CHINESE FINED FOR OPIUM POSSES. sion.—Chin Chong, a Chinese, entered a plea of guilty in Federal Court yesterday to the charge of having opium in his possession and was

ABSENCE FROM WORK AT MILL IS CLUE DETECTIVES USE.

Hands of Accused Are Bandaged and Show Effects of Phosphorus That It Is Said Started Binzes.

When Thomas Pattison failed to report for work Wednesday at the Univestigating the causes of the fire at the plant Tuesday night became suspicious. A call on Pattison at his home in Uni-versity Park revealed his hands heavily bandaged. An investigation showed that they had been burned severely by liquid

answer to the charge of arson. Late Hugh Priest also was taken into cus-tody. His hands also showed the effects of liquid phosphorus.

Both deny all, knowledge of the crime. The fire is thought to have been an expression of dissatisfaction. The mill, which is owned by the L. B. Menefee Lumber Company, opened February I with a reduced wage scale. The union men declared a strike, which was settled about 10 days ago, according to reports.

H. Minkowitz, night watchman at

the mill, first discovered the fire. declares that it broke out in about five different places almost simultaneously. He succeeded in putting it out, however, before any great damage wa

P. Olson and J. Clifford, two members of the strike committee of Shingle Weavers' Union, Local No. 38, declare that the two men under arrest are in no way connected with the union, but that they are strikbreakers, imported by the company from Port Angeles. Wash. According to word from Port Angeles Priest has a wife and seven children in that town and Pattison has a wife and two children.
