BEAVERS WILL EAT ONLY TWICE DAILY

McCredie, at Fresno, Also Announces There'll Be One Daily Practice Period.

CARFARE WILL BE SAVED

Hike to Park and Back Is on Schedule—Derrick Agrees to Terms and New Candidate Is Found to Succeed Murray.

FRESNO, Cal., March 1.—(Special.)—Walt McCredie, manager of the Portland Beavers, arrived in Fresno this morning from Los Angeles, a day ahead of schedule, and immediately pulled the cap off of a new training idea, which he will inflict on his champions Wednesday morning, when actual training will begin. McCredie went to Los Angeles in search of a catcher and came back assured of a second string man.

McCredie's new training idea is a good one from the financial viewpoint, but it will be hard on those few young boys who have been used to ham and eggs three or four times a day. The manager says that during the training season his men will eat only two meals a day. In addition to this, there will be only one period of practice, the length of which will make up for both the morning and afternoon workout. As a means of getting them into condition, it was decided to allow the boys the privilege of saving carfare and thus improving their wind and stamina.

McCredie Hikes It in 50 Minutes.

A walk to and from Recreation Park, a distance of three miles, each day provides leg exercise. McCredie will round his men out of bed at 9 o'clock in the morning and will have them in uniform by 10 o'clock. A walk to the ball park will follow and the players will be put over the route until 2:30 o'clock, when practice for the day will be called off. As a preliminary, McCredie hiked out to the park this morning, covering the distance in 50 minutes.

Rains have made the ground rather slushy, and unless the sun comes out good and strong tomorrow the club may not get to work the next day as planned.

McCredie received the good news in Los Angeles that Derrick had agreed to terms and would start for California today. No contract has been signed, but this will be accomplished as soon as he reaches the training camp, which will be about Thursday.

Portland Party Due Tonight.

The five men coming from Portland will stop at the Exposition tomorrow morning and will arrive here at midnight.

Four players from near Atlanta, Ga., including Derrick, started for California today. The other three are Reed, Murphy and Kircher. Stump has left Baltimore; Bobby Davis has boarded the train at Auburn, N. Y., and Lush is coming from Williamsport, Pa.

Murray, the young San Francisco catcher, is out of the game, at least for the season, and probably permanently. An abscess on his eye, it is feared, will affect his sight permanently.

McCredie's visit to Los Angeles in search of a catcher brought to the front a new candidate, Jack Brassler, who has been warming up pitchers for the Angels. He is a promising youth and wants to go to Portland. Mack also intimated that Bobby Davis might be transferred to the position behind the bat, if circumstances made the change appear advisable. McCredie has been dickering with the Cleveland club and expressed confidence that he would be able to procure a competent man to relieve Gus Fisher.

Fifteen Games Scheduled.

Fifteen practice games with fast teams have been scheduled and these will be sufficient to get the club in shape. Negotiations for a game with the Chinese University have been called off. McCredie will make no barnstorming trips during the training season, other than one or two games in Valley towns with the Chicago Colored Giants. The first practice game will be played next Saturday and Sunday with St. Marys.

When practice work once starts, the team will be kept constantly at work so that the players will be ripe when the season opens.

McCredie will break camp Sunday night, March 28, and will go to Los Angeles, where the club will open the season. Monday will be spent in familiarizing the players with the Los Angeles grounds.

SEALS CALL JONES MARVEL

Camp Gossip Buzzes With Stories of Feats Third Sacker Will Do.

BOYES SPRINGS, Cal., March 1.—(Special.)—For those of the Seals who were in the thick of the battle Sunday at Watsonville a day of rest was granted by Wolverton today. Only the stay-at-homes were called on to practice. Bill Leard and Louis Sepulveda, who might have been idling with the rest of their fellows, elected to don uniforms and join the ballground squad.

There was fungo hitting for the outfield delegation, a general round of batting and then some stiff infield work. Camp gossip is buzzing with stories of the marvelous feats Bobbie Jones is going to pull off around third base. Even Duffy Lewis said there was reason for feeling excited.

