FOR the first time in Portland, society will enjoy a "Cotton Ball," which is being planned by members of Trinity Episcopal Church for the benefit of Scadding House. The affair will be most informal, and will be an event of Wednesday, April 17, at Hotel Malmont. The first meeting was held yesterday morning in Trinity Parish House, and a number of committees appointed to carry out the plans formulated. The "cotton balls" and matrons will take entire charge of this affair, and it undoubtedly will be a tremendous success. One of the features that will appeal to men and women is the fact that the style of dress is limited to cotton or wash gowns of the simplest kind, and the men are urged to wear white flannels or business suits.

Mrs. Donald Green was appointed chairman of the arrangements and has selected a corps of capable assistants. There will be a list of prominent matrons who have promised to act as patronesses, and the various committees will appoint sub-committees. Among those who attended the meeting yesterday were: Mrs. Green, Mrs. W. O. Van Schuyver, Mrs. C. J. Reed, Mrs. Howard I. Mather, Misses Ailsa and Mabel MacMaster, Mrs. James E. Davidson, Mrs. Leroy Fields, Mrs. James A. Dougherty, Miss Cornelia Cook, Mrs. Arnold S. Rothwell, Mrs. David A. Shindler, Mrs. Gay M. Standifer, Mrs. Margaret B. Biddle.

where she is popular socially. The wedding was a simple affair, solemnized at the home of the bride's parents, in Walla Walla, Wash., Dr. Jonah B. Wise, of Portland, officiating.

The last of the series of Tuesday morning talks by Mrs. G. Lane Taneyhill on current topics will be given today.

These talks have had the sponsorship of several prominent matrons of society, and have been most interesting fortnightly events. Mrs. Taneyhill also has given a series at Vancouver, Wash., and they have been most popular. The patronesses for the Tuesday morning series were Mrs. Holt C. Wilson, Mrs. Henry C. Cabell, Mrs. Solomon Hirsch, Mrs. Warren E. Thomas, Mrs. Frank M. Warren, Jr., Mrs. Frederick G. Eggert and Mrs. E. C. Shevlin.

Miss Nettie V. Drew, Miss Betty Heister and Miss Dorothy Campbell attended the matinee dance and banquet at Hotel Osborne celebrating the 41st reunion of Delta Gamma.

A pretty luncheon was presided over Saturday by Mrs. W. F. Honey, complimenting her daughter, Miss Ada Honey, passed the week-end in Eugene. They take place on April 5.

The affair was given at the home of the hostess near Greenham, a color scheme of green and yellow being developed throughout the function. The favors were moose-shaped photographs of the bride-elect.

At the wedding the bride-elect's grandparents, Mr. and Mrs. C. Honey, also will celebrate the 60th anniversary of their wedding.

A card party has been planned for April 21 by Willamette Chapter, Daughters of the American Revolution, and the Portland Chapter, Daughters of the Confederacy. led by Mrs. Guernsey's friends on the ground that four years ago Mrs. Story herself entered the contest for president-general against a first-term incumbent. They point to the famous "first shot" declaration of that time through which D. A. R. circles were started by the entrance of Mrs. Story into the campaign for president-general. That historic struggle promises to be repeated this year.

Four years ago Miss Florence G. Finch, then and now campaign manager for Mrs. Story, declared that a ruling of the National officers, holding that for a second term as president-general was against all precedent.

The Oregon State D. A. R. endorsed Mrs. Guernsey at their state convention.

A number of other matters that will come before the congress will be discussed. This question will be one through which D. A. R. circles were started by the entrance of Mrs. Story into the campaign for president-general.

Arizona has a grievance in which it is declared that the daughters in that state have been disfranchised by a ruling of the National officers, holding that for a second term as president-general was against all precedent.

Another stormy topic will be that of a proposed amendment to the by-laws which would remove from the candidate the right to be elected president-general. This is the present historian-general.

As a reform to eliminate factional strife, Mrs. Guernsey advocates one term of three years, with no re-election, for all National officers.

Questions of mileage relating to the travels of National officers and the financial tangles of the society's magazine will be aired at the coming congress. With these and other questions the election of National officers is looming ahead, the congress will be full of interest to the 2000 or more delegates who will attend.

The Irvington Park Literary Club enjoyed a delightful afternoon Thursday with Mrs. Charles Moore, in her home, East Twenty-second street, North. Fine music was furnished and delicious refreshments served. The next meeting will be held with Mrs. H. M. King, 1361 East Twenty-sixth street North.

An elaborate Lenten programme will be given at the White Temple this evening by the Monday Morning Club. Organ numbers will be given by Mrs. Anita Stoddard, vocal solos by Mrs. Virginia Hutchinson and E. Maldwyn Evans, who also is elected. Christine Brakel, under the direction of W. H. Boyer a large chorus will sing "List, the Cherubic Host," from Gault's "Holy City." Among the other soloists will be Mrs. Eugene Knight, Miss Marna Chapman, Miss Roxanna Wommelsdorf and Miss Christine Brakel, all of whom will give violin selections. The affair is free and everyone is welcome.

