# **COOS BAY STORES** PAY FORGERS \$700

Theck Swindle Is Worked by Gang and Leader Escapes With Most of Cash.

FOUR MEN ARE ARRESTED

Manager of Marshfield Business Locks Doors on One of Alleged Swindlers and Calls Police and Arrests Result.

MARSHFIELD, Or., April 18 .- (Spe ciai.)—Marshfield and North Bend merchants paid out about \$700 to six or
seven men last night who made small
purchases and obtained from \$30 to \$50
change with each on checks forged on
Hauser & Hauser, railroad contractors
building the Coos Bay portion of the
Willamette-Pacliic Railroad. The supposed leader of the gang and a companion escaped with a large part of the
money obtained. Three men, Mak Matich, Joe Seavich and Jo Fenovitch, were
arrested in North Bend by Deputy
Sheriff Laird, and another, who gave
the name Joe Davis, was arrested in cial.)-Marshfield and North Bend merthe name Joe Davis, was arrested in Marshfield by Chief of Police Carter, after Manager Harris, of the Parisian store, had locked the store door with Davis inside and had telephoned the

Merchants had handled similar checks before and the Hauser & Hauser Com-pany is well known here. Those who offered the checks bought anything that was offered to them, and none said what he wished to buy when offering the forged paper. It was this fact that is said to have aroused suspicion.

Gang Rounded Up. After the arrest of Davis the check he had tried to pass at the Parisian store was shown to Kenneth Hauser, who was in Marshfield, and he detect-

bed the forgery. The others then were rounded up in two hours.

Davis is said to have cashed several checks in Marshfield before being arrested, but he had only \$58 in cash. Mak Matich had ten checks secreted about his person when arrested at about his person when arrested at North Bend. Joe Scavitch carried two

Seavitch told the officers that Matich took the men, four or five of them, to his room and gave the checks to them.

gang, who is described as a tall, dark man. The police also have obtained the description of another man, who is said to have been implicated. The police and Sheriff carried on a search for these two last night and today without suc

Those who had losses aggregating from \$30 to \$130 were R. A. Copple, of Golden Rule store; A. J. Mendel, of the Hub Clothing & Shoe Company; the Fixup Clothing Store at Marshfield and North Bend; the Lando store, Marsh-field; Norton & Hansen, Marshfield; Thomas Howard, jeweler, Marshfield; the Stein shoe store, North Bend; J. Albert Matson, dry goods, Marshfield.

OREGON OPPOSES REVERSION OF RAILROAD GRANT.

Resolution Passed by Last Legislature last ditch. Declares Settlement Vital to Interests of State.

SALEM, Or., April 18 .- (Special.)-That settlement and not withdrawal from taxation by reversion to the Federal Government in the case the Oregon & California grant lands is vital to Oregon is plainly set forth in the joint resolution passed by the last Legislature. It is this resolution under which the Attorney-General of Oregon is now in Washington seeking to intervene in the Government's forfeiture suit. The resolution is as foi-

Whereas, The Legislative Assembly of the State of Oregon, at its regular session in 1907, adopted Senate Joint memorial No. 5, urging the United States Congress to enact such laws and take surb steps, by resolution or otherwise, as might be necessary to compol the Oregon & California Radiroad Company to comply with the conditions of the acts of Congress of July 25, 1866, and April 10, 1869, granting to the predecessor in Interest of said railroad company vast tracts of public lands within the State of Oregon and requiring such lands to be sold to actual settlers at a price not to exceed \$1.50 per acre, and to enact and declare some sofficient penalty for non-compliance therewith by way of forfeiture of the grant, or otherwise, as in the wisdom of Congress such Representatives in Congress from the State of Oregon and Highest lands and Representatives in Congress from the Whereas, The Legislative Assembly of the

in Congress, and

Whereas, Pursuant to the prayer of said memorial and the efforts of the Oregon Senators and Representatives in Congress, action in compliance therewith was taken by the United States Congress, under which authority suits were commenced in the District Court of the United States for the District Court of the United States, and are now pending in the United States, and are now pending in the United States Supreme Court, in which it is sought to forfeit said grant, and if the decision of the District Court is affirmed such will be the result of said suits and the land will revert to the United States Government, and the treety to the United States Government, and the result of Said suits and the land will revert to the United States Government, and thereby be withdrawn from taxation by the State forgon and its several counties and municipalities, and