"I was batting the ball around the diamond Sunday," said Duffy, "and Jones was taking things so easily in making his stops that I slammed the pill at him just as hard as I could and it never feazed him. He went through the entire afternoon without a bobble. I don't know what he can do with the stick, but when it comes to fielding I'll have to take my hat off to him."

SALT LAKE COASTERS WIN

Ex-Union Association Men in Squad Blanked in Practice Game.

SAN JOSE, Cal., March 1.—(Special.)—A lively practice game was played this afternoon at Luna Park between a team selected from former Union Association players in Blankenship's training camp and a second team of Coast Leaguers. The contest continued through nine innings and the Coasters won by a score of 3 to 0.

Eastley, Hall and Arellanes, the latter being borrowed by the Unions, swirled for the Union Association and Hannah caught. J. Williams and Kremer pitched for the Coast Leaguers and Rohrer was behind the bat. The teams were evenly matched and no runs were made outside of the three innings that Arellanes was in the box.

McCreery was to have pitched for the Unions, but it was decided that he should not take a chance with a slight soreness that has developed in his salary arm.

The morning was given over to hitting practice. Tonight Blankenship was much pleased with the enthusiasm being thrown into the game by all of the players.

Pitcher Laroy is expected to report tomorrow from Indianapolis. Yingling still is silent.

LITSCHI, OF OAKS, IS HURT

Accident in Training Camp Game Results in Painful Injuries.

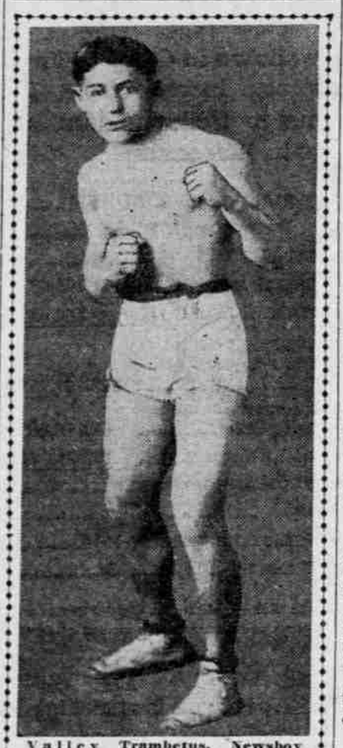
PLEASANTON, Cal., March 1.—(Special.)—Some of the new men the Oakland team is trying out as pitchers are showing up fine. The squad is making good progress toward rounding into shape, and from now on one hour a day will be devoted to practicing sliding to bases.

The usual seven-inning game was played this afternoon, with the regulars again defeating the Yannigans 5 to 0.

Rube Gardiner continues to set the pace in hitting, and appears sure to make some one hustle for a regular berth.

Louie Litschi was painfully hurt in the game when he and Catcher Drolette ran together in going after a fly ball. Litschi was hit in the face, and it was feared for a while that his jaw was dislocated.

Wednesday afternoon the Oaks will have their first real test of the season, when they will meet the University of California team here.



Valley Trambetus, Newsboy Champion, to Appear at Kenton Smoker.

JITNEY ON KENTON CARD

ADVENT OF BUS AT SMOKER IS PLAN FOR TOMORROW NIGHT.

Valley Trambetus to Clash With Yost Schmeer — In Big Event of Seven-Bout Programme.

Jitney buses will be on the job to convey the boxing fans to and from the Kenton Club smoker tomorrow night if the club officials can arrange with the Auto Transit people. The club is located on Patton avenue, one block north of the Kenton carline.

Seven bouts are promised on the big card. Valley Trambetus, the clever newsboy 140-pounder, and Yost Schmeer, the former Multnomah Club mit artist, will furnish the main event. Dave Wheeles and Harry Mahoney will appear in the semi-windup at 145 pounds.

The rules under which the bouts will be held are practically the same as have governed the last two smokers. The bouts will be of four rounds' duration, with the referee awarding the decisions. Jack Helser will be third man in the ring. The bouts start at 8:30. The card reads:

95 pounds—Sammy Gordon vs. Alex Trambetus.

