Most Important Measures Before Houses Cleared in Last Few Moments.

MONEY BILLS ARE PASSED

Gavel Falls at 10 o'Clock, When All Big Acts Are Settled—Saving Over Last Biennium Is Set at Nearly \$250,000.

BOISE Idaho, March 8.—(Special.)—The Legislature adjourned sine die tonight at 10 o'clock after clearing away the general appropriation and general deficiency bills, the educational and charitable, penal institutions and judicial courts' budgets to meet the drain on the state treasury during the years 1915 and 1916.

To pay the money so appropriated, the advulorem tax act setting a maximum limit of \$5,000,000 was passed. It is believed that outside revenue from the Federal Government and the sale of lands, etc., raised by the advulorem tax will be sufficient to meet the expenses of the biennium.

The total carried by the bill as finally approved was \$675,930.50. The general appropriation bill, to which the Senate amendments were added, is \$618,172.50; the judicial budget \$250,200, the general deficiency act \$52,427.74 and the charitable and penal institutions bill \$1,000,000.