Tand whereas, It is of vital importance to the development of the entire State of Oregon and several counties in which such granted lands are located that such langs should be disposed of for settlement and development under the terms of such a decree as the court may deem fust and equitable, now, therefore,

Be it resolved, By the Senate of the State of Oregon, the House of Representatives jointly concurring, that the Attorney-General be, and he is hereby authorized and directed to intervene on behalf of the State of Oregon, in such manner as may be permitted and authorized by the rules of the court, or any court in which such sult or sults may hereafter be pending, for the purpose of securing and protecting the best interests of the State of Oregon and its citizens and to take any and all steps and proceedings which may be necessary or permits and to take any and all steps and proceedings which may be necessary or permits and substants and all steps and proceedings which may be necessary or permissible to safeguard such interest.

WASHINGTON TOTAL 81,492,765 LESS THAN THAT LAST YEAR.

Levies for Educational Purposes Are Increased by \$628,000 and Road Levies Cut \$1,350,000.

OLYMPIA, Wash., April 18 .- (Special.)-The total 1914 taxes being collected in Washington this year amount to \$36,818,416, the State Tax Commission shows from a compilation of County Treasurers' tax rolls. This represents a reduction of \$1,492,765 from the taxes of the previous year, or a little less than 4 per cent.

taxes of the previous year, or a little less than 4 per cent.

The various taxes for school purposes, including the state levy for institutions of higher education, comprise 25.65 per cent of all taxes levied in the state, the statement shows. City taxes constitute 22 per cent of the total and the various taxes for road purposes 18.78 per cent.

18.78 per cent.

The state general and military fund levies combined amount to only 7.27 per cent of the total. All county levies, exclusive of those for schools and roads, amount to 13.29 per cent of the total.

total.

The taxes for educational purposes aggregate \$13,196,660, an increase of \$658,000 over taxes paid last year for

# FINDING WORK FOR CONVICTS PROBLEM

Laws Handicap Officials, but Great Progress in Near Future Is Expected.

DAVEY EXPLAINS

Bookkeeper Points Out How Statute Prevents Sale of Products of Prison Plants and Suggests Needed Remedies.

SALEM, Or., April 18.—(Special.)— With the appropriation of \$50,000 made

With the appropriation of \$50,000 made by the last Legislature for providing means for the employment of the convicts of the state, and the members of the State Board of Control determined to solve once and for all a problem that has vexed and embarrassed various administrations, it is not improbable that the penitentiary soon will be nearer self-supporting than ever before.

Governor Withycombe says the employment of the convicts is one of the vtal questions of his administration, and he is confident the flax retting plant to be installed in the prison will supply to be installed in the prison will supply labor for a large number. Others will be put to work on roads, and still other means of employment will be previded. Frank Davey, a member of the House at the last session of the Legislature and now bookkeeper at the prison, has made a study of conditions there for more than 20 years. Calling attention to the general desire to have the in-mates of the penitentiary employed and

Davey made several suggestions today, which may be of benefit to the Board of Control. Many Theories Offered.

He said: "Many theories have been advanced "Many theories have been advanced but there are several existing conditions which make difficult the practical operation of those theories and it would be well to have those conditions understood by the public, by the people who have created them.

"The people and their representatives in the Legislature have placed upon the statute books the following laws with relation to convicts:

with relation to convicts:

"In order to minimize the cost of maintaining the several institutions, all wards of the state who are capable of a reasonable amount of work without physical or mental injury to themselves shall be used as fully as possible in the production and manufacture of Seavitch told the cancer of them, to his room and gave the checks to them, telling them he would give them half the same purpose.

The road levies of \$6,211,056 represent a reduction of nearly \$1,350,000 for taxes paid last year for maintaining the same purpose.

The road levies of \$6,211,056 represent a reduction of nearly \$1,350,000 for taxes and levies of a reasonable amount of work with any private personal property 12.9 per cent. The products of the checks taken from Matich and Seavitch was \$533. All the checks the search and seavitch was \$533. All the checks the search and seavitch was \$533. All the checks the search and search and seavitch was \$533. All the checks the search and search