115 pounds—Murphy vs. Swanson.

120 pounds—Lyle Frisbee vs. Chet Taylor.

135 pounds—Andy Johnson vs. George Bender.

158 pounds—"Tracey" Robertson vs. Sommers.

145 pounds—Dave Wheeles vs. Harry Mahoney.

140 pounds—Valley Trambetus vs. Yost Schmeer.

TIGERS ARRIVE AT SAN DIEGO

Hap Hogan's Squad to Train on Diamond at Exposition.

SAN DIEGO, Cal., March 1.—Led by "Hap" Hogan, the Venice Tigers, of the Pacific Coast League, arrived this afternoon for their Spring training. There are 18 players in the party.

The opening of the team's training season is scheduled for tomorrow morning, when they will take the kinks out of their arms on a diamond in the Panama-California Exposition grounds.

The Indianapolis team of the American Association is due here Thursday for its Spring training.

LOS ANGELES, March 1.—(Special.)—Hap Hogan and his band, including Kane, Carlisle, Decannier and Doc White, who did not report at the Maier ranch, left for San Diego this morning for their real Spring training work. Hogan took 22 men along.

China's new mines are exporting about five tons of tungsten each month to Japan, at about $400 a ton.

POP DILLON "HEP" TO HIS LINEUP NOW

Los Angeles Leader Admits He Can't Get Along Without Meek.

TRIO BACKSTOP PICKED

Infield Yet Seems to Be Only Unknown Quantity—Matt Hynes Is One of New Pitchers Being Tried Out by Dillon.

BY ROSCOE FAWCETT.

"Pop" Dillon comes closer to knowing where he stands than any other manager in the Pacific Coast League. Los Angeles will open with two new infielders—McMullin of Tacoma at second, and Buemilier of Louisville at short—otherwise the regular squad will be acquainted thoroughly with "Pop" and "Pop" will be fully "hep" to the vagaries and idiosyncracies of his various hirelings.

So it's pretty soft for "Silver Top."

Dillon has four catchers, nine pitchers, six infielders and six outfielders from whom to choose a team, whereas some of his rivals have a German army corps eating on the house. And only four of the lot are bushers or of questionable quality. These are the Indian pitcher, Galt, Horstman and Sharon and Alexander.

Dutch May Go Back North.

Dutch Hoffman, utility backstop, likely will have to go back to the Northwest League, as Manager Dillon already has announced his catching staff as Boles, Brooks and Meek.

"I can't afford to let Meek go," said Dillon the other day. "With Charley Moore gone I will need Meek for his hitting strength. He batted over .300 last year and won a lot of games."

So, from surface indications and, begging the usual dopester's license, the 1915 Angelic lineup would seem to be developing as follows:

Lineup Is Strong.

Catchers—Brooks, Boles and Meek.
Pitchers — Hughes, Ryan, Perritt, Lover, Chech and one other.
First base—Abstein.
Second base—McMullin.
Shortstop—Buemiller.
Third base—Metzger.
Utility infielder—Terry.
Left field—Ellis.
Center field—Maggert.
Right field—Wolter.
Utility outfielder—Meusel.

This reveals a somewhat mildewed assortment of tossers, but Dillon goes in strong for veterans, just as does his colleague, Happy Hogan. His pitching staff looks good and, unless Father Time begins swishing his scythe around with reckless abandon, the old-time flingers ought to come through again for Pop.

Matt Hynes is one of the new pitchers being tried out by Dillon. Unless Hynes has improved by his year's idleness he will not raise the standard much. Galt and Horstman are showing a lot in camp.

Infield Yet In Question.

Whether or not Dillon has strengthened his infield is debatable—yes, indeed, highly debatable. Young McMullin of Tacoma hit .293 last season and ought to be more valuable than Page, even though out of position at second. Buemiller, at short, will not fill Johnson's shoes, however, unless a few of the wiseacres are mistaken.

Here are the 1914 records of the Buemiller person and of his Federal League clodhopping predecessor:

Batting.

