

Last Night More of Our Buyers Went to New York!

Many of them left several days ago and are already in the Eastern markets. Those who went last night

Left in a Special "Pullman" Car

Most of our buyers go East several times a year. This is but an example of what we try to do for

the satisfaction of our customers—that of always being in the market on the lookout for new goods, special purchases, etc., so as to get low prices.

The assistants in each department will assume charge while the buyers are away and—

MAN WITH STAMPS HELD
John Pearson May Go to Seattle to Face Robbery Charge.
The attempt of John Pearson, alias Joe Martinez, to purchase an \$8 suit of underwear a few days ago and pay for it with 2-cent stamps resulted in his arrest and that of Charles ("Blackie")

Mueller and Charles Curdes, alleged to have been accomplices with him in the robbery of the postoffice at Adna, Wash., on January 15 of \$703.88 in stamps. Pearson was the only one who demanded a hearing.
The hearing was held before Fred H. Drake, United States Commissioner. Monday and Pearson was bound over to the court and will probably be ordered sent to Seattle, with his alleged companions for trial.

PENNY ARCADE CENSORED
Mayor's Secretary Puts Ban on Pictures and Pennants.
V. Staube, who conducts a bowling alley and penny arcade at 428 Washington street, was ordered to remove several pennants and to disconnect ma-

chines containing pictures found to be objectionable. This action was taken after W. H. Warren, secretary to the Mayor, and Sergeant Wells had visited the place.
Mayor Albee had been informed that objectionable pictures were exhibited to children at the arcade and an investigation under Captain Inskeep's order followed. No arrests were made.

JANUARY RAINFALL LIGHT
Deficiency Since September 1 Now Aggregates 7.13 Inches.
January was marked by the lightest rainfall of any corresponding month since 1908, according to the monthly

summary issued by the United States Weather Bureau, there being 5.88 inches last month, while the normal for January is 6.50. January, 1914, twice as much rain fell as during the month just closed. Deficiency in rainfall for the period from September 1, 1914, so date amounts to 7.13 inches.
As to temperature, January was an average month, mean temperature being 39 degrees, while the normal mean

for the month is 39.1. The highest temperature was recorded on January 26, when the thermometer registered 60 degrees, and the lowest temperature was 26 degrees, on January 25.
There was a trace of snow recorded during the month. There were six clear days, four partly cloudy and 21 cloudy days. On 13 days during the month there was .01 or more inches of rainfall,
