier nothing new occurred. To the southwest of
Mlawa, northwest of the River Vistula
(Northern Poland), the Russians were
driven out of some places which they
had occupied the day before.
"On the German front (Central Poland), south of the Vistula, the Germans gained further ground.
"To the south of the Pilica River
(Southern Poland) the German attacks
were renewed."

are located German granaries contain-ing large stores.

by the General Russian Army Staff reported further progress in East Prussia
and desperate fighting on the left bank
of the Vistula. In the region around
Borjimow the Russians have captured
Borjimow the Russians have captured
and for those who limithed the eighth grade Borjimow the Russians have captured a trench tost to the Germans on the preceding day, and were repulsed everywhere except in one of the Russian saps, which the Germans captured. The slatement adds that "In the forest north of Gumbinnen and Pillkallen our troops, continuing the conflict, made progress at some points."

German Works Demolished.

"An examination of prisoners dis-closed the fact that the Germans in their attack of the 28th upon a part of our trenches at Borilmow had emof our trenches at Borlimow had em-ployed four regiments of infantry, some of which were composed of seasoned

COLLEGE MEN TAKE TESTS FOR PLACE AT SAN FRANCISCO FAIR.

Resources and Opportunities for Investment Here.

OREGON AGRICULTURAL COLLEGE, Corvallis, Or., Feb. 1.—(Special.)—In-terest is intense at the Oregon Agricultural College regarding the appoint cultural College regarding the appointment of guides, to serve in the Oregon building at the San Francisco Fair.

Last Friday night more than 100 students took an examination given by the committee in charge, and the announcement of the successful candidates will be mide this week. Lieutenant P. J. Hennesey, Commandant of Cadets, is at the head of the committee.

Applications were filed by nearly 306 students, but the list of eligibles was cut down to 130.

cut down to 120.

Guides will be sent to the fair for period of four weeks. Their duti

period of four weeks. Their duties will consist of the answering of questions which may be asked by visitors the Oregon building. The following list of questions will indicate the range of subjects upon which the college men will be prepared:

1. What are the opportunities for home-steading in Oregon and where is the best acction to go for this purpose?

2. (a) At what prices can good farming land be purchased in different parts of the state? (b) What is the cost of clearing land.

committee be secured regarding educational conditions and advantages in Oregon?

7. Name the six principal geographic sections of Oregons of agriculture are best depted of all Southern Oregon and (b) he Central Oregon Plateau?

2. What relation exists between the mount of capital a man has and the investment he should make in horticulture in

estment he should make he present in there he greatest opportunity in this state?

10. In what lines of horticulture is there he greatest opportunity in this state?

11. Give the annual mineral production of Dregon in round numbers.

12. Name four metals and four non-metallic substances which constitute Oremon's most important mineral resources at the present of t

resent.

13. What are the provisions of the Oregon onstitution regarding the initiative and the effectedum?

14. How are officers nominated in Ore-14. How are officers nominated in Oregon."

15. What conditions prevail in Oregon which make it certain that forestry will always be an important industry in the state?

16. Why is the lumber business, by comparison with other industries especially important to the laboring man?

17. Why is Oregon an attractive field for the manufacturer of wood products?

18. What hreeds of dairy cows predominate in Oregon?

19. How do the prices of dairy products in Oregon compare with those realized in other markets?

20. What are the leading types of dairy manufacturing in different sections of Oregon?

good 21. How does the amount of available water-power in the Columbia Basin compare with the total of such power in the Luited States?

22. What conditions seem to Indicate that an impetus will be given to manufacturing and engineering in Oregon in the near future?

and engineering in Oregon in the hear future?

23. How much money was appropriated
by the Oregon Legislature for the states
exhibit at the Panama-Pacific Exposition?

24. What are the striking features of
the Oregon Building as planned for the
Panama-Pacific Exposition?

25. Describe the aviary and game pavilion erected by Oregon at the fair.

26. Name in order the three leading manufacturing industries of Oregon.

27. Why should the clothing manufacturing industry of Oregon have a rapid increase.

received tonight from Vienna:

"CONTEST" MEN ARRESTED

Walla Walla, and A. C. Cronin at Dallas, Or., was made last week by Sheriff John A. Level, and the men will have to answer to charges of fraud preferred against them as a result of their management of an auto contest for a newspaper in Davenport last Fall.

Miss Maud Barber, one of the contesiants, secured the warrants for the arrest of the men in October, since when a search has been prosecuted for them. She alleges that just before the close of the contest she received a slip from them purporting to be the standmans gained further ground.

"To the south of the Pilica River (Southern Poland) the German attacks were renewed.

Russian military authorities, Petrograd dispatches say, believe von Hindenburg is already developing a general attack along the Warsaw front, by especial stress on the violence with which the Germans are resuming their attacks in the Warsay of the junction of the Baura and Vistula Rivers and further south near Bollmow.

In East Prussia, the Russians are gradually extending their lines northward, the Czar's capital reports. The most recent development is the raid across the frontier north of Tilsit, where are located German granaries contain—

She alleges that junctions close of the contest she received a slip from them purporting to be the standing the close of the contest she received a slip from them purporting to be the standing of the six candidates at that time, and which showed her to be lacking but 3009 votes of first place in a total of several millions of votes. Thus encouraged she placed \$300 cash of her own money toward subscriptions, only to find when the contest closed that she was beaten about two to one. Gordon, when arrested, was managing a similar contest for the Daily Union at Walla Walla, while Cronin was managing a contest in the Oregon town.

SANDY SAWMILL RESUMES

Plant With Big Payroll Opens After Short Layoff.

Lost Treach Retaken.

From the viewpoint of Russian staff officers, however, chief importance still attaches to operations in the Carpathlans. Detached engagements at various points in the mountains, and among the foothills southward, are intended by the Russians to frustrate the evident intention of the Austrians to evident intention of the Austrians to carry the fight to the open plains of the Upper San.

Lost Treach Retaken.

SANDY, Or., Feb. 1.—(Special.)—The Sandy Fir & Lumber Company's saw-mill has commenced operation again after a short layoff. This mill has one of the largest payrolls in this part of the country and it means much to Sandy. With the mills here opening and wood camps running full blast, business men say a prosperous year is the outlook SANDY, Or., Feb. 1.—(Special.)—The GERMANS RENEW ATTACKS Sandy Fir & Lumber Company's sawsay a prosperous year is the outlook for the district.