	G.	R.	H.	SH.	SB.	P.C.
Buemiller	130	86	108	16	9	.238
Johnson	165	78	168	27	37	.289

Fielding.

	G.	P.O.	A.	E.	P.C.
Buemiller	130	255	397	46	.934
Johnson	165	386	537	50	.949

The Louisville acquisition looms superior only in run-getting. In other departments the Chicago Swede has it on him. Johnson averaged 5.6 fielding chances per game to an even 5 for Buemiller. He hit stronger and ran the sacks with considerable more speed and acumen.

This means that the Angelic band is complete with the exception of one more pitcher.

FAIR HARNESS RACES FIXED

Secretary at Walla Walla Announces Early Closing Events.

WALLA WALLA, Wash., March 1.—(Special.)—The early closing harness races for the fair were announced Saturday by Secretary Johnson. The closing date is May 15. The events are:

Monday, September 13—2:25 trot, old-plan racing, $750 purse; 2:18 pace, every heat a race, $750 purse.

Tuesday, September 14 (special)—2:20 trot, every heat a race, $750 purse; 2:25 pace, old-plan racing, $750 purse.

Wednesday, September 15—2:15 trot, old-plan racing, $750 purse; 2:11 pace, every heat a race, $750 purse; three-minute road race, three-heat plan, $150 purse.

In the road race heats will be half a mile. The event will be open to horses from Columbia, Umatilla and Walla Walla counties.

The relay race for $1000 will extend over six days.

There will be three or more running races each day.

KRUSE WINS BOWLING TITLE

Average of 198.9 Made in 12 Games With Meek and Meyers.

Charles Kruse was returned the victor Sunday night in a match game rolled on the Oregon alleys to settle the supremacy of the city between Kruse, Harry Meek and Al Meyers. He defeated his nearest competitor, Meek, by 124 pins. Meyers had an off night. The match was watched by a large gallery.

The scores:

"Dad" Meek—178, 190, 225, 178, 171, 186, 192, 170, 181, 172, 188, 211; total, 2261; average, 188.5. Al Meyers—157, 142, 171, 160, 194, 166, 175, 181, 183, 160, 203, 191; total, 2083; average, 173.7. Charles Kruse—191, 190, 219, 201, 208, 184, 178, 170, 180, 209, 218, 237; total, 2385; average, 198.9.

	Strikes.	Spares.	Splits.	Errors.
Meek	34	67	14	3
Meyers	37	62	16	13
Kruse	53	59	11	5

PAPER CHASE ENTRY LIST BIG

Joseph Cronin and Walter Gruetter to Lead Hunt Club Saturday.

More enthusiasm than usually attends the regular Saturday paper chase of the Portland Hunt Club, is being manifested in the closed chase for next Saturday. A strong entry list already has been made.

The hares for the occasion will be Joseph Cronin and Walter Gruetter. It is said they have planned a course that will make the riders look to their laurels. The start, as usual will be made near the clubhouse at Garden Home. The finishing point is being kept a deep secret although the hares have promised to show the riders some new scenery. A number of women have signified their intentions of joining in the chase.

Some of the men who intend to start are: William Walter, Dr. J. M. Coghlan, Matt McDougall, Chester G. Murphy, Walter Gruetter, Eugene K. Oppenheimer, Howard Charlton, Harry Kerron and Sheldon Volkman.

A. M. Cronin is busy arraging a special chase for the women members of the club for this month and is endeavoring to have a special trophy put up.

Saturday's chase will start from the clubhouse at 2 o'clock.

CITY LEAGUE TO USE PARK

Deal Closed With Coasters for Each Sunday Team Is Absent.

After a conference yesterday with W. W. McCredie, president of the Portland Beavers; M. R. Whitehead, of the Portland City League, announced that the leage had closed with the Coasters for the use of Recreation Park for every Sunday the team was away until the middle of October. As the Beavers will be away Labor day, this date also was secured.

This gives the City Leagues a chance to initiate the new pay-as-you-enter gates established at the ball park, on their opening day, Sunday March 28.

A meeting of the league officials will be held Friday night in the offices of Vice-President Henry S. Westbrook in the Journal building.

