Premier Says Conquest of Galicia Has Added One Jewel Heretofore Lacking.

ARMY GAINING STRENGTH

Country Declared Not Yet to Have Exerted Itself in Full—Wholesome Effect of Prohibition Is Held Proved.

PETROGRAD, Feb. 10, via London, Feb. 10.—The short session of the Duma opened Tuesday in the presence of the ministers, the members of the Council of the Empire, the diplomatic representatives and a throng that filled the galleries of the chamber. The opening was preceded by an impressive half-hour religious service in the immense foyer of the Duma chamber, in which Cabinet ministers and Duma officials participated.

President Rodzianko in his formal opening address made a complimentary reference to the work of the allies in the war, whereupon the entire body of members rose and faced the box in which sat the Ambassadors of France, Great Britain and Japan, and gave them an ovation, with handclapping and cheering.

Premier Predicts Success. Foreign Minister Sazonoff repeatedly was interrupted by applause during his discourse.

The present sitting of the Duma is a continuation of the adjourned session of last August and therefore there was no election of officers.

Premier Goremeykin, addressing the House, said:

"Now that the successful issue of the war is becoming more than ever apparent, the present confidence of the Russian people in our final triumph is becoming an absolute conviction. The army, notwithstanding all its losses, is stronger than ever. Its exploits and the valuable services rendered by the allies bring ever nearer the desired goal.

The close union of the Russian people brought about by the war has been rendered stronger by the conquest of Galicia, the only jewel hitherto lacking in the imperial crown. No less satisfactory is the fraternal rapprochement between the Russian and Polish peoples.

Slavic Union Is Cemented. The latter have supported without murmur the trials to which they have been subjected and at the same time the Slav tribes are growing closer to one another.

"Since last I addressed you a great event has taken place. Turkey has marched with our enemy, but her resistance already has been shattered by our glorious Caucasian troops, and the radiant future of the Russian empire in the Black Sea beginning to dawn near the walls of Constantinople.

This great epoch gives rise to problems which seemed to be insoluble, but which have proved to be the resources of Russia are inexhaustible. You who have come from your native places know how little the war has injured the domestic economic life of Russia. Our country has not yet exerted its full strength.

There are indications of the wholesome effect of the prohibition of the sale of spirits upon the National life. This war has also raised the question of the emancipation of the industry from the yoke of Germany."

Germany Accused of Intimidation. In a review of the progress of the war M. Sazonoff said the allies' goal was assured. It was useless for Germany and Austria to say they were forced into the war or to repeat the old story that King Edward had sought to surround Germany with enemies, for the agreements entered into or projected by that monarch were fundamentally defensive.

Quite different, continued M. Sazonoff, had been the attitude of Germany, who, despite Russia's efforts to continue her relations of good neighborliness with neighboring countries, especially with Scandinavia, where Germany showed distrust of Russia, with Galicia, where Germany sought to exploit the Ukrainian movement, with Roumania, where the Germans tried to blunt the consciousness of the community of interests between Roumanians and Russians, and with Turkey, where German intrigue had flourished.

In Persia, M. Sazonoff continued, German agents violated the Persian dam agreement and promises given to the Russians and had sought to compromise Anglo-Russian relations. The same intrigues, he added, had been carried out in China and Japan, but, luckily, they had been sterile.

Jewish Pogroms Denied. "All this," M. Sazonoff declared, "was sufficient for us to judge of the value of the German statements regarding the alleged development of Germany by the triple entente. Equally worthless are the assertions that it was not Germany who began the war, for irrefutable documents exist to prove the contrary. Among the malevolent inventions of the reports of the Jewish pogroms which Russian troops are alleged to have organized, I seize this opportunity of speaking in the parliamentary tribune to deny this calumnious category, for if the Jewish persecution in the theater of war is suffering, that is an inevitable evil, since the inhabitants of the regions where the hostilities are proceeding always have been severely treated. Eyewitnesses are unanimous in saying that the greatest devastation has been the work of the Germans and Austrians."

The German Ambassador in Washington zealously spread these reports in an attempt to create in the United States a feeling hostile to us; but the good sense of the American people has prevented them from falling into the clumsy laid trap. We hope the good relations between Russia and the United States will not suffer from these German intrigues."

"EAST LYNN" AT HEILIG Moving Pictures of Famous Story Far More Complete Than Drama.

