## Error in Ninth Lets Hitless Ones Escape Fourth Shutout.

OAKLAND, March 21.--(Special.)-The Oakland ball club is doing its share to represent the City of Promise. #### BERRY WANTS TWO UMPIRES

Single Arbiter System for Coast League Games Said to Be Doomed.

SAN FRANCISCO, Cal., March 21.— (Special.)—The single umpire system is apparently doomed, so far as the Pacific Coast League is concerned. Henry Berry, owner of the Seals, left tonight for Los Angeles with the avowed intention of conferring on the subject with Tom Darmody and Ed Maler, of the Los Angeles and Venice club. Salt Lake will presumbaly fall in line, since Cliff Blankenship will recommend such a step to his team owners. Judge McCredie, of Portland, has been asked to state his opinion SAN FRANCISCO, Cal. recommens. Judge McCredie, of Portland, has been asked to state his opinion and it is likely a telegraphic vote will be taken before the week is out. "I was responsible for starting the double umpire system," said Berry to-night, "and I have thought all along we would have to return to that sys-tem. Tom Darmedy told me several weeks ago he preferred two umpires on the field and I see by the papers that Maler agrees with him. What I would like is a unanimous vote from all the clubs concerned. "In the meantime President Baum expects to hear from Portland and he will also communicate with Oakland and Sait Lake. I expect we will ask the president of the lengue to request a telegraphic vote.