Secretary Harry Grayson is still puzzling over the schedule, and it is expected that he will report on his progress at the meeting. Among other things, the officials will settle the matter of the player limit rule.

FEDS TO BUILD NEWARK PARK

Gilmore Says Another Club Will Be Shifted to New York in 1916.

ST. LOUIS, March 1.—The Federal League will build a permanent ball park in Newark, N. J., and has no intention of transferring the Newark club to New York, according to a statement here today by President Gilmore.

Another club may be transferred to New York next year, he said.

LITTLE CHAMPIONS MATCHED

Kilbane, Featherweight, and Williams, Bantamweight, to Meet.

PHILADELPHIA, March 1.—Johnny Kilbane, featherweight champion, and "Kid" Williams, bantamweight champion, will fight six rounds here the nigth of March 17, it is announced here.

They will make 122 pounds ringside, and each will receive $3500 or the privilege of 35 per cent of the gate receipts.

Atlantic League Disbands.

NEW YORK, March 1.—The Atlantic League of Baseball Clubs has disbanded, it was officially announced here tonight. Losses last season were so heavy, it was said, that another effort this year seemed inadvisable. The league comprised clubs at Perth Amboy, Long Branch, Asbury Park, Paterson, Poughkeepsie, Newburgh, Middletown and Danbury.

Chicago Cubs in Camp.

TAMPA, Fla., March 1.—Twenty members of the Chicago Nationals began today their Spring training here. Other players are expected late today. The Cubs will meet the Philadelphia Nationals at St. Petersburg March 8 in their first practice game of the season.

Bits of Sport.

EXCUSES of all descriptions are given by ball players for the failure to report on time, but it was up to Pat Phillips to be original. He sent word to D. E. Dugdale, of the Seattle ball club, that he would like to be let off from regular reporting time because he has to mind the baby. Pat is the father of a newly-born babe and the doctor said he should not leave his wife until after the first call for reporting. He left the doctor's advice up to Dugdale and the Seattle magnate telegraphed him to remain with his family until April.

* * *

W. C. McCorry, formerly of the Spokane and Portland ball clubs of the Northwestern League, is looking for a job because Seattle signed up Bocock in his stead. McCorry is now living in Rathdrum, Idaho, and should have little trouble hooking on with a squad.

* * *

Karl King and Henry Peterson, both of Portland, have been taken aboard by Tacoma. King was playing manager of the Baker team and Peterson was one of the mainstay pitchers of the Western Tri-State League.

* * *

No longer will the sponge be recognized as a flag of distress in the roped arena in Wisconsin. The Boxing Commission of that state recently came out with a set of rules for the referee, which are to be enforced rigidly. More careful watch will be made over the bouts staged at Kenosha.

* * *

Trap shooting is beginning to come into its own and many of the leading gun clubs of the country are going to hold prize tournaments. Even the Portland Gun Club is coming in for a share of the honor among the Northwest nimrods. President Everding and Manager Matthews, of the Portland Gun Club, are doing great things to make the Fred Gilbert trophy tourney a big affair.

* * *

Willie Ritchie has made a kick about Billy Roche acting as referee for the Ritchie-Welsh bout next week. Jimmy Johnston, matchmaker for the Madison Square Garden Club, declared that if Willie didn't like Roche as the third man in the ring, he could go elsewhere to fight.

* * *

At the recent Multnomah Club annual Washington's birthday swim, held at Seaside last week, Norman Ross, holder of several Pacific Coast swimming records, broke the tank record at the Moore Natatorium. Ross went 100 yards in 62 seconds on his first attempt and then turned around and broke his own record with a mark of 61 1-5. The former mark was 63 1-5, made last season.

FEDERAL AID GIVEN BIOLOGICAL SURVEY

Complete Co-operation With State and College Forces Is Announced.

$5000 IS APPROPRIATED

Game Commission to Add About $10,000 and University $3000 to Fund to Carry On State Search for Rare Specimens.