That old favorite of emotional romantic fiction, "East Lynn," which has had its vogue in novel form, and as a play has been put into motion pictures, and its opening Tuesday at the Heilig for a week-end run was the signal for patrons of the movie and lovers of this famous and romantic old story, to tie themselves for a visit to it in its new dress.

SEATTLE BUS RUNS DOWN BOY AND TURNS TURTLE.

SEATTLE, Wash., Feb. 10.—(Special.)—Seven persons, one a boy 19 years old, were injured, several seriously, when a jitney bus, driven by Ike Perse, carrying six passengers, turned turtle at Twenty-first avenue and East Union street Tuesday afternoon after running down Francis Krueger, son of Robert Krueger, 4919 Courtlandt place. The injured are: Francis Krueger, Meyers Dubbin, Arthur Dubbin, Miss Jessie Rankin, Charles E. Barbeau, Mrs. H. S. Hill and Perse.

In addition to the two Dubbins, Miss Rankin, Barbeau and Mrs. Hill, another man was in the machine, but escaped unharmed and disappeared before his name could be learned. The Krueger boy, who is the most seriously hurt, and the two Dubbins were taken to a hospital, where they regained consciousness. The other passengers were taken to their homes.

The machine was practically demolished. According to G. W. Lund, an eyewitness, the machine was coming towards the city at an excessive rate of speed when it passed Twenty-second avenue. The Krueger boy appeared, crossing East Union street at the Twenty-first avenue intersection. Although the machine was traveling at a high speed, it was not until it struck the lad, hurling him 25 feet.

At the accident the machine continued to zigzag a distance of 40 feet before it tipped over, according to Lund. As it turned turtle the two Dubbins, who were standing on the running board, were caught under the machine.

10000 YOUNG FOLK OF 44 CHURCHES RALLY

Christian Endeavorers Honor 34th Anniversary of Their Organization.

TROPHIES ARE AWARDED

Zion German Congregational Society Wins Cup for Largest Delegation at Westminster Presbyterian Assembly.

A rousing rally of Christian Endeavorers was held in the Westminster Presbyterian Church Tuesday night, when more than 10000 young persons, representing 44 churches, assembled to pay honor to the 34th anniversary of the Christian Endeavor movement. Lloyd R. Carrick, president of the Portland Union, presided.

Great interest was shown in the contest for the silver trophies. After the roll of societies had been called it was found that the Zion German Congregational Society had the largest delegation present, and it was awarded a handsome cup. Honors for 100 per cent attendance of membership fell to the Zion German Congregational Society and to Sellwood Presbyterian societies. All the 30 members of the Millard-avenue Society were present and the Sellwood Society was represented by its entire 13. The Zion German Society had 80 members with a cup Sunday. The First Christian Church Society had 20 members present and the Second United Presbyterian 89. Excellent records were shown by the Second United Presbyterian, Montaville Christian, Roseburg Evangelical, Oakley Green United Evangelical and Gladstone Presbyterian societies.

The Friends Churches sent large delegations. The Lents Society won special recognition for a good showing of members, and Sunnyside Congregational was well represented. Rodney avenue Christian Church had a good-sized delegation, accompanied by a dainty little mascot in the person of Zerkiah McKay. Many of the societies carried handsome banners.

The singing was led by Dr. J. W. McMichael. The address of the evening was delivered by Rev. J. E. Snyder, pastor of Westminster Church. Rev. J. E. Snyder, who gave the address of the evening, spoke on "Sissies and Mollies."

"He is a sissy who hasn't the backbone to stand up for the things that are right, who hasn't the manliness to do the will of God in the face of ridicule," said Mr. Snyder. "Do not take any notice if the crowd is against you, young people. Do not care if you are hailed green because you do not do wrong. Better a thousand times the green leaf than the dead and yellow leaf of a wasted life."

"The girl is a mollie who hasn't the womanliness and the strength to say 'No' to temptation. The Christian Endeavor Society, the church, the country needs young men and women, who have the courage of their convictions. These are the young men and women who are worth while. These are the people who will give to their church, their families, their country, their God, something that will help for the betterment of all humanity."

The denominations represented last night at the rally included Evangelical United Presbyterian, Friends, Christian, Presbyterian, Congregational, United Evangelical, United Brethren and Radical. The guests were received by the Westminster Presbyterian church, the city and the city.

