The great feature of the morning game, played in Vernon, was Bill Burns' comeback. FIGHTERS REST ON EVE OF STRUGGLE Johnson and Willard Are Both Above Weight for Today's Contest. EACH OOZES CONFIDENCE Cowboy Declares He Will Whip Ne-

gro in Any Event; Black Insists He Is in Perfect Shape, but Appears to Be Far Too Heavy.

HAVANA, April 4.—With their train-ing finished for the world's champion-ship heavyweight battle on Monday, Jack Johnson and Jess Willard spent today resting. With the struggle for premier honors only a few hours away they were satisfied with a stiff walk early in the morning. Mether man is down to normal fight-ing weight, and, as a consequence, both will abstain from taking liquids until after noon Monday. As a matter of fact, according to their statements, they have taken no liquids in the past two days.

Johnson spent part of his leisure hours in packing up his belongings, preliminary to leaving Havana after the fight.
He plans to sail for Martinique Wednesday, and will go from there direct to France or South America, depending on the outcome of tomorrow's contest. His last word today was to tell the 'fans' that he was in perfect condition and was sure of winning. He seemed more concerned over the loss of a pair of new shoes than over his meeting with Willard in the ring.
Johnson says he will enter the ring weighing 255 pounds, but he appears to be ahout 10 pounds heavier than that. The gong will sound for the fight at 12:20, and Johnson expects to leave his quarters for the arena at noon.
Willard with a party of Kaneas friends, lounged about the plaza for an hour or two listening to a band concert, Crowds gathered around him every time he stopped. He retired early.

Fort Klamath and Bly will participate, is being arranged by Vernon T. Motch-enhacher, athletic instructor of the lo-cal high school. This is for the pur-pose of determining the track records of all of the high school athletes of Klamath County. These records will be supplied to the University of Oregon to enable selec-tion of 100 students for an interscho-instic track and field meet to be held at the University, to which the univer-sity will pay the expenses of all ath-letes chosen.

Willard Expresses Confidence.

Willard Expresses Confidence. Willard intends to take a brisk walk early tomorrow, and will leave for the ringside at 11 o'clock. He shows no signs of worry over the outcome of the match. He said he expects to beat Johnson any way the negro fights. The length of the battle, he declared, de-pends on the champion's tactle. Willard's camp partners said that their man will be a sure winner if he can break even with Johnson for the first 10 rounds. Sunday would have been a great day for the fight as originally planned. It was cool, with a good breeze, and all indications point to similar conditions tomorrow. DELAY AT BOUTS ELIMINATED Pastime Smoker to Be Rapid Suc-