EUGENE, Or., March 1.—(Special.)—Announcement of Federal aid, and the first complete co-operation of Federal, state and collegiate biologists, to make possible the completion of the biological survey of Oregon was made today by William L. Finley, State Game Warden. The United States Senate is reported to have appropriated $5000 in addition to the agricultural bill, to carry on this work. This will be added to $3000 or $10,000 to be given by the State Game Commission, and $2000 appropriated by the University of Oregon.

Mr. Finley also announces the personal assistance of Federal biologists from Washington, D. C. Among these are E. W. Nelson, in charge of the biological investigations of the Department of Agriculture; H. W. Hinshaw, chief of the Federal Biological Service; H. R. Fisher, in charge of the Economic Investigation Department, and Vernon Bailey, of the Biological Department.

Co-operative Aid Is Extended.

"Last year we had some co-operation," said Mr. Finley, "but this year we have brought together for the first time all the scientific men in the State of Oregon. In addition to A. C. Sheldon, of the University of Oregon, and Stanley G. Jewett, we have the assistance of Dr. Bovard and Professor Sweetzer, of the university; Professor Peck, of Willamette University, and members of the faculty at Oregon Agricultural College and at Reed College.

"This means that we shall push to completion the first natural history of the State of Oregon from the standpoint of the state. We hope that some one will donate sufficient money for the construction of an Oregon museum. Until then the collections will remain separated, though the University of Oregon will care for much in its museum."

Survey Goes East From Eugene.

The biological survey was commenced last year at Eugene and the entire state is being covered systematically. From Eugene the survey has extended east to the headwaters of the McKenzie and north along the Deschutes to the Columbia.

This year the survey will extend south from Eugene through the Coast Range and especially in Curry and Coos counties. To cover the whole state, according to Mr. Finley, will take two years.

The survey is for such rare specimens as the recently discovered lemming. State and Federal naturalists have reason to believe that many may be found in Oregon, which, it is said, is virtually unexplored from a naturalist's standpoint. Many animals have been allowed to become extinct without leaving to the world a single specimen.

For instance, there is no specimen of the mountain sheep once found in Steins Mountains in Southeastern Oregon. The Smithsonian Institute has no specimen of the Oregon wolf. There is no museum in the world with a specimen of the white tail deer, once found in the Willamette Valley. Two specimens were found recently near Roseburg.

MASSACHUSETTS GOLFER WINS

Close Scores Made in Open Medal Play Match at Santa Barbara.

SANTA BARBARA, Cal., March 1.—(Special.)—With club professionals from various parts of the country entered for the week's events, today's programme of the golf tournament of the Santa Barbara Country Club was played through despite showers in the afternoon. Mike Brady of the Wollaston Club, of Massachusetts, won the opening event, the open medal play match. Charles Adams, the local professional, was second, Gilbert Nichols, of Wilmington, Del., third, and George Martin, of Los Angeles, fourth. The low score was 156 and all the four leaders were within a point of each other. Martin and Adams tied for the best 18 in 75 and Adams was two strokes up on Brady, but Brady finished the last three holes in a total of nine strokes.

A high wind all day made low scores difficult. Two Northern California players are entered in events of the week, Fred Reilly, of San Francisco, and Jack Neville, of Claremont.

CLUB BACKS MR. CULLISON

Gun Association Indorses Trigger Expert for State Game Warden.

Jack Cullison, well-known trigger expert, gained a length on the field of candidates for the office of State Game Warden last night. At an extraordinary session in room 209 in the Imperial Hotel the members of the Portland Gun Club voted an enthusiastic indorsement for Mr. Cullison.

As a clincher, A. W. Strowger, presiding officer, named a committee to buzz into Governor Withycombe's executive ear in favor of Mr. Cullison. This committee includes: W. C. Bristol, chairman; H. L. Corbett, Julius Meier, Henry W. Metzger, William Fechheimer, William Lipman.

Indications are said to be that William L. Finley, present Game Warden, will be placed in charge of the biological department.

ANGEL-WHITE SOX GAME SET

Dillon Gets Brooks Contract, Leaving Only Two Angels Unsigned.

