and All Our Ads

If Received Within Three Days
of Date of Publication

We give our out-of-town customers the same privilege of buying from our daily advertisements as if you were here in the city. Moreover, our method is not a "mail-order system," it is, rather, a systematized shopping service which gives the personal attention of a trained shopper to the filling of every mail order.

Your order is studied and promptly filled with as much "intelligent interest" as if you were here yourself. Should you come in person we will be glad, upon request, to have one of our experienced shoppers assist and conduct you to as many of the 75 different departments as you choose. There is no charge.
