of timber later. At a mass meeting held at Gold Reach the plan was discussed and the maximous opinion was that, should the Government advance the money, it should be used in building a wagon road up Rogue River and connect with the wagon road at Galeese and there-by give direct transportation facilities to the Southern Pacific Railway. This it is believed, would mean a great de-velopment to all of Curry County, as the proposed wagon road would extend velopment to all of Corry County, as the proposed waren road would extend through a hitherto undeveloped tim-ber and mineral section. The road, too, would mean a saving to the Postoffice Department, as it now

ass large sums of money to com-ractors to carry mail over nearly im assable mountain trails. If the Regu large sums of money to con passable mountain trails. If the Rome filter road were built, it is pointed out, a saving of many thousands of dollars would be realized every year.
