Woman So Weak and Nervous Could Not Stand Her Children Near Her--Vinol Changed Everything for Her.

Plant Clity, Fiz.—"I wish I could tell everybody about Vinol. For nine years I was in bad health. I got so I could not sleep, and I could not stand it to have my children come near me. I could not even sew or do any heavy housework. I was simply tired all the time. I tried so many medicines I could not recall them all, but nothing did me any good. One day a friend could not recall them all, but nothing did me any good. One day a friend asked me to try Vinol and said it was the best tonic she ever saw. I did so, and soon got the first good night's sleep I had had for a long time. Now I sleep well, my appetite is good, my nervounness is all gone and I am so strong and well I do all my house-work and work in my flower garden without feeling tired or nervous Vinol has made me a well and happy woman." --Mrs. C.
