GOVERNOR AND 30 DUE

CHAMBER BUREAU PLANS TO ENTERTAIN NEW JERSEY VISITORS.

Many Other Large Parties Reported as Planning to Stop Over on Way to or From Fair.

Information in the hands of the New Chamber of Commerce indicates that many tourists on their way either to or from the San Francisco exposition, will visit Portland. It is expected that after May 1 one or more large touring parties will arrive in Portland nearly every day.

On May 20, Governor James F. F. Fielder, of New Jersey, with a party of 30, will pass the entire day in Portland. A party of 50 tourists from Montgomery, Alabama, will reach here at a later date. Letters being received every day indicate that many other large parties of Eastern tourists will include Portland in their itinerary. Special committees will be appointed by the Chamber to take charge of the visiting tourists and escort them to points of interest about the city. Among the enthusiastic visitors is George Edward Lewis, editor of the *Bryantville, Mass. News*, who was in the city yesterday on a sight-seeing tour of the Pacific Coast. While here he obtained a large number of photographs and several slides with which he will illustrate lectures he proposes to deliver after he returns to Massachusetts. So delighted is Mr. Lewis with the Oregon country that he plans to return next summer and pass his entire vacation on the Columbia River above Portland.

The new information and inquiry bureau established by the Chamber now is making extensive preparations for the entertainment of the thousands of tourists who are expected to arrive during the summer. The consolidation committee of the Chamber will meet with the hotelmen of the city tonight to consider plans now under way by the new bureau.

PAPER TELLS OF TRAGEDY

Mrs. H. M. Smith Has New York Herald Extra on Lincoln's Death.

The 50th anniversary of the assassination of President Lincoln is being brought to light in an old New York Herald extra, issued at 8:10 A. M. April 15, 1865. The paper is a single sheet of six columns, and has a wide two-column cut of Abraham Lincoln in the center. About half the page is devoted to details of the crime, and the remainder to discussion of the Civil War.

Besides a lengthy war editorial, the last proclamation of Jefferson Davis is given a prominent place. This paper is a treasured possession of Mrs. Helen M. Smith, 2905 Fifty-third street, who bought it in Attica, N. Y., that morning.

Mrs. Smith was married in New York in 1860, and has been a resident of Oregon since 1876.