A large number of members announced their intention of attending the state Endeavor convention at Eugene, February 19, 20 and 21. A rally of Junior Endeavorers will be held in Sunnyside Congregational Church Saturday afternoon.

Cliff and Louis Nutweck. C. Peck was ordered held as a witness.

meeting at the Commercial Club today to confirm the action of the members. The annual election by ballot last night was for the selection of five trustees to fill the places of those whose terms had expired, and the following men were elected: C. E. Cook, N. B. Pike, S. L. Schickel, Ester Snedcor and J. L. Wright. The holdover members of the board are D. L. Williams, C. V. Cooper, J. C. English, Fred Spoerl, W. F. Scott and P. E. Moore.

President English, whose term in office expired last night, left immediately after the close of the meeting for a depot to take the train with his wife for San Francisco, whence they will sail on the new H. L. Steamer to Honolulu. The Rotary members dubbed it their "honeymoon trip," and escorted them joyfully to the depot, hurrying after them and making the departure appear like a "sure no-no" bridal tour. Mr. English was presented with a gold watch box bearing the Rotary emblem as a memento from his fellow members of the club, and the presentation C. V. Cooper spoke in terms of highest praise for the effective work that Mr. English has headed in the past few months to relieve the condition of the unemployed.

In his farewell address Mr. English touched upon the benefits that had come about from the organization of the various clubs of the city, and urged that the delegates to the Northwestern Rotary convention in Victoria and other similar organizations and work to arrange for a Northwestern convention in Portland.

TURK AND RUSS BOMBARD

Former Goeben Attacks Yalta; Enemy Retorts on Trebizond.

PETROGRAD, Feb. 10.—The Turkish cruiser Midilli, formerly the German cruiser Goeben, has bombarded Yalta, a port on the Black Sea, in the Crimea.

In response to this attack Russian cruisers went to the Turkish side of the Black Sea and bombarded Trebizond. The text of the announcement conveying this information follows:

"Sentries between Sebastopol and Yalta reported that the Russian fleet fired several shots. Four stores were damaged, but no one was killed or wounded. The vessel then withdrew. In response to this action, Russian cruisers were sent across the Black Sea to Trebizond, which Turkish port they bombarded the same day."

WILLA REFUSES PEACE

MEXICAN GENERAL DENIES PERSONAL AMBITION, DECLARING HE WILL RETIRE WHEN PEACE IS ESTABLISHED.

SAN ANTONIO, Tex., Feb. 10.—Francisco Villa declines to heed the appeal of the Mexican peace conference held here last Saturday. In a reply received tonight by Federico Gamboa, chairman of the committee named by the conference to transmit to the leaders of the warring Mexican factions its resolution asking them to lay down their arms and proclaim peace, Villa bitterly arraigns the men who called the conference and rejects the plan proposed.

Villa signs himself "Chief of Operations." His reply was telegraphed from Pecos, Guanajuato. He says that it would be an excellent idea of yours if it would not conceal an insane ambition and an immediate wish to cause more bloodshed and make the republic poorer.

"In the convention were present the big landowners, who saw in the poor people nothing but slaves to serve them. They are the so-called scientific, who only employ their science in exploiting the men and helping the tyrants. There are the clerics, ambitious and rapacious. There are the professional politicians, only preoccupied to accept a new wage scale, which means a decrease in wages amounting to 14 per cent.

"Other companies having lowered their labor prices," said Superintendent Irwin, of the Canton concern, "we could not compete in the sale of our products without making a corresponding cut in wages." About 1500 employees in the sheet steel industry here have accepted 10 to 14 per cent decreases in wages in the last two weeks.

MAN IN JAIL FORGOTTEN

PAPERS LOST, PRISONER CHARGED WITH MURDER UNKNOWN.

NEW YORK, Feb. 4.—After being forgotten since last July because the papers in his case had been lost and the county officials had changed, Rocco Ruggiero, an Italian, charged with murder, has been taken from the Queens County jail and arraigned before Justice Steuder in the Supreme Court.

In the turmoil of politics and changes of officeholders he was forgotten. It was said, he was unable to speak English, and, since he did not understand "legal" procedure, he took his imprisonment as a matter of course. Several days ago District Attorney O'Leary obtained a list of the prisoners. On the list was Ruggiero's name, but no one was able to tell why he was in jail. Investigation disclosed the fact that the papers had been lost. Counsel was assigned to him and his case will be brought up for trial soon.
