CARDINAL GIBBONS SIGNER

Andrew Carnegie's Union Urges That Partisanship Be Discouraged and Protests Against Agitation for Increased Armaments.

NEW YORK, March 2 .- (Special.)-The Church Peace Union, founded year ago by Andrew Carnegie, through its secretary, the Rev. Frederick Lynch. made public here today a message which the union has addressed to "the churches and clergy of America," cautioning ministers and church people against partisanship in discussing the European war, and protesting against the present agitation for increased armaments. This is said to be the first time in church history that Catholics

and Protestants have joined in signing common letter addressed to the a common letter addressed to the churches. The Peace Union's letter is signed by Cardinal Gibbons of Baltimore, and Archbishop Glennon, of St. Louis. The president of the union is the Right Rev. David H. Greer, Protestant Episcopal Bishop of New York. At the first of the Church Peace Union on February 10, 1914, it was announced that Mr. Carnegie had made it an endowment of \$2,000,000, its aim being the furtherance of the cause of international peace through the united afforts of all religious bodies. Twenty-nine prominent clergymen and churchmen representing all denominaefforts of all religious bodies. Twenty-nine prominent clergymen and churchmen, representing all denominations, including Jewish organizations, were appointed trustees. It is these men who have signed the message in question. Following are nome of the striking paragraphs in the message:

"Partisanship is adding fuel to fires of passion which already are too hot. Clergymen should allay prejudice, not intensify it. Each of the warring nations believes in the justice of its cause. Their disputes are of long standing, involve all the governments