TALKS ON DOMESTIC SCIENCE

ASTORIA, Or., March 29.—Would you please publish in The Oregonian a recipe for making hot cross buns, the kind that make curd cheese cakes are made. The ones I mean are the ones that are made in England. They consist of curd, currants, butter, almonds or flavorings and sugar. I feel I know what I mean. Thanking you in advance and assuring you of my interest in your column in The Oregonian.—Mrs. L. S.

MANY FAMILIES HOMELESS

Mrs. Josephine Sharp Asks That Shack Owners Donate Houses.

Saying that it was a crime that many idle shacks there were about the city, while families were being driven out of homes because of a lack of work with which to earn money to pay rent, Mrs. Josephine R. Sharp made a second appeal yesterday, urging people with such unoccupied structures to offer them for the use of the unemployed.

"If anyone would rather let a family have that shack than tear it down,

WHY DINING CAR CHEFS PREFER KG BAKING POWDER

Those who have had cakes ruined by jarring the stove, slamming the oven door or a heavy footstep, may have wondered how the dining car chef can turn out such marvelous biscuits, hot breads and pastry when his oven is being incessantly jarred and shaken by the motion of the train.

To get pastry to raise and stay raised under these conditions, a baking powder must be used that continues to give off its leavening gas—that sustains the raise—until the dough is baked through.

Dining Car Chefs have found a baking powder exactly suited to their needs in K C and you will find it just as well suited to your requirements. K C is really a blend of two baking powders, one active as soon as moistened, the other requiring both moisture and heat to start the generation of leavening gas. No matter how moist and rich you make your cake, K C Baking Powder will sustain the raise until a crust is formed and all danger of falling is past.

K C Baking Powder is pure and healthful. It is guaranteed under all pure food laws, and is guaranteed to please you. And it is sold at a reasonable price—no baking powder should sell for more.

SERVICES AT BAKER BEGUN

Rev. H. R. Talbot Talks at First Noon Meetings of Week.

The Baker Theater resounded yesterday with the familiar strains of the hymn, "Look of Ages," and after the song there was a prayer and a short address by the Rev. H. R. Talbot. At the noonday meeting, under the auspices of the Brotherhood of St. Andrew, these meetings will continue all this week, beginning daily at 12:10 and closing at 12:30 o'clock. Bishop W. T. Sumner will speak today.

Dr. Talbot characterized the days of the passion week as follows: Monday, the day of Christ's authority; Tuesday, the day of silence; Wednesday, the day of fellowship; Thursday, the day of suffering; and Friday, the day of suffering.

"I beseech you," said Dr. Talbot, "that you shall realize upon your knees the story of the last moments in our Lord's life during this week."

THERE'S ALWAYS "SOMETHING ELSE" TO MAKE MONEY DISAPPEAR AND MAKE IT HARD FOR YOU TO GET YOUR NEW CLOTHES

If a person is so foolish as to wait in shabbiness till she hasn't a single thing to spend her money for but CLOTHES, FOR HIGHER—why, that woman nearly always has a mighty long and doleful wait before her.

The thing to do is BUY WHAT YOU WANT. A natural object of the SEASON—AND PAY FOR IT BY THE WEEK. What you pay in small installments to CHERY'S you can't realize until the season is over.

COURAGE IS COMMON IN THIS WAR.

London, March 29.—Every Englishman knows how to die bravely. The Irish, Scotch and English soldiers face the bayonets, the machine guns as though out on dress parade. It is the men who sicken and die in the trenches, or at home after an arduous campaign that our sympathy goes out to most.

There are thousands of such men behind the battle lines who want to be helped without the strong constitution front without the strong constitution and nutrition. It eliminates from the blood disease breeding poisons. It makes the blood rich and pure, and furnishes a foundation for sound, physical health. Fifty years ago, Dr. Pierce's Medical Discovery which cures diseases of the stomach and organs of digestion and nutrition, it eliminates from the blood disease breeding poisons. It makes the blood rich and pure, and furnishes a foundation for sound, physical health. Fifty years ago, Dr. Pierce's Medical Institute, at Buffalo, N. Y., found that certain herbs and roots manufactured by using glycerine without the use of alcohol or opiate, made into a concentrated extract, which he called Dr. Pierce's Golden Medical Discovery, made a stimulating tonic for the stomach, helped the digestion and assimilation of the food and a graduated poultice from the blood. This is nature's cure for indigestion, and by correcting the stomach, and thereby feeding the blood on pure materials, the red blood corpuscles are increased and the body established in a healthy state. No one suffers from catarrh who has plenty of red blood corpuscles and a good digestion. Catarrh in all its forms is a stagnation of the blood. Introduce pure red blood into the system by taking the "Medical Discovery" and health is assured.—Adv.
