

MRS. I. L. PATTERSON
REGENT OF OREGON

Expected Contest for Office in
Daughters of American
Revolution Is Lacking.

REPORTS SHOW PROGRESS

Mrs. J. B. Montgomery Given Honorary Post by Courtesy of Mrs. J. F. Beaumont — Mrs. Guernsey Indorsed for Presidency.

Mrs. Isaac Lee Patterson was elected state regent of the Oregon Daughters of the American Revolution yesterday. She received all the votes cast and, contrary to prognostications of a few members, there were no other nominations. Mrs. Patterson is past regent of Multnomah Chapter and is one of those who have worked with her in the organization to be well fitted for the office to which she has been chosen by the Oregon "daughters."

The selection of the state officers was the last important feature of the programme of the second annual conference held yesterday in the Tyrol room of the Hotel Benson.

Outside Chapters Represented. The other officers elected include: State vice-regent, Miss M. Ruth Guppy, of Oregon Lewis and Clark Chapter, Eugene; recording secretary, Mrs. Hubert Ferris, Willamette Chapter; corresponding secretary, Mrs. Frank E. Clements, Willamette Chapter; treasurer, Mrs. Anna Brynn Hunt, Albany, Linn Chapter; auditor, Miss Amy Dunn, Eugene, Oregon Lewis and Clark Chapter; historian, Mrs. J. T. Ross, Multnomah Chapter; consulting registrar, Mrs. James K. Weatherford, Albany, Linn Chapter; chaplain, Dr. Mary F. Farnham, Forest Grove; honorary state regent, Mrs. James B. Montgomery.

According to custom, the honorary state regency would have gone to Mrs. John F. Beaumont, the retiring state regent and organizer of the state federation, but Mrs. Beaumont asked that this honor might be given to Mrs. Montgomery, who had organized the first chapter in this city and who had been mentioned for the office of state regent. In giving this office to Mrs. Montgomery the Oregon daughters conferred upon her the highest rank in their power.

Western Candidate Indorsed. A notable action was taken by the conference in its indorsement of Mrs. George Thomas Guernsey as a candidate for the office of president-general of the National society. No feeling against Mrs. William C. Story, present head of the order, was expressed, but Mrs. Guernsey, being a Western woman, was favored. Her home is in Independence, Kan. The National congress will meet in Washington, D. C. next month.

Yesterday's convention was marked by its businesslike methods and interesting reports and addresses. Mrs. Beaumont presided. Mrs. James N. Davis, regent of Multnomah chapter, made the address of welcome and reported from her chapter, giving a record of achievement in Red Cross work. Mrs. J. H. Bagley, regent of Willamette, responded and reported for her chapter a list of accomplishments in social service and other forms of work.

Linn Chapter Reports Growth. Rapid growth and increased interest was shown in the report of Linn Chapter regent, Mrs. Levi E. Tracy. The bringing up of the youthful chapter, Oregon Lewis and Clark, of Eugene, was told by the regent, Mrs. F. G. Frink.

Mrs. Henry McCleary, state regent of Washington, was the honored guest of the day. Her address of greeting was full of expressions of good feeling from the sister state.

Miss Mary H. Perkins, of Eugene, made an address on "Modern Daughters." She gave credit to the patriot mothers and told of their great part in the making of the Nation. How they had made it possible for the women of today to have the privileges they enjoy.

An eloquent tribute to the departed members was the memorial of Mrs. H. H. Parker. Vocal selections were given by Mrs. Nancy Beals Van Dyke, accompanied by Mrs. Warren E. Thompson. The prizes and tellers were Miss Bertha M. Green, Miss Marie Green and Miss Martha Little. The singing of "Oregon, My Oregon," which was written by Mrs. Frink, was a feature of the afternoon.

Greetings Come From Afar. Telegrams and letters of greeting were received from the state regents of California, Idaho and Wisconsin and from Mrs. John Miller Horton, regent of Buffalo chapter, New York.

Mrs. Mary Barlow Williams, chairman of the committee on patriotic education, reported that the school children were encouraged to respect the flag and that the teachers were cooperating in this line of endeavor. Other who made reports were Mrs. William D. Scott, Mrs. R. S. Stearns, Mrs. R. R. Russell, Mrs. C. S. Jackson, Dr. Mary Frances Farnham, Miss Eleanor Gille, Mrs. W. L. Witzel, Mrs. W. E. Newsome, Mrs. William D. Fenton, Mrs. J. M. Knight, Mrs. Warren E. Thomas, Frank E. Clements, Mrs. A. H. Breymann, Mrs. Frink, Mrs. E. G. Titus and Mrs. Tracy. Dr. Mary Frances Farnham spoke of the work that is going on for the organization of the Children of the American Revolution and the Children of the Republic.

The social event of the day was the luncheon served in the crystal dining-room, which was elaborately decorated with flags. Several distinguished guests shared the hospitality of the state organization on this occasion.

RAILROADS BUYING LUMBER
Coast Mills Get Contracts for Several Million Feet.

Orders for 1,200,000 feet of lumber have been placed by the Union Pacific system within the last few days with mills in Western Washington and Western Oregon for immediate delivery. The material is to be shipped to Eastern car-building plants for use in constructing a series of stock and grain cars for the Union Pacific lines, including the Union Pacific proper, the Oregon Short Line and the O.-W. R. & N. Company. A large number of the cars will be delivered to the O.-W. R. & N. Company for use in this territory. Another order of more than 1,000,000 feet probably will be placed by the Union Pacific system within the next few days. Several mills between Portland and Tacoma probably will get the business.

A number of Eastern railroads also are in the local market for lumber for ties and for rolling-stock material. The Denver & Rio Grande recently contracted with the McCormick mills at St. Helens for 1,000,000 feet of ties. They will be shipped by water to San Francisco and delivered to the Western Pacific, a Denver & Rio Grande subsidiary.

EAT LESS MEAT IF BACK HURTS

Take a Glass of Salts to Flush Kidneys If Bladder Bothers You.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the urea acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly back-ache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

ANTI-KAMNIA TABLETS FOR Locomotor Ataxia

In a very interesting article on Locomotor Ataxia, Dr. Henry E. Story says that drugs have practically no beneficial effect in these cases. He says that rest should be insisted upon, and there should be no worries or troubles. Plenty of fresh air and moderate exercise must be insisted upon, but over-exercising is injurious. The use of tobacco and alcohol should be strictly forbidden, and over-eating is dangerous, especially when the food is poorly masticated. The food must be of the most nourishing kind, and the quantity and variety must be changed so that the patient will not lose his appetite. The most annoying symptom in these cases is the pain which at times is almost unbearable. Dr. Story says that he finds two Anti-Kamnia Tablets repeated in an hour if necessary, gives prompt relief and rest to the patient. These Tablets can be obtained at all druggists in any quantity desired. Ask for A-K Tablets.
