YOUNG PEOPLE OF ST. DAVID'S PARISH TO PRESENT "MRS. BARCLAY'S REBELLION."

The Daughters of St. David's Church will present an amusing farce to-night for the benefit of the church. Mrs. Mabel Butterworth has coached the young people. "Mrs. Barclay's Rebellion" is the play selected to be given in the parish house. The play will be assisted by George Denholm, Clyde Phillips and Ray Frier. At a board meeting of the ladies of the church, it was decided to present to Dr. Mary A. Thompson a life membership, with full privileges. During the social hour Dr. Thompson was honored and was the recipient of a beautiful basket of apples, combined with muttonchop and tied with tulle. Mrs. Frankel, the president, made a gracious address in conferring the honors on the aged clubwoman, who will be 99 years old tomorrow. Assisting in serving ices and teas were: Mrs. M. H. Lamond, social chairman; Mrs. E. G. McAloney, Mrs. Lee Arnett, Mrs. E. H. Hilton, Mrs. E. P. Tegen, Mrs. Charles Steele, Mrs. E. H. Smilton, Mrs. C. M. Hoebler, Mrs. N. I. Carpenter, Mrs. P. E. Those assisting were: Ruby Prosser, Lauretta Blackwell, Frances Degeest and Brenda Hull. Refreshments were served by Marie Briengard, Edna Linden, Evy Allen, Frances Jones, Bessie SteelSmith, Clarence Wicklund, Carl Linstedt, George Vinton, Burton Nelson, Ole Kittleson, Carl Taylor, William Dempsey and Ralph Thayer.

One of the enjoyable social functions of the week was the meeting of Naomi Circle on Wednesday afternoon at the home of Mrs. L. P. Keeler, 1163 East Eighteenth street North. About 25 members and visitors were present. Mrs. Everett G. Baker favored the circle with two choice piano selections and Mrs. E. L. Maddux gave an interesting reading.

The Neighborhood Clubs of the First Congregational Church joined in an all-day meeting in the church parlors last Tuesday. The attendance was large, and much service was accomplished for local charity organizations. Luncheon was served at noon by a committee having the meeting in charge.

This evening at the Art Museum the Chamber Music Concert will call forth a large and appreciative audience. It will begin promptly at 8:30 o'clock and two trios will be given by Mrs. Susie Pennell-Pipes, violinist; Ferdinand Konrad, cellist; and J. Hutchinson, pianist. "Opus 191" (Johannes Brahms) and "Opus 17" (Paul Tausig) are the trios chosen for this evening's event.

On Thursday, February 13, the Women's Missionary circles of the Baptist Churches of Portland will meet in the lecture hall of the White Temple from 2 to 4 in the afternoon, to observe the "Day of Prayer for Missions." A special program has been prepared and Dr. Hixon will speak at the close of the service. All women interested are invited to unite in the keeping of this "Day of Prayer."

FATE OF JITNEY TOPIC

CITY OFFICIALS AND CITIZENS CONFER AT COMMERCIAL CLUB. Effort Made to Arrive at Some Decision as to Regulation That Will Be Fair to All Interests.

Regulation of the jitney bus, so far as possible by the city, with fairness to all concerned, was recommended at a meeting at the Commercial Club yesterday, at which all of the commercial organizations, as well as the leading newspapers of the city, were represented. C. C. Colt, president of the Commercial Club, presided and nearly every man present expressed himself. All declared the gravity of the situation and the difficulties that confronted the City Commission in working out an equitable solution of the problem. Mayor Albee and the members of the Commission expressed their desire to bring about some solution and asked for general expressions of opinion. F. T. Griffith, president and F. W. Hill, manager, of the Portland Railway, Light & Power Company, declared there was no disposition on the part of the traction company to put the autobus out of service, but that they merely sought to have some system of regulation that would provide fair competition. Mayor Albee said that the Commission was eager to receive thoughtful suggestions from all citizens as to a fair and effective system of regulating the service. Those present at the meeting were: C. C. Colt, Mayor Albee, D. A. Pattulo, George L. Baker, J. E. Werlein, C. F. Berg, A. G. Pike, E. L. Smith, W. H. Kelly, A. L. Veale, W. J. Hoffmann, J. C. Ainsworth, E. C. Giltner, M. Moseleh, J. F. Jelly Roll Recipe
Only Two Eggs Required
By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine

This Jelly Roll is fast becoming very popular on account of the way it keeps fresh. With proper handling it should last a whole week, providing it isn't eaten up in the meantime, for it is every bit as good as it looks.

Hot milk used in the jelly roll enables it to be rolled without danger of cracking. Have the milk scalding hot, also be careful to have the eggs and sugar beaten together until very light and creamy. Bake in a moderate oven.
