Collections From 236 Persons Are Made, Most of Charges Small.

Two hundred and thirty-six persons Two hundred and thirty-six persons paid their taxes yesterday at the Courthouse and the county coffers were enriched by an additional \$11.851.30 as the result of the second day of the tax collecting season. That is an increase of more than \$3000 over the results of the first day's collecting but a decrease of nearly \$5000 compared with the corresponding day of the season last year. The results of the second day last year were \$17.117.20.

According to Chief Deputy Tax Collector Huckabay the decrease this year

lector Huckabay the decrease this year is due, to a certain extent, to the de-crease in the tax levy. Most of the pay-ments made yesterday were small ones. The largest single payment, \$999.57, was made by F. A. Reisalcher, of Portland Eleven of the 236 were half payments.

The letter used is of a folder type, two inside pages carrying Panama Canal material and the front page being used for the letter. Next month's letter, it is announced, will carry a description of the army of workmen who dug the canal.

### CITY ASKS PART OF COST

O.-W. R. & N. May Help Build Viaduct Over Union-Avenue Extension.

Formal request was made upon of-ficials of the O.-W. R. & N. Company yesterday by City Commissioner Dieck that the company stand a part of the cost of constructing a viaduct over the main line tracks on Union avenue, where an extension is to be made from the present end of Union avenue to the city limits to form an entrance to the interstate bridge. Officials of the company took the proposition under

onsideration. Proceedings are under way for the extension of Union avenue north to a point near where the O.-W. E. & N. tracks cross. Here, it is proposed, a viaduct will eliminate the grade cross-
