Arrow Line Interests.

Due tomorrow is the Dodge steamet forthland with \$16 tons of cargo taken aboard at San Francisco. The San Ramon, of the same line, leaves the The Sam

navigation. The new steamers Great Northern and Ramon, of the same line, leaves the Golden Gate today with a full cargo of general stuff and, on discharging here, goes to Puget Sound for a re-turn cargo of lumber. The Yosemite, consigned inward to the Dodge in-terests, is billed to depart from San Francisco Monday with a capacity load, included in which will be 100 tons of pig lead for Crane & Company, and is intended to fill a contract entered into with the city. The lead will be used in the joints of extension pipelines Northern Pacific are expected to follow that route. Having twin screws and plenty of power it is argued that they can proceed in and out without diffi-culty. Masters of some single screw types that continue to use the other cannel because they are not deep draft plan to follow the south course as soon as the new aids to navigation are established. On the Great Northern and Northern Pacific it is reported pilots are to be carried regularly who are familiar with the bar. into with the city. The lead will be used in the joints of extension pipelines the water bureau has authorized. The Saginaw left San Diego Wednes-

extent that the Government has au-thorized the establishment of a lighted range, to be located on Cape Disap-

nt, which will be used for night

Before 1915 ends there is reason to expect vast improvements there if the bar dredge Chinook is assigned to gotten away last night and the Daisy The dredge was The dredge was Portland drydock in service of the Arrow line. Traffid Manager Williams, of the Dodge line, said yesterday that the San Ramon was widen the channel. lifted on the Port of Portland drydock yesterday and the work of chipping the hull starts this morning, so by the latter part of next week she may be floated after being thoroughly cleaned same same rates as from the Columbia.