LOS ANGELES, March 1.—(Special.)—Because of wet grounds today's practice for the Angels did not start until this afternoon.

Catcher Brooks sent in his signed contract in the course of the day, leaving only Hughes and Woollers unsigned. Dillon says he is not fretting about either one and expects their contracts soon. Aside from these two and Meek and Bumiller, who will be here Saturday, all the Angel's are on deck.

Arrangements for games with the White Sox were completed, the first game to take place Thursday.

Band Is Organized at Cornelius.

CORNELIUS, Or., March 1.—(Special.)—A band of about 30 pieces has been organized here. The band will meet Wednesday night for an assignment of parts. The City Hall, lately furnished with lights, heat and chairs, has been offered as a meeting place,

THE ADMIRAL GETS AID FROM THE GOOD JUDGE

IF you want the cool, crisp-flavored chew—try "Right-Cut," *the Real Tobacco Chew.* The flavor is there and you get it steady, like you want it.

Gives you the tobacco satisfaction you are after and it lasts you longer.

Sappy, mellow tobacco—seasoned and sweetened just enough.

Take a very small chew—less than one-quarter the old size. It will be more satisfying than a mouthful of ordinary tobacco. Just nibble on it until you find the strength chew that suits you. Tuck it away. Then let it rest. See how easily and evenly the real tobacco taste comes, how it satisfies without grinding, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is *The Real Tobacco Chew.* That's why it costs less in the end.

It is a ready chew, cut fine and short shred so that you won't have to grind on it with your teeth. Grinding on ordinary candied tobacco makes you spit too much.

The taste of pure, rich tobacco does not need to be covered up with molasses and licorice. Notice how the salt brings out the rich tobacco taste in "Right-Cut."

One small chew takes the place of two big chews of the old kind.

OREGON AGGIES WIN

Washington State Eliminated From Race for Title.

SIEBERTS IN GREAT FORM

Dewey Shares Honors by Scoring 2 Field Goals and 8 Fouls—Hope for Victory Over Oregon Is High, Due to Result.

Northwestern Conference Basketball.

	W.	L.	Pct.		W.	L.	Pct.
Washington	11	1	.916	Idaho	5	9	.357
Wash. State	9	2	.818	Oregon	3	7	.300
Whitman	5	4	.428	Oregon Aggies	1	9	.100

Coming Games.

Tonight—Washington State vs. University of Oregon, at Eugene.

OREGON AGRICULTURAL COLLEGE, Corvallis, Mar. 1. — (Special.) — Washington State was eliminated from the Northwest Conference basketball championship here tonight, when the Oregon Aggies trounced its team, 32 to 20, and won their first victory of the season.

Ade Sieberts played in great form for the Oregon Aggies, playing his best game of the season. He shared honors with "Admiral" Dewey, who put over two field goals and scored eight fouls out of 12 chances. Dewey guarded Anderson, one of the best offensive players in the conference, and held him to a lone field basket.

The game started out slowly and the first half ended 17 to 12, with the Oregon Aggies on the long end. In the second half, however, both teams pulled themselves together and put up fine exhibitions.

Captain Billie King was kept on the bench by Coach Stewart, of the Oregon Aggies. Dr. Stewart figured that King needed a rest to be in trim for Friday's game with the University of Oregon.

Only a small crowd turned out. Basketball stock at the Agricultural College has taken a leap skyward as a result of the victory. Hopes are high that the locals will defeat the State University.

The lineups tonight follow:

Oreg. Aggies (32).		Wash. State (20).
Phillips (6)	F	(2) Hildebrand
Sieberts (12)	F	(2) Anderson
Bissg (2)	C	(0) Plover
Mix (0)	G	(16) Bohler
Dewey (12)	G	(0) Moss

Dean Walker, referee.
Substitutions—Aggies, Ray for Phillips; Washington State, Sorenson for Hildebrand.

McMullen and Hoffman played in the Northwestern League last year, Meusel cavorted in the New York State, and Beumiller was with Louisville in the American Association. Ulyne is the tall right-hander who was with Portland a couple of years ago. McCredie drafted him from London, of the Canadian League.
