GERMANS BEGIN TO ADVANCE IN ALSAGE

Two Columns Moving Along River Lauch Encounter Ski Patrol of French.

RHEIMS IS UNDER FIRE

Abgagement in Progress Near Pont a-Monsson-Artillery Duels Continue in Belgium -- Snow Storm Raging in Vosges.

PARIS. Feb. 14.—Refugees who have PARIS. Feb. 14.—Refugees who have been expelled from Alsace-Lorraine declare that the Germans are making effraordinary preparations to resume the offensive in that region. The official war office reports today speak particularly of a strong offensive movement by the Germans through the valley of the Lauch, where advance entroses have been engaged and where the march of the invaders has been delayed by the French ski patrois. An engagement near Pont-a-Mousson, in Lorraine, also is reported. Otherwise there have been minor attacks and counter attacks and some artillery engagements. The official war office registers.

counter attacks and some attacky engagements. The official war office report, issued this afternoon, said:
"In Belgium, the bombardment of
Nieuport-les-Banes, of our trenches in
the dures and of the city of Ypres
continued. Our artillery delivered a
counter bombardment of the enemy's
batteries.

Rheims Again Under Fire. From the Lys to the Aisne there were intermittent cannonades. Near Noulette a detachment of the enemy which attempted to advance on our which attempted to advance on our trenches was stopped short by the fire

of our infantry.

'In Champagne there has been intense activity on our front before Rheims. The city has been again bombarded. Our fire on the German trenches appears to have accomplished good results.

good results.

From the Argonne to the Moselle the day was calm.

In Lorraine German forces moved against those of our advanced elements, which occupy the signal station of which occupy the signal station of Xon, northeast of Pont-a-Mousson. The results of the battle are not yet known. In Alsace the enemy has taken the offensive through the valley of the Eauch, with two columns advancing along the north and south banks of

so will the heart respond. No woman can be at her best where the atmosphere is icy. She knows that the human heart is a thermometer and is influenced by cozy surroundings - for warmth induces comfort and

As the comfort of the home is,

comfort is the basis of all human happiness. The one method of unfailingly producing genial,

wholesome warmth that radiates, with gentle glow, through every room alike, is by an outfit of

Warm vs. cold courtships?

BOILERS

After the fuel savings have soon repaid the original cost of putting in an IDEAL SMOKELESS Boiler and AMERICAN Radiators, the outfit goes on saving money for you as long as your building

lasts. Besides, there are other important advantages: this ideal

heating does away with dust and grime, coal gases and soot, stops scuttle lugging, blackening, storing, annual repairs, etc. This heating protects the family health by wholesome, purely warmed air-not burned-out air

which has been robbed of its oxygen by coming in contact with red hot surfaces of old fashioned heating methods. Then, too, IDEAL SMOKELESS Boilers and AMERICAN Radiators are prime favorites with women because they take cleaning drudgery off her overburdened shoulders, save the furnishings, save time and temper, and do away with the ills and the bills of old fashioned heating devices.

Buildings thus outfitted sell quicker and you get full money back for the outfit, or 10% to 15% higher rental, or obtain a larger loan from the banker on property thus modernized. Can you think of a better investment?

Whether your house is old or new, farm or city, let us help you to avoid the cheerless home that is so largely responsible for matrimonial discords. Write us today if you have any heating troubles, or if you are planning a new home or other building; our booklets (mailed free) and special information will be worth your while—put you under no obligation to buy. Act now while iron prices are ruling the lowest in 10 years and you can get the services of the most skillful fitters. Call, phone or write today!

Proved unfailing after three years test in homes, churches, schools, stores, etc. Ask for catalog (free).

The first reliable improvement of our times for dustless, complete cleaning of rooms, furnishings, etc. Sits in basement or side-room; cleans through simple iron pipe, running to each floor. Easily put in old buildings.

No exclusive agents Sold by all dealers.
