Aim is Safety. Mayor Albee says the safety of the fitney is one of the most important considerations in the matter of regula-tion. He says the wording of the tasi-cab ordinance is broad enough to take in the fitneys and he believes the po-lice should enforce to the letter the provision which prohibits the crowding of the machines beyond the seating ca-mentix.

Secretary Lane took the matter up with the director of the Reelamation Service and several days ago the Sec-retary received recommendation in fa-vor of a Central Oregon project and R was suggested to him that an appro-priation be asked for that project. Just which project he selected is not yet known, though probably the Tumalo extension will have preference over others. At any rate Secretary Lane has taken no action on Director Davis' recommendation, but his office today said that "some specific project would In a machine seyond the seating calculation of the later a man of the machine and later a man or several men crowd in. BERRY BOX BILL INDORSED Manufacturers' Association Elects

and Plans Campaign.

<text><text> The Senate bill which provides for the standardization of berry boxes in oregon was indorsed by the Box Manu-factures' Association at its annual meeting Wednesday. A campaign will be undertaken to extend this standard-ization if possible to other Pacific coast states. The movement contem-plates eventually a National standard. Aside from this discussion and the discussion of the need to develop a cheap container to carry the "O grade" of apples, the principal work of the session was routine. Election of officers gave the follow-ing list: Paul Lachmund, of Potlatch, Idaho, president: W.P. O'Brien, of As-toria, vice-president: Vincent Palmer, of La Grande, second vice-president; Leon Stoddard, of Perry, Or., secretary; C. W. Whittlesey, of Portland, treas-urer; E. B. Hazen and F. A. Douty, of Portland, and E. F. C. Van Dissel, of Spokane, directora. The Senate bill which provides for
